PARTICIPATIVE LEARNING

Azadi Ka Amrit Mahotsav

Students actively participated in various programmes arranged as part of one year celebrations in connection with Azadi Ka amrit Mahotsav. Various Competitions held included Role Play, Poster Making, Group Song, Group Dance and Rangoli. Department wise competitions really helped in drawing the attention of the students and faculties. These programmes enabled students to learn various topics in and outside their curriculum.

PARTICIPATIVE LEARNING

Management Games

Management games provide a dynamic and engaging way to reinforce key concepts in business and leadership, making the learning experience more experiential and applicable to real-life situations

Team Building Exercises

Team building exercises are essential in learning as they foster collaboration, communication and trust among students. These activities help to develop interpersonal skills, promote problem solving and enhance teamwork. These exercises are valuable in educational settings to prepare students for future collaborative work environments.

PANEL DISCUSSION

Panel discussions provide students with a dynamic and interactive learning experience. They offer diverse perspectives on a topic, encourage critical thinking and enhance communication skills. Panel discussions promote a collaborative and intellectually stimulating environment for student learning
