PRAYER

*“In the name of God, The Beneficent, The Merciful
 Praise be to God, Lord of the worlds
 The Beneficent, The Merciful
 Owner of the Day of Judgement
 Thee do we worship
 Thee do we ask for help
 Guide us to the right path
 The path of those on whom Thou hast bestowed
 Thy Grace
 Not of those who earn Thine anger
 Nor those who go astray ”*

HOLY QUR - AN

PLEDGE

*India is my country, and all Indians are my brothers and sisters.
 I love my country, and I am proud of its rich and varied heritage.
 I shall allways strive to be worthy of it.
 I shall give my parents, teachers and all elders respect
 and treat everyone with courtesy.
 To my country and all my people, I pledge my devotion.
 In their well being and prosperity alone lies my happiness.
 Jai Hind.*

About MES

The Muslim Educational Society (MES) is an educational organisation established under the leadership of late Dr P.K. Abdul Gafoor in 1964 at Calicut. The organisation is supported by a group of socially committed, well known professionals, industrialists, intellectuals and educationists and has its branches in all districts in Kerala. MES operates 150 educational facilities across Kerala, including professional institutions, Arts and Science colleges, aided and CBSE schools etc. During the last five decades MES played a significant role in upbringing a remarkable and glorious transformation in the educational scenario of the Muslims in Kerala. MES has tried to uplift the backward community of our nation socially, economically and educationally. MES endeavours to help the budding youth to meet all the challenges in the modern society and to emerge themselves as fitting professionals or architects of the new era. MES aims not only to emerge as a centre for teaching technology and management, but also to become a centre for research and development. They carry on with their mission under the inspiring leadership of the present MES president, Dr. P.A. Fazal Gafoor.

THE M.E.S. CREST

MES Crest is an apt representation of the organisation's vision and mission. It begins with an invocation to Almighty. It is a verse from the Holy Quran which means "Oh Lord Enlighten Us". The mass balance below is the symbol of the prevailing justice in Islam. The crescent moon and star in the middle of the balance represent the Muslims all over the world. The Holy Quran, the source of all knowledge, is placed open below. Beside it the flambeau of Islamic culture is held in sturdy hands. The letters M.E.S. in the middle is the acronym for 'Muslim Educational Society'. The coconut trees below denote the scenic beauty of Kerala which is enriched by the cultural values of M.E.S. The feather held in bangled hand shows the importance given by the organisation to education of women. The bottom of the crest is the full name of the organization and the year of inception.

M.E.S. ASMABI COLLEGE - A PROFILE

M.E.S. Asmabi College, a premier educational institution managed by the Muslim Educational Society (Regd.) Calicut, owes its existence to the remarkable foresight and unremitting zeal of the late Dr. P.K. Abdul Gafoor, the late P.K. Abdulla I.A.S., Dr. M.A. Abdulla and late Dr. A.K. Siddiq Karikulam Azhikode.

The college started functioning in 1968 at P.Vemballur, Kodungallur, a remote coastal backward village in the S.N. Puram Panchayath, of Thrissur District with the objective of uplifting the educationally backward community, especially Muslims of the area who had been denied, the right to education for generations.

The college now caters to the needs of the students throughout Kerala and Lakshadweep, cutting across the barriers of class, caste, creed and religion. Hajee Ismail Essa Sait of Cochin initially donated the land and building and the college was named after his mother "*Asmabi.*"

The college which enjoys 2F and 12B status of the U.G.C. is affiliated to University of Calicut. At present it provides higher education to above 2500 students in thirteen Under Graduate, four B.Voc.and seven Post Graduate Courses. Three departments of the college have been recognised as Research centres of the university. The college celebrated one year Golden Jubilee in 2019 -20 by organising various programmes.

The College was re-accredited by NAAC at "A" level in October 2024.
