DEPARTMENT OF BOTANY
Webinar on Medicinal Plants and Health care in the month of Karkkitakam

Title of the Program : Webinar on Medicinal Plants and Ayurvedic Remedies

Name of the Coordinator : Dr. Girija T P

Organizing Department/Cell :Department of Botany

Number of Participants : 75 participants

**Resource Person/s : Dr. Jayanthi A, Principal Scientific Officer, Pharmacognosy,
Pharmacopoeia Commission for Indian Medicine & Homoeopathy, Ministry of AYUSH,
Govt. of India**

Program Objectives:

The objective of the program was to educate participants about the importance of medicinal plants, Ayurvedic remedies, and traditional healing practices. The webinar aimed to disseminate knowledge related to the therapeutic uses of plants and traditional treatments, particularly focusing on Karkkidaka Chikitsa (treatments in the month of Karkkidaka).

Program Participants:

The webinar was attended by teachers, research scholars, PG & UG students, and individuals interested in traditional medicine and herbal remedies.

Report of the Programme:

The webinar on Medicinal Plants and Ayurvedic Remedies was conducted as an informative session, featuring Dr. Jayanthi A, Principal Scientific Officer from the Pharmacognosy department of the Pharmacopoeia Commission for Indian Medicine & Homoeopathy, Ministry of AYUSH, Govt. of India. Dr. Jayanthi A delivered a comprehensive keynote address during the event. She covered various topics including the importance of medicinal plants, insights related to Karkkidaka Chikitsa, details about the ingredients of Dasamoola, and discussions on flowers related to Dsapushpa. Additionally, the session highlighted ten leafy vegetables significant in the month of Karkkidaka.

Program Outcomes:

The webinar successfully disseminated knowledge about the medicinal properties of plants and traditional Ayurvedic practices. Participants gained valuable insights into the therapeutic applications of natural resources, enhancing their understanding of traditional healing methods. The event promoted awareness about the rich heritage of herbal remedies in Ayurveda and encouraged participants to explore the benefits of natural medicine.

Feedback and Evaluation:

Participants provided positive feedback, expressing appreciation for the informative content and the expertise shared by Dr. Jayanthi A. Attendees found the session enlightening and valuable, with several participants indicating interest in further exploring the topics discussed. The provision of e-certificates added to the overall positive experience of the participants.
