Other Features

• College calendar- The events and academic calendar including exams of the HEI may be mapped into the built-in calendar.

• User creation- to create users including teaching and non teaching staff and their profiles

• Admission-To upload details of students admitted to various programmes, details of parents, matriculation details etc. Provision to create various batches and enroll students into the batches. Convenient options to group multiple batches together. Student enrolment can be operated from batch in charge level also.

• Report generation: Monthly Report generation with department wise.Cell /Event Report generation with event/cell wise.Custom report generation with class-wise, programme wise student details as per user choice, student matrix reports for administrative purposes.

• Building- infrastructure details of building for classroom allocation.

• Time table: Time table configuration with master time table creation, set time table at department level modifications, teacher change request for hour change at faculty level, individual faculty time table view, special time table creation. Timetable for each batch may be configured to facilitate attendance marking.

• Fees Management: Provision to set various types of fees, define exemptions and discounts for specific groups of students. Options for cash/cheque payments and bank chalan are available. Online payment may be integrated additionally based on requirements.

• Attendance: Options to easily mark attendance or absence. Provisions for Medical and Duty leaves. Relevant views and reports for students and teachers. Day-wise and monthly attendance reports are available.

• Internal Assessment Scoring: Assessment methods likes Exams, Assignments, Projects, Seminars etc can be defined and marks for the same can be entered on a per student basis.

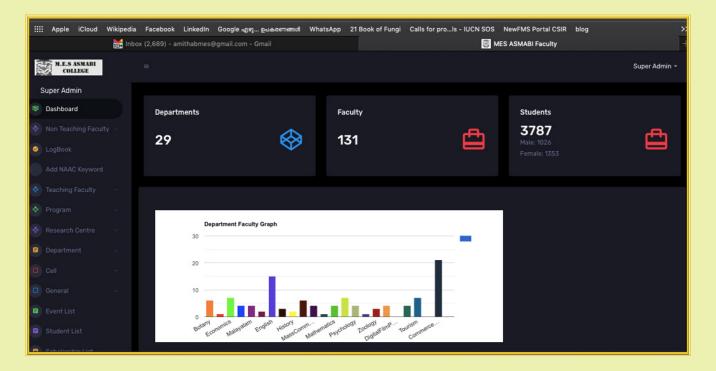

• A/B Form Generation: A form and B form required by the university can be generated easily. Provisions to view submitted reports with batch wise and program wise sorting.

• Reports: Other modular level reports, progress reports and consolidated reports required for internal and external use can be generated.Cell/event report,CC& TC Report,Scholarship ,Mark List
