PRAYER

*“In the name of God, The Beneficent, The Merciful
 Praise be to God, Lord of the worlds
 The Beneficent, The Merciful
 Owner of the Day of Judgement
 Thee do we worship
 Thee do we ask for help
 Guide us to the right path
 The path of those on whom Thou hast bestowed
 Thy Grace
 Not of those who earn Thine anger
 Nor those who go astray”*

HOLY QUR - AN

PLEDGE

India is my country.

All Indians are my brothers and sisters.

I love my country and I am proud of its rich and varied heritage.

I shall strive to be worthy of it.

*I shall respect my parents, teachers and all elders
 and treat everyone with courtesy.*

To my country and all my people, I pledge my devotion.

In their wellbeing and prosperity alone lies my happiness.

Jai Hind.

Dr. P.K. ABDUL GAFOOR
Founder President of M.E.S.

About MES

The Muslim Educational Society (MES) is an educational organisation established under the leadership of late Dr P.K. Abdul Gafoor in 1964 at Calicut. The organisation is supported by a group of socially committed, well known professionals, industrialists, intellectuals and educationists and has its branches in all districts in Kerala. MES operates 150 educational facilities across Kerala, including professional institutions, Arts and Science colleges, aided and CBSE schools etc. During the last five decades MES played a significant role in upbringing a remarkable and glorious transformation in the educational scenario of the Muslims in Kerala. MES has tried to uplift the backward community of our nation socially, economically and educationally. MES endeavours to help the budding youth to meet all the challenges in the modern society and to emerge themselves as fitting professionals or architects of the new era. MES aims not only to emerge as a centre for teaching technology and management, but also to become a centre for research and development. They carry on with their mission under the inspiring leadership of the present MES president, Dr. P.A. Fazal Gafoor.

THE M.E.S. CREST

MES Crest is an apt representation of the organisation's vision and mission. It begins with an invocation to Almighty. It is a verse from the Holy Quran which means "Oh Lord Enlighten Us". The mass balance below is the symbol of the prevailing justice in Islam. The crescent moon and star in the middle of the balance represent the Muslims all over the world. The Holy Quran, the source of all knowledge, is placed open below. Beside it the flambeau of Islamic culture is held in sturdy hands. The letters M.E.S. in the middle is the acronym for 'Muslim Educational Society'. The coconut trees below denote the scenic beauty of Kerala which is enriched by the cultural values of M.E.S. The Feather held in bangled hand shows the importance given by the organisation to education of women. The bottom of the crest is the full name of the organization and the year of inception.

M.E.S. ASMABI COLLEGE - A PROFILE

M.E.S. Asmabi College, a premier educational institution managed by the Muslim Educational Society (Regd.) Calicut, owes its existence to the remarkable foresight and unremitting zeal of the late Dr. P.K. Abdul Gafoor, the late P.K. Abdulla I.A.S., Dr. M.A. Abdulla and late Dr. A.K. Siddiq Karikulam Azhikode.

The college started functioning in 1968 at P.Vemballur, Kodungallur, a remote coastal backward village in the S.N. Puram Panchayath, of Thrissur District with the objective of uplifting the educationally backward community, especially Muslims of the area who had been denied, the right to education for generations.

The college now caters to the needs of the students throughout Kerala and Lakshadweep, cutting across the barriers of class, caste, creed and religion. Hajee Ismail Essa Sait of Cochin initially donated the land and building and the college was named after his mother “*Asmabi.*”

The college which enjoys 2F and 12B status of the U.G.C. is affiliated to University of Calicut. At present it provides higher education to above 2500 students in thirteen Under Graduate, four B.Voc.and seven Post Graduate Courses. Three departments of the college have been recognised as Research centres of the university. The college celebrated one year Golden Jubilee in 2019 -20 by organising various programmes.

The College was re-accredited by NAAC at B++ level in March 2019.

VISION

Providing affordable and quality higher education, in tune with national and international standards to all, especially to the backward and marginalised; the Muslims, women, Scheduled Castes and Scheduled Tribes and empowering them through education.

MISSION

- Empowerment of the downtrodden and backward classes.
- Imparting quality higher education for women.
- Promotion of secularism and democracy.
- Moral uplift and trust in God.
- Moulding a self-reliant and socially-accountable young generation.
- Emphasis on modern methods and tools of teaching and learning, with sufficient accent on value added education.

