Policy for Differently Abled and Information Brochure

Catering to the needs of Divyangjan is a sacred responsibility of any institution. Our college has been able to address the needs of the differently abled ensuring them a barrier free environment.

The college has framed a policy for the differently abled.

Objectives

- i) Physical, mental and educational well-being of differently abled students of our institution.
- ii) Acknowledge the human resource potential of our differently abled students
- iii) Create an environment that provides equal opportunities, protection of rights and full participation in society.

Services for differently abled Students

Physical and Infrastructural Support

- Physical facilities such as ramps, hand rails which will help the differently abled to have easy access to their classrooms, friends and teachers.
- Maintaining a hygienic, easy to use washroom for the differently abled.
- A dedicated retiring room for differently abled students

Academic Support

- Inclusion of differently abled students in curricular, co-curricular ad extra-curricular activities.
- Devoting additional time to differently abled students to assist them in learning process.

- Disseminating information regarding orders dealing with scholarships and other assistance.
- Assuring scribes for examinations.
- Extra time to complete exams, when requested
- A well monitored HEPSN club to address the concerns of differently abled.
- Observation of important days pertaining to differently abled
- Fostering in students love, empathy and understanding towards the differently abled.
- Parent teacher meetings to address grievances, if any.

Expert talks, lectures and seminar are organised for the differently abled students to motivate them on the opportunities and acknowledge their worth as a valuable human resource.
