The first official general body meeting was held in May 1997. It passed the by-law of the organisation and elected the first executive committee headed by Adv. V.M. Mohiyudheen and A.V. Dhanajayan as President and Secretary respectively. They actively run the organisation by undertaking several activities like distribution of scholarship to deserving students, award to top scorers, conducting essay competition etc.

A general body named 'poorvavidyarthi sangamam' was held on May 14th 2003 for reconstitution of the Association. Principal Prof. P.K Yacoob took initiative for convening such a meeting. A twenty one member executive committee was selected and Er. V.S. Siddique and Dr. K.P. Sumedhan were elected as president and secretary of the Association. Since then the Association is active and several programmes were organised and implemented. Special general body held in 2nd october 2003 amended the by-law to rename the Association as Alumni Association to suite the global name pattern and to enroll staff and managing committee members as members of the Association. It also approved three classes of membership, instead of the existing two, that is, ordinary, life and patron having a fee structure of: Rs. 100/-, Rs. 1000/-, Rs. 5000/-.

At present the Association has Twenty Eight patron members, 510 life members and more than two thousand five hundred active ordinary members. Of course the membership base of the Association is poor and it is necessary to make earnest effort to increase the membership base of association. As per the by-law Annual General Body Meeting of the Association will be held in October every year. The term of the committee is two years and at Present, Dr. K.P. Sumedhan is the president of the association and Mr. M.K. Najeeb is the secretary. This committee organized several activities for maintaining the organization as an alive body and successfully implemented many programmes of the Association.

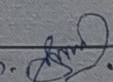

ALUMNI DAY

In order to provide a stage for reunion of old students, Association decided to celebrate Oct 2nd the 'Gandhijayandhi day', as the Alumni day. Alumni day is a full day family meet of Asmabians, in the college campus. It is an informal get together and the participants celebrate the day by organizing cultural programmes, competitions and many other entertainment programmes. Generally the participants, ie the old students and their family

members, were the performers of cultural programmes also. Most of the participants were students from earlier batches, and we felt that they are enjoying it more than the students who left the college recently. The response from old students to this programme is quite encouraging, that is why the organisation succeeded in conducting twenty such Alumni days ie, from Oct 2nd 2003 to Oct 2nd 2022. We request all the former students to attend the programme on Oct 2nd every year and make it a memorable day.

SCHOLARSHIP/GOLD MEDALS

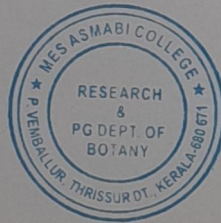

One of the major objective of the organisation is to extent financial assistance to the deserving students. As our College is located in coastal village, large number of students are coming from families which deserve financial assistance. By realizing this fact, Association decided to distribute scholarship to as much students as possible. Fund for this purpose is generating from the old students and the response is quite encouraging. One Mr. V.I. Salim, an alumnae of B.com 1979-1982 batch, sponsored scholarship to twelve students every year. Some other members were also sponsoring scholarship and last year Association managed to distribute more than Rs. 4.5 lakhs in the form of scholarships & gold medals to different Degree and PG students. These students were selected by the concerned Head of the Department on the basis of their academic performance and economic status. As the number of students seeking scholarship is increasing year after year Association decided to give more importance to this activity. We expect more involvement from affluent old students for extending scholarship to more deserving students. Gold medals are awarding to the top scorers of B.Com and M.Com since 2005. Mr. V.I. Salim, G.M, Emkey Group, Abudhabi, a prominent alumni of the college sponsored these medals. From 2010 onwards, gold medal is awarding to the top scorer of BSc Mathematics also, which was sponsored by Mr. Mohamed Salim, another prominent alumni of the college. In 2013, Advocate Backerali, a prominent Alumni, Instituted another gold medal to the topper of BA Economics. Advocate Backerali, Legal advisor and Senior Vice President of Mashrik Bank Dubai, is one among the founders of Alumni Association UAE Chapter and former General Secretary of AKCAF. Last year Association distributed 23 gold medals, ie, for the toppers of all UG and PG classes.