- Inculcating social responsibility in student clan by involving them in community-oriented activities.
- Promote entrepreneurial, leadership, organizational qualities and life skills in students.
- Creating maintaining an atmosphere of oneness among staff, students and society.
- Evolve a student community having academic and professional excellence.
- Infuse eco-consciousness in students and community.

CORE VALUES

- Pursuit for Academic Excellence
- Inclusivity in Diversity
- Respect for Culture and Heritage
- Honesty and Integrity
- Social Responsibility and Environmental Sustainability
- Pursuit for Academic Excellence

OBJECTIVE

The colleges run by M.E.S. seek to offer liberal education to all, especially to women and the financially poor and inspire them to become useful citizens of a free and just society. Our college gives great emphasis to the imparting of sound learning, building of character, the spread of truth and the knowledge of God. It strives to nurture the spiritual life of its community and strengthen the institutions of family and society. Emphasis is given to the democratic values that are inherent in Islam with the aim of making relevant contributions to the transformation of prevailing social conditions so that the values enshrined in the constitution of India - social and gender justice, equality of opportunity, democratic freedom for all, tolerance and respect for all religions - may be brought into closer realization, opening up to our people greater possibilities of a fuller human life.

B.Com. (Optional - Co-operation/Computer Application/Finance)

9. B.Com Co-operation:-

1. Students will be able to work in the co-operative field and can apply their knowledge and skills in the co-operative sector.
2. Students will be able to provide consultancy, guidance and other services for the promotion of co-operative sector.
3. Learners can also acquire practical skills to work as tax consultant, audit assistant and other financial supporting services.

10. B.Com Computer Application:-

1. Study of this programme will provide wide knowledge both in commerce and computer software applications.
2. Programme includes various accounting courses, enables the students to gain theoretical and problem solving ability.
3. Business software application courses like Tally will enable the students to start a small business software of self-employment.

11. B.Com Finance:-

1. To impart learners with in depth knowledge about financial concepts and investment decisions.
2. To improvise practical skills in the field of finance and accounting for students.

7. M.Voc. (LOGISTICS MANAGEMENT)

Programme outcomes:

Upon Completion of the M. Voc. Degree Programme, the post graduate will be able to

1. Educate professionals able to make decisions in logistics and supply chain management considering its operational, tactical and strategic aspects from an integrated perspective by covering subjects from technology, operations and business.
2. Address logistics problems in a holistic approach by taking into account general management concepts, human resources, environmental concerns, and quality, technological and economic aspects.
3. Analyze, structure and discuss situations to identify problems in the field of logistics and supply chain management and evaluate their complexity.
4. Select and apply suitable methodologies and strategies to design a solution for a logistics and supply chain problem.

TUTORIAL SYSTEM

1. Tutorial system has been organized with a view to better the relationship between the teachers and the students. It aims at promoting effective teaching and advertent attention on the student and thus to improve the general discipline of the college.
2. The students are divided into batches and placed under group tutors.
3. The group tutor will keep regular watch over the progress and conduct of the students under them and will help them in their studies in a general way.
4. The student is expected to consult his/her tutor on all matters pertaining to academic life and studies.
5. All applications including leave applications and representations to the Principal shall be submitted only through the group tutor concerned.
6. The progress and conduct of the student will be regularly intimated to the parent by the Principal on the report of the group tutor concerned.
7. Tutors will conduct class wise parent teacher meetings once or twice a year. It aims at providing effective coordination between parents, teachers and students of the particular class.

IMPORTANT BODIES

NAAC

National Assessment and Accreditation Council (NAAC) was established in 1994 as an autonomous institution of the University Grants Commission (UGC) with its Head Quarter in Bengaluru. The mandate of NAAC as reflected in its vision statement is in making quality assurance an integral part of the functioning of Higher Education Institutions (HEIs). It conducts assessment and accreditation of Higher Educational Institutions (HEI) such as colleges, universities or other recognized institutions to derive an understanding of the 'Quality Status' of the institution. NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research, infrastructure, learning resources, organisation, governance, financial well being and student services.

