## REPORT OF ALUMNI ASSOCIATION 2022-23

2022-23 was the Silver Jubilee Year of the alumni association. The activities of the association during the last two and half decades has been tremendous and beyond comparison with any other Arts and Science College alumni associations in Kerala. In this auspicious year the committee organised several programmes as part of the noble vision it embodies. A brief account of the same is given below.

### Family Meet :

Family meet is a major annual event of the association meant for the fulfilment of the main objective of the organisation, that is providing a platform for the reunion of the former students. Annual meet of this year is the 20th of its kind. The first annual family meet of the association was held on 2<sup>nd</sup> of October 2003. Response of the family meet of this year was overwhelming

#### Scholarship Distribution

One of the objectives of the association is to provide financial assistance to the needy students in the form of scholarship. It was also one among the major activities from the very inception of the association. Academic performance and financial status of the students have always been the criteria for selecting the deserving students. HOD of each department is in charge of selecting them. In this year scholarship amounting to Rs.91,000/-was distributed.
