## World Yoga Day Celebration and Yoga Training

**Name of the Coordinator : Bindhil**

**Organizing Department/Cell : Department of Physical Education and National Cadet**

**Corps Date of the Program : 21/06/2022**

**Number of Participants : 42**

### **Program Objectives:**

The objective of the program was to celebrate World Yoga Day by promoting the practice of yoga and its numerous benefits for physical and mental well-being. The event aimed to create awareness about the importance of incorporating yoga into daily life and encourage participants to adopt a healthy lifestyle through yoga.

### **Program Participants:**

Students, faculty, staff, and members of the local community actively participated in the mass demonstration of yoga postures organized by the Department of Physical Education and National Cadet Corps.

### **Report of the Program:**

The program began with a brief introduction by the coordinator, highlighting the significance of yoga in promoting holistic health. The participants were guided through a series of yoga postures and breathing exercises in a mass demonstration. Expert yoga instructors led the session, ensuring participants followed the correct techniques and postures. The atmosphere was serene, fostering a sense of relaxation and mindfulness among the participants.

### **Program Outcomes:**

1. Promotion of Physical Well-being: Participants experienced the physical benefits of yoga, including improved flexibility, strength, and balance.
2. Mental Peace and Relaxation: The practice of yoga postures and breathing exercises helped participants relax, reduce stress, and achieve mental peace.
3. Awareness and Education: Participants gained awareness of yoga as a holistic approach to health, encouraging them to integrate yoga into their daily routines.

### **Feedback and Evaluation:**

Participants provided positive feedback, expressing gratitude for the well-organized event and the expertise of the yoga instructors. They shared their experiences of improved well-being and relaxation, emphasizing the need for more such yoga sessions in the future. Feedback forms were collected and analyzed to assess the effectiveness of the program.

# **DEPARTMENT OF English & Psychology**

## **Embrace: Three-Day Residential Camp for Specially Abled Children and Their Parents**

**Title of the Program : Embrace: Three-Day Residential Camp for Specially Abled Children and Their Parents**

**Name of the Coordinator : Lathif Penath**

**Organizing Department : Department of Psychology, Department of English, and Staff Club, in association with Autism Club Kerala**

**Date of the Program : 27, 28, and 29 January 2023**

**Number of Participants : 82 students as volunteer**

**Resource Person/s : Ms. Minsila Hilal Specialist in Autism and Development**

### **Program Objectives:**

The main objective of the program was to provide a three-day residential camp for children with special needs and their parents, to offer specialized training and support for them, to engage student volunteers in caregiving roles and develop their empathetic perspective and to provide activities and entertainment for a better experience for the participants.

### **Program Participants:**

Specially abled children and their parents, student volunteers

### **Report of the Program:**

The "Embrace" three-day residential camp not only aimed to benefit specially abled children and their parents but also provided a unique opportunity for student volunteers to actively engage in caregiving roles. The impact on students extended beyond their academic pursuits, offering them valuable experiences and fostering personal and professional growth.

#### **1. Practical Application of Academic Knowledge:**

Student volunteers from the Department of English and the Department of Psychology had the chance to apply their academic knowledge in a real-world context. The specialized training sessions conducted by Ms. Minsila Hilal provided a bridge between theoretical understanding and practical application, enriching the students' learning experience.

## **2. Development of Empathy and Interpersonal Skills:**

Assigning each student volunteer to a child with special needs encouraged the development of empathy and enhanced interpersonal skills. The students had the opportunity to understand the unique challenges faced by the specially abled children and their parents, fostering a compassionate and empathetic perspective that goes beyond the classroom.

## **3. Professionalism in Caregiving Roles:**

Acting as partial caregivers, students learned to approach their roles with professionalism and sensitivity. The hands-on experience of providing support and assistance to the specially abled children not only improved their caregiving skills but also instilled a sense of responsibility and commitment to making a positive impact on the lives of others.

## **4. Collaboration and Teamwork:**

The interdisciplinary nature of the program, involving collaboration between the Department of English and the Department of Psychology, provided students with an opportunity to work in diverse teams. This experience in collaboration and teamwork is invaluable, preparing students for future professional environments where interdisciplinary cooperation is often essential.

## **5. Personal Growth and Confidence Building:**

Being actively involved in the "Embrace" camp empowered students to step out of their comfort zones and face new challenges. This experience contributed to personal growth, boosted self-confidence, and equipped students with a broader skill set that goes beyond academic knowledge.

## **6. Networking Opportunities:**

The program's collaboration with Autism Club Kerala and the involvement of various dignitaries provided students with networking opportunities. Interacting with professionals in the field of psychology and developmental disorders opened doors for potential mentorship, internships, and future career pathways.

## **7. Impact on Future Career Paths:**

For students pursuing careers in psychology, social work, or related fields, the hands-on experience gained during the "Embrace" camp is invaluable. It serves as a foundation for understanding the practical aspects of their chosen profession and reinforces their commitment to making a positive impact on society.

In summary, the "Embrace" three-day residential camp not only benefited specially abled children and their parents but also significantly contributed to the holistic development of student volunteers. The program's emphasis on empathy, professionalism, collaboration, personal growth, and networking opportunities has left a lasting impact on the students, shaping their perspectives and preparing them for meaningful and compassionate contributions in their future careers.

## Workshop on Interpersonal skill enhancement

**Title of the Program : Workshop on Interpersonal skill enhancement**

**Name of the Coordinator : Ms. Farhana Nasar K**

**Organizing Department/Cell: Department of Psychology**

**Date of the Program :22-10-22**

**No of Participant : 46**

**Resource Person/s : Lathif Penath**

**Consultant Psychologist**

### **Objective of the Program:**

To promote the knowledge of psychology to enhance the health and welfare of the population. The association also works to raise awareness of psychology as a science.

### **Report of the Event**

The Psychology Association, under the guidance of Lathif Penath, Assistant Professor and Head of the Department of Psychology, hosted a transformative program on October 22, 2023, at the Seminar Hall of MES Asmabi College. With a commendable turnout of 79 participants, the initiative aimed to promote the knowledge of psychology for the betterment of public health and welfare, concurrently raising awareness of psychology as a science.

Throughout the program, participants delved into a diverse range of topics, gaining substantial knowledge that extends beyond theoretical boundaries. Lathif Penath's expertise enriched sessions covering mental health awareness, societal well-being, and the scientific foundations of psychology. The interactive nature of the sessions allowed students to actively engage in discussions, fostering a dynamic learning environment.

The outcome of the program was significant, with participants not only acquiring theoretical insights but also practical skills applicable in real-world contexts. The initiative successfully bridged the gap between academic knowledge and its application in enhancing health and societal welfare. Attendees left with a heightened awareness of psychology's role in community well-being, equipped to contribute positively to public health. The program's success lies in its ability to empower a substantial number of participants with the tools and knowledge to advocate for mental health, thereby fulfilling the association's mission of promoting psychology for the betterment of society.