NAAC Co-ordinator : **Dr Amitha Bachan K.H.**

Internal Quality Assurance Cell (IQAC)

In pursuance of its Action Plan for performance evaluation, assessment & accreditation & quality up-gradation of institutions of higher education, NAAC proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system & work towards realisation of the goals of quality enhancement & sustenance. The prime task of the IQAC is to develop a system for conscious, consistent & catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts & measures of the institution towards promoting its holistic academic excellence.

AISHE

To portray the status of higher education in the country, Ministry of Education has endeavoured to conduct an annual web-based All India Survey on Higher Education (AISHE) since 2010-11. The survey covers all the Institutions in the country engaged in imparting of higher education. Data is being collected on several parameters such as teachers, student enrolment, programmes, examination results, education finance, infrastructure. Indicators of educational development such as Institution Density, Gross Enrolment Ratio, Pupil-teacher ratio, Gender Parity Index, Per Student Expenditure will also be calculated from the data collected through AISHE. These are useful in making informed policy decisions and research for development of education sector.

Co-ordinator: **Dr. Reshmi S.**

NIRF (National Institutional Ranking Framework)

The National Institutional Ranking Framework (NIRF) outlines a methodology to rank institutions across the country. It was launched by Honourable Minister of Human Resource Development on 29th September 2015. The methodology draws from the overall recommendations arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception".

Co-ordinator: **Dr. K. Kesvan**

ARIIA

Atal Ranking of Institutions on Innovation Achievements (ARIIA) is an initiative of Ministry of Education (MoE), Govt. of India to systematically rank all major higher educational institutions and universities in India on indicators related to "Innovation and Entrepreneurship Development" amongst students and faculties.

Co-ordinator: **Dr. Princy Francis**

CLUBS, FORUMS, CELLS etc.

National Service Scheme

This is a national scheme for training the youth for democratic leadership. The NSS aims at personality development of students through community service. The major objectives are to work with and among the people, to engage in productive social work, to enrich the society through practical programmes of rural development, to bridge the gap between the educated and the uneducated people in our society and to promote the uplift of the weaker section. The membership is voluntary, but the members are selected on the basis of aptitude. Two units of NSS are functioning in the college under two programme officers. Programme Officers : **Dr. Princy Francis, Dr. Ansar E.B.**

National Cadet Corps

A company of the Army Wing of NCC with an authorised strength of 108 is running in the College. Senior Division (for Boys) and Senior Wing (for Girls) are functioning. The cadets are trained to take Certificate B and certificate C exams. NCC training improve the

physical and mental alacrity of the students and develop their personality and leadership qualities. It helps them emerge as good citizens capable of doing any sacrifice for the Nation.

NCC Officer : **Lt. Bindil. M.B.**

Anti Ragging Cell

An anti ragging cell is functioning in the college to keep a continuous watch and vigil over ragging so as to prevent its occurrence and recurrence and to generate an atmosphere of discipline.

Convenor : **Sri. Shibu A. Nair**

Women Development Cell

An effective Women Development Cell is functioning in the college to cater to the needs and concerns of the girl students of our college. The cell actively engages in organising programmes for the promotion of gender equity and orient students on the concept of gender.

Convenor: **Dr. Sakeena M.K.**

SC/ST Cell

The SC/ST Cell of the college intends to promote the interests of students belonging to SC/ST category. The cell organises interactive sessions, awareness and orientation classes for students to enhance their personal, social and academic growth.

Co-ordinator: **Smt.Shiney C.N.**

Minority Cell

The minority cell of the college is formed with the purpose of empowering the minority communities in the college. The Minority Cell basically helps minority students including Christian, Muslim etc. for their academic development.. The cell is formed with the objectives of encouraging minority students to enroll for career orientation programs which would empower and equip them with the necessary skills to choose a career option. It also facilitates financial support to students from minority communities from government agencies and other sources.

Convenor : **Dr. Sakkeena M.K**

OBC Cell

A special cell for the welfare of Other Backward Communities is functioning in our college which facilitates the fruitful implementation of the policies and programmes of the

Government of India, UGC and State Government. The cell aims at assisting the OBC students to meet their needs to improve their performance in curricular and co-curricular activities. It is vigilant in maintaining the reservation policy and take follow up measures for achieving the objectives and targets laid down by the Government of India and the UGC. The cell ensures the circulation of State Government and UGC's decisions about different scholarship pro- grams. This body works for bringing them in step with the privileged from their Psycho-social antecedents
