### **NET Coaching for PG Students**

Title of the Program: **Net Coaching for PG Students**

Program Coordinator: **Ms. Mona V M**

Date of the Program: **November 5, 2021**

Number of Participants: **25**

#### **Program Objective:**

The primary objective of the Net Coaching program conducted on November 5, 2021, was to assist postgraduate students in preparing for the National Eligibility Test (NET) by providing comprehensive coaching and guidance in their respective fields of study. The program aimed to equip participants with the necessary skills, strategies, and knowledge required to excel in the NET examination.

#### **Report:**

The Net Coaching program for PG students commenced on November 5, 2021, with an enthusiastic response from the students across various disciplines. The sessions were meticulously planned and executed by experienced faculty members. The day-long program comprised a series of workshops, interactive lectures, practice tests, and guidance sessions tailored to the specific requirements of the NET examination.

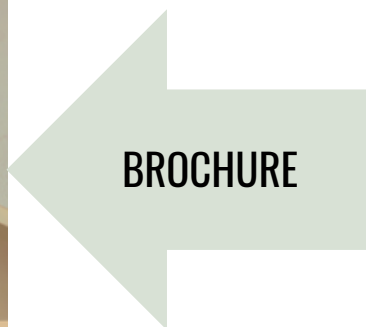

The sessions were engaging and interactive, fostering a conducive learning environment. Participants were actively involved in discussions, clarifying doubts, and practicing sample questions under the guidance of seasoned mentors.

#### **Outcome of the Program:**

The Net Coaching program yielded significant positive outcomes. Participants reported an enhanced understanding of the exam pattern, subject concepts, and improved problem-solving skills. The program equipped them with valuable insights and strategies essential for tackling the NET examination effectively.

#### **Feedback:**

Feedback from participants was overwhelmingly positive. Many expressed gratitude for the comprehensive coverage of the syllabus, the expertise of the faculty, and the practical tips provided for exam preparation. Participants particularly appreciated the interactive nature of the sessions, which facilitated a deeper understanding of complex concepts. Constructive feedback on areas for improvement, such as additional study materials and more personalized doubt-solving sessions, was also noted for future programs.

## **CAREER GUIDANCE CELL AND IQAC**

### **Career and Career Choices**

Title : **Webinar on Career and Career Choices**

Organizing Department/Cell: **Internal Quality Assurance Cell (IQAC) and Career guidance Cell.**

Date of the Program : **June 23, 2021**

Number of Participants : **348**

#### **Program Objectives:**

The program was organised to provide the students an insight into choosing the right career path and to orient participants towards making informed career choices. It also aimed to explore various aspects of career decision-making.

#### **Program Participants:**

Students, faculty, and staff from diverse backgrounds and disciplines attended the webinar.

#### **Report of the Program:**

The webinar on "Career and Career Choices" was organised by the IQAC on June 23, 2021, in association with Sri. Ganesh UR IFS, Officer Trainee at the Indira Gandhi National Forest Academy, serving as the resource person. Conducted via Google Meet, the session commenced with an introduction by the moderator highlighting the significance of making well-informed career choices in today's competitive world.

Sri. Ganesh UR IFS, an esteemed officer Trainee, delivered an engaging and comprehensive presentation, sharing invaluable insights and strategies on how individuals could orient themselves towards selecting the most suitable career path. The resource person emphasised the importance of self-assessment, identifying interests, strengths, and aligning them with career options available. The session was interactive, allowing participants to ask questions and seek clarification on various aspects of career decision-making. Sri. Ganesh UR IFS shared real-life anecdotes and experiences, further enriching the discussion.

#### **Program Outcome:**

The session provided an enhanced understanding among participants about the significance of aligning personal interests and strengths with career choices and it empowered participants with insights and tools necessary for making informed career decisions. It encouraged self-reflection and introspection among attendees to assess their career aspirations effectively.

#### **Feedback and Evaluation:**

Participants provided overwhelmingly positive feedback, expressing gratitude for the informative and interactive session. They highlighted the practical strategies shared by Sri. Ganesh UR IFS, which they found extremely helpful in understanding the nuances of career selection.

Attendees appreciated the real-life examples, interactive Q&A session, and the resource person's ability to simplify complex concepts related to career decision-making. The webinar received commendation for its relevance and timeliness, catering to the diverse needs of the audience.

