

STUDENTS SATISFACTION SURVEY REPORT 2022-2023

The student satisfaction survey is one route to the identification of areas concern with the college. To measure student satisfaction with significant components of the educational and service quality, the college use an effective questionnaire-based survey to collect information. The students' satisfaction survey questionnaire is given to final year students every year.

Based on a pilot survey conducted on a small sample of students the difficulty and expectations of students on various facilities were identified. Consequently, a questionnaire was developed with different facilities. The analysis is given below.
