

MES ASMABI COLLEGE

RESEARCH PROMOTION POLICY

Preamble

M.E.S Asmabi College focuses on promoting Research Culture by complementing it with teaching – learning. Freedom of inquiry and its expression through publications and presentation are promoted.

Research Promotion Policy of the College

The Research policy document presents broad principles that guide the research activities upholding the integrity of scholarly inquiry that helps the faculty and students in achieving excellence and contributing to the societal development.

Objectives

The principal objectives of the Research Policy are as follows:

- a. To develop desired awareness regarding research among the faculty.
- b. To establish a right kind of research culture through various research initiatives and programs.
- c. To establish Research Center in different disciplines with emphasis on socially relevant topics.
- d. To encourage faculty members to publish research papers and undertake various research projects of social and academic importance.

Research Promotion Policy

The research promotion policy aims to create and support a research culture among its staff and students and leverage it for enriching and enhancing the professional competence by:

- a. Developing and promoting scientific temper and research aptitudes of all learners
- b. Facilitating staff & student participation in research and related activities
- c. Providing the required resources and appropriate facilities for smooth conduct of Research
- d. Fostering socially relevant research and promote multidisciplinary research

- e. **Developing rules, procedures and guidelines for granting research support, instituting awards, and supporting all other research related activities**
- f. **Promoting interdisciplinary research and establish modalities for preparing and undertaking joint research projects covering more than one knowledge domain as well as policies for involving external agencies/experts in such projects.**
- g. **Identifying, collaborating and establishing linkages including MOUs with National/International/Govt/ Non-Govt/ Industry/ Research organizations and Local agencies to benefit from the activities and programmes conducted by those organisations for widening the scope of the research opportunities, obtaining sponsorships and funding options available.**
- h. **Encouraging and facilitating the publication of the research work/projects in reputed academic journals**
- i. **Serving as a facilitator to provide professional guidance, technical support and recommendation for financial assistance**
- j. **To create awareness about patents and intellectual property rights and assists them in applying.**
- k. **Compiling data on all the research work/projects undertaken by the teachers and students in to a database for easy monitoring and analysis of the progress being made by them from year to year.**