**Conclusion:**

The webinar on "Career and Career Choices" proved to be a fruitful endeavor, offering valuable insights and guidance to participants in navigating the complexities of career decision-making. The session's success can be attributed to the insightful inputs provided by Sri. Ganesh UR IFS and the active participation of the attendees.

The event underscored the importance of continuous initiatives aimed at empowering individuals with the knowledge and tools necessary for making informed career choices, contributing to their personal and professional growth.

## DEPARTMENT OF AQUACULTURE

**Title of the Program : Induction Programme : Awareness on career and higher studies avenues in aquaculture and allied sectors**

**Date of the Programme : 22nd December 2021**

**Number of Participants : 45**

**Resource Person: Dr. Anvar Ali P H ( Assistant Professor, KUFOS)**

### Report of The Program

Orientation programme for first year BSc Aquaculture was held on 22/12/2021. Fourty two students out of forty five were present for the programme. The programme was divided into an inaugural session and keynote address. Head of the department, Dr. K. Kesavan, welcomed the gathering during the inaugural session. Dr. A Biju, Principal, M.E.S Asmabi College presided over the function. Shri Shibu A Nair felicitated and Dr. Dhanya P.R conveyed the vote of thanks during the inaugural session. Dr. Anvar Ali was the resource person. Dr. Anvar Ali. P.H. is serving as an Assistant Professor in Dept of Fisheries Resource Management and Principal Investigator, Professor Alikunhi Chair for Sustainable Aquaculture Systems, Kerala University of Fisheries and Ocean Studies (KUFOS), Panangad, Ernakulam. Dr. Anvar's research area is Marine and Inland Fisheries and Freshwater Fish Systematics and Biology. He has completed M.Sc. (Industrial Fisheries) and Ph.D. (Marine Sciences) from Cochin University of Science and Technology (CUSAT), Kochi. Dr. Anvar Ali has also served as an Assessor in IUCN Red List Freshwater fishes of Western Ghats. During his research career, he has discovered/described 7 new species of freshwater fishes, described one new genus of freshwater fish and assessed the extinction risk/conservation status of approximately 80 freshwater fish species for the IUCN Red List. He has published around 102 research papers (International 70 and National 32) and 35 popular articles. Dr. Anvar Ali took over the key note session for 3 hours which also included an interactive session of 45 minutes. He explained about the various aspects of aquaculture. 'One fish can make your life' was his punch line. Instead of blaming the course about joblessness, students should try to study atleast one fish in depth and find their livelihood from it. About the 36,000 species available only 20 fishes are being bred in Kerala. There are many more out there waiting to be studied. Sir explained the various modern techniques that were being used to identify and classify fishes including CT scans. The origin of scientific names like *Etrophus suratensis* with its roots in Surat made taxonomy interesting to the beginners. The session was concluded at 2pm with rich feedbacks from the students. Sir also agreed to help out the students regarding their research interests.

## **STARTUP WEBINAR ORGANIZED BY IQAC IN ASSOCIATION WITH IEDC**

Title of the Program : **Webinar: Meet the Successful Entrepreneur**

Organizing Department: **IQAC and IEDC**

Date of the Programme : **07 September 2021**

Number of Participants : **247**

Resource Person: **Sri Kochouseph Chittilappilly, Chairman and CEO of V-Gaurd Industries Ltd.**

### **Introduction:**

On September 7, 2021, the Internal Quality Assurance Cell (IQAC) of MES Asmabi College organised a startup webinar in collaboration with the Innovation and Entrepreneurship Development Cell (IEDC). The event aimed to provide a platform for participants to gain a better understanding of the challenges and opportunities for startups. The webinar featured Sri Kochouseph Chittilappilly as the chief guest and was conducted via Google Meet.

### **Event Highlights:**

#### **Chief Guest Address:**

Sri Kochouseph Chittilappilly, a renowned entrepreneur and philanthropist, graced the event as the chief guest. He delivered an inspiring and informative address, sharing his insights and experiences in the startup ecosystem. He emphasized the importance of innovation, determination, and perseverance for aspiring entrepreneurs.

#### **Keynote Presentations:**

The event featured a series of keynote presentations from industry experts and successful entrepreneurs. These presentations covered a wide range of topics related to startups, including funding, business development, market trends, and sustainability. Each presentation provided valuable insights and practical tips for the participants.

