In order to maximize wealth, financial management must achieve the following specific objectives

- (a) To ensure availability of sufficient funds at reasonable cost (liquidity).
- (b) To ensure effective utilization of funds (financial control).
- (c) To ensure safety of funds by creating reserves, re-investing profits, etc. (minimization of risk).
- (d) To ensure adequate return on investment (profitability).

Working of CRT

- A beam of electrons (*cathode rays*), emitted by an electron gun, passes through focusing and deflection systems that direct the beam toward specified positions on the phosphor-coated screen.
- The phosphor then emits a small spot of light at each position contacted by the electron beam.
- Light emitted by the phosphor fades very rapidly, redraw the picture repeatedly by quickly directing the electron beam back over the same points. This type of display is called a **refresh CRT** (Frequency at which picture is

ABOUT THE COURSE-ADVERTISING

Advertising is a large field, comprised of creative and business professionals who share one main goal: to motivate customers to buy products or services. Advertising jobs encompass more than simply creating ad slogans. Students who learn advertising can acquire knowledge about all facets of the business, including creative careers such as copywriting and art direction and business careers in advertising media buying, planning and sales. Advertising is about reaching consumers and inducing them to buy a product. Goods and services being advertised should capture consumer's emotions in some way, evoking desire and a sense of urgency. Advertisers need to connect to the consumer on a personal level, so creative ideas with a personal touch are the most successful. This paper prepare students for future careers in advertising, media and increase their chances of securing a job. A career in advertising is a great fit for people who love to communicate, create, implement and grow within their professional lives. Students with this educational background may go on to become an advertisement salesperson, advertising manager, art director, advertising consultant or graphic designer.

COURSE OUTCOME

1. This course provide them an introduction to the world of advertising.
2. It enables students to understand print , radio ,tv and online advertising and the latest trends found in ads.
3. It gives training on ad copy preparation also provides knowledge on marketing technique-marketing mix ,media mix etc