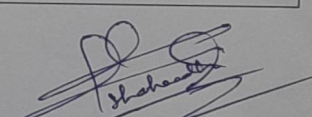

Dr. K. P. Sumedhan.

The first official general body meeting was held in May 1997. It passed the by-law of the organisation and elected the first executive committee headed by Adv. V.M. Mohiyudheen and A.V. Dhanajayan as President and Secretary respectively. They actively run the organisation by undertaking several activities like distribution of scholarship to deserving students, award to top scorers, conducting essay competition etc.

A general body named 'poorvidyarthi sangamam' was held on May 14th 2003 for reconstitution of the Association. Principal Prof. P.K. Yacoob took initiative for convening such a meeting. A twenty one member executive committee was selected and Er. V.S. Siddique and Dr. K.P. Sumedhan were elected as president and secretary of the Association. Since then the Association is active and several programmes were organised and implemented. Special general body held in 2nd october 2003 amended the by-law to rename the Association as Alumni Association to suite the global name pattern and to enroll staff and managing committee members as members of the Association. It also approved three classes of membership, instead of the existing two, that is, ordinary, life and patron having a fee structure of: Rs. 100/-, Rs. 1000/-, Rs. 5000/-.

At present the Association has Twenty Eight patron members, 510 life members and more than two thousand five hundred active ordinary members. Of course the membership base of the Association is poor and it is necessary to make earnest effort to increase the membership base of association. As per the by-law Annual General Body Meeting of the Association will be held in October every year. The term of the committee is two years and at Present, Dr. K.P. Sumedhan is the president of the association and Mr. M.K. Najeeb is the secretary. This committee organized several activities for maintaining the organization as an alive body and successfully implemented many programmes of the Association.

ALUMNI DAY

In order to provide a stage for reunion of old students, Association decided to celebrate Oct 2nd the 'Gandhijayandhi day', as the Alumni day. Alumni day is a full day family meet of Asmabians, in the college campus. It is an informal get together and the participants celebrate the day by organizing cultural programmes, competitions and many other entertainment programmes. Generally the participants, ie the old students and their family

members, were the performers of cultural programmes also. Most of the participants were students from earlier batches, and we felt that they are enjoying it more than the students who left the college recently. The response from old students to this programme is quite encouraging, that is why the organisation succeeded in conducting twenty such Alumni days ie, from Oct 2nd 2003 to Oct 2nd 2022. We request all the former students to attend the programme on Oct 2nd every year and make it a memorable day.

SCHOLARSHIP/GOLD MEDALS

One of the major objective of the organisation is to extent financial assistance to the deserving students. As our College is located in coastal vilage, large number of students are coming from families which deserve financial assistance. By realizing this fact, Association decided to distribute scholarship to as much students as possible. Fund for this purpose is generating from the old students and the response is quite encouraging. One Mr. V.I. Salim, an alumnae of B.com 1979-1982 batch, sponsored scholarship to twelve students every year. Some other members were also sponsoring scholarship and last year Association managed to distribute more than Rs. 4.5 lakhs in the form of scholarships & gold medals to different Degree and P.G. students. These students were selected by the concerned Head of the Department on the basis of their academic performance and economic status. As the number of students seeking scholarship is increasing year after year Association decided to give more importance to this activity. We expect more involvement from affluent old students for extending scholarship to more deserving students. Gold medals are awarding to the top scorers of B.Com and M.Com since 2005. Mr. V.I. Salim, G.M, Emkey Group, Abudhabi, a prominent alumni of the college sponsored these medals. From 2010 onwards, gold medal is awarding to the top scorer of BSc Mathematics also, which was sponsored by Mr. Mohamed Salim, another prominent alumni of the college. In 2013, Advocate Backerali, a prominent Alumni, Instituted another gold medal to the topper of BA Economics. Advocate Backerali, Legal advisor and Senior Vice President of Mashrik Bank Dubai, is one among the founders of Alumni Association UAE Chapter and former General Secretary of AKCAF. Last year Association distributed 23 gold medals, ie, for the toppers of all UG and PG classes.