#### **Panel Discussions:**

Several panel discussions were held, allowing for interactive discussions and Q&A sessions with the panelists. The panels consisted of experts from various fields, including finance, marketing, technology, and legal aspects of startups. Participants actively engaged in these discussions and sought clarifications on their queries.

#### **Networking Opportunities:**

The webinar provided networking opportunities for participants to connect with like-minded individuals, mentors, and potential collaborators. Breakout sessions and virtual networking rooms were organised to facilitate discussions and foster meaningful connections among the attendees.

## Participant Engagement:

The event witnessed active participation from 247 participants who were enthusiastic about gaining knowledge and insights into the startup ecosystem. The participants included students, aspiring entrepreneurs, professionals, and academicians.

## Post-Event Feedback:

After the webinar, feedback forms were distributed to gather insights from the participants. The feedback received was overwhelmingly positive, highlighting the event's impact on their understanding of startup challenges and opportunities.

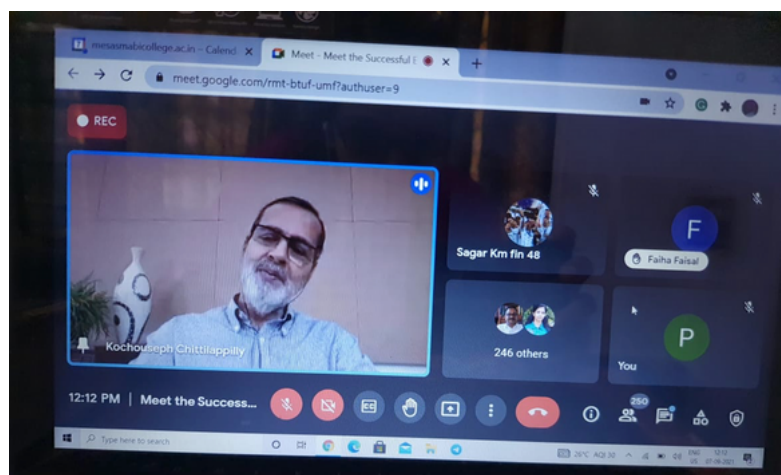

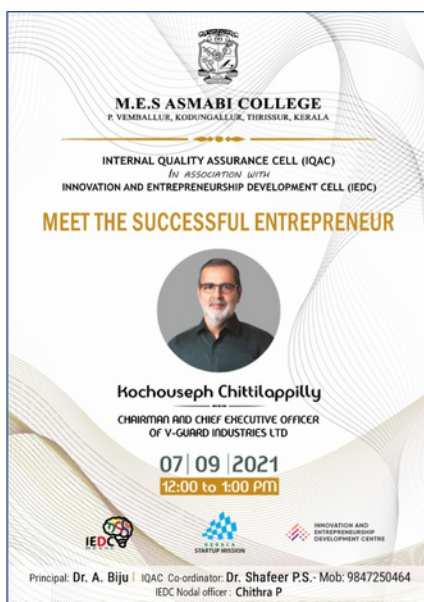

## Key Takeaways:

The webinar provided several key takeaways for participants:

1. Importance of Innovation: The significance of innovation and creative thinking in the startup ecosystem was emphasised.
2. Funding Strategies: Insights into various funding options and strategies for startups, including venture capital, angel investors, and government schemes.
3. Business Development: Strategies for business growth, market entry, and customer acquisition were discussed in detail.
4. Legal and Compliance Aspects: Guidance on legal requirements and compliance for startups, including intellectual property rights and registration processes.
5. Sustainability and Social Responsibility: The role of startups in promoting sustainability and social responsibility was a central theme of the event.

## Conclusion:

The startup webinar organised by IQAC in association with IEDC of MES Asmabi College on September 7, 2021, was a resounding success. The event provided valuable insights, knowledge, and networking opportunities for the 247 participants. Sri Kochouseph Chittilappilly's presence as the chief guest added significant value, and the event contributed to fostering a better understanding of the challenges and opportunities in the startup ecosystem. The positive feedback received from participants demonstrates the event's effectiveness in achieving its objectives.

