INDUCTION PROGRAMS

2018-2023

REPORT ON INDUCTION PROGRAM ON BVOC COURSES

Venue: COLLEGE SEMINAR HALL

Date: 14 - 11 - 2018

The Induction Program on Digital Film Production, named "Filmora," was held on the 14th of November 2018. The program aimed to introduce aspiring filmmakers and students to the world of digital film production, providing them with detailed information about the course structure and the potential opportunities in the field of film production. The event was inaugurated by Dr. Ajims P Muhammed, who emphasized the significance of the film industry and the importance of quality education in this creative field.

The Induction Program commenced with an in-depth overview of Digital Film Production. The attendees were provided with comprehensive information about the course, including its curriculum, objectives, and practical aspects. The course structure was designed to equip students with the necessary skills and knowledge to excel in the world of filmmaking. Topics such as screenwriting, cinematography, directing, editing, and sound design, and production management were covered, ensuring a holistic learning experience.

The faculty members, who are industry experts, explained the different modules of the course, highlighting the practical exercises and real-world projects that students would be engaged in throughout the program. The students were introduced to the state-of-the-art facilities and equipment available at the institution, which would aid them in honing their filmmaking skills.

Outcome:

The Induction Program "Filmora" successfully introduced students to the exciting world of Digital Film Production. Dr. Ajims P Muhammed's presence and encouragement added prestige to the event, emphasizing the college's commitment to providing quality education in the field of film production. The detailed information about the course structure and the prospects of film production ignited the enthusiasm of aspiring filmmakers. The Induction Program served as an excellent starting point for students to embark on a rewarding journey in the world of filmmaking.

'QUEST' - INDUCTION PROGRAMME FOR B.Sc. AQUACULTURE

Report on Film Orientation Webinar Series: "Over the Shoulder"

Date: 4-7 August 2021

Platform: Online (Google Meet)

Organized by: Department of BVOC Digital Film Production and Film Club

The Department of BVOC Digital Film Production, in collaboration with the Film Club, organized a transformative webinar series titled "Over the Shoulder" from August 4 to 7, 2020. Despite the challenging circumstances posed by the pandemic, the series attracted an outstanding participation of 30 students and film enthusiasts from MES Asmabi College.

Day 1: Fara Shibla - "Story of My Journey into the Screens"

The inaugural day featured the esteemed actress Fara Shibla, a prominent figure in the Malayalam film industry known for her talent and determination. With a decade-long career as a TV anchor and a remarkable physical transformation for her role in "Kakshi Amminipilla," Shibla's session became a highlight of the entire series. She shared insights into her journey, touching upon topics such as women's safety and offering valuable tips for aspiring talents.

Day 2: Sarath R Nath - "Films: Dreams & Reality"

The second day's sessions were led by Sarath R Nath, a scriptwriter in the Malayalam film industry. Nath's journey from theatre to becoming an assistant director in "MosayilekuthiraMeenukal" and later venturing into scriptwriting with "Ente Ummaante Peru" provided valuable insights for students interested in direction and scriptwriting.

Day 3: Vishnu Thandaserry - "Going Behind the Camera: My Journey"

Vishnu Thandaserry, a digital photographer in the Mollywood Film Industry, took center stage on the third day. The interactive Q&A session with students and enthusiasts made it one of the longest and engaging sessions in the webinar series.

Day 4: Andrew Jacob Dcrus - "The Magical World of VFX & Its Future"

The final day featured Andrew Jacob Dcrus, a Visual Effects Expert & Cinematographer, renowned for his work in blockbuster Malayalam movies. The session was a source of inspiration and information, particularly for students with backgrounds in animation and software. Dcrus explored the magical world of VFX and discussed its future trends.
