

MES ASMABI COLLEGE, P.VEMBALLUR

E-PAYMENT POLICY

The Covid 19 pandemic situation has brought out a major change in the payment schemes globally and which was launched in India during the time of demonetization. Our college has shifted from manual payment facility to online or e-payment mode during these pandemic period.. During the first stage of online transaction, the students availed Google pay facility for fee payment. At the second stage, all payments of students including fee payment were facilitated through payment gateway facility available in the college website.

The remittance of fees, fine and rent paid towards the Government gradually shifted to e-pos facility. The payment transactions made by students regarding tuition fee, admission fee, TC, late fee, registration fee etc. can be remitted at office using e-pos facility. This facility make fee transactions available at Government Treasury 5 (TR5) through online mode. MES Asmabi college thus provides these e-payment facilities to the students for smooth functioning.
