

## **THE STUDENT'S SATISFACTION SURVEY REPORT**

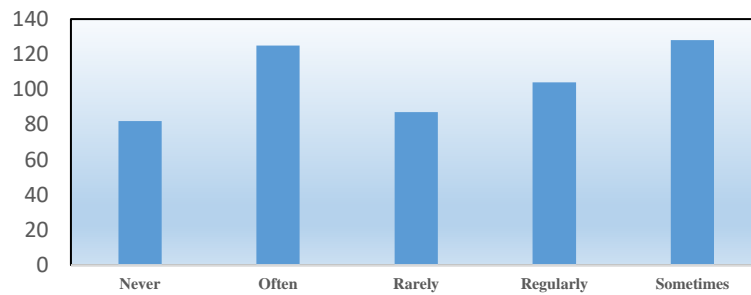

The student satisfaction survey is one route to the identification of areas of concern with the college. To measure student satisfaction with significant components of the educational and service quality, the college use an effective questionnaire-based survey to collect information. The students' satisfaction survey questionnaire is given to students every year.

Based on a pilot survey conducted on a small sample of students the difficulty and expectations of students on various facilities were identified. Consequently, a questionnaire was developed with different facilities. The response data converted into chart for the easy analysis and that are given below.