## **PG DEPARTMENT OF BOTANY**

### **Fundamentals of Bioinformatics and Computational Biology**

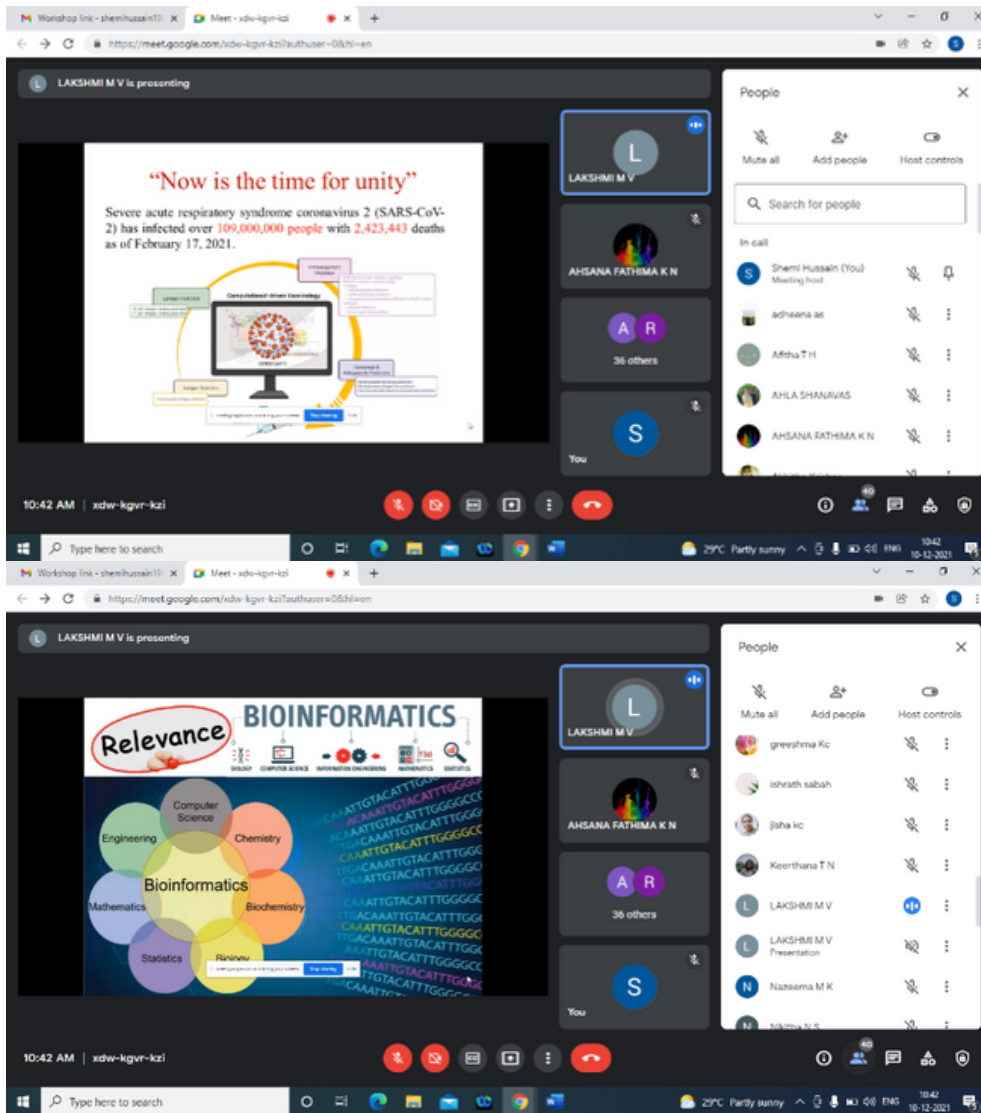

**Title of the Program** : Workshop on Fundamentals of Bioinformatics and Computational Biology  
**Date of the Program** : October 12, 2021  
**Organizing Department/Cell:** Research and PG Department of Botany, in collaboration with ACBAA  
**Number of Participants** : 45  
**Resource Person** : Smt. Lakshmi M V, Research Scholar from the Department of Botany, Kerala University

#### **Report**

The workshop on the "Fundamentals of Bioinformatics and Computational Biology" held on October 12, 2021, marked a significant event in the academic calendar. The online program, organized by the Research and PG Department of Botany in collaboration with ACBAA, aimed to provide insights into the interdisciplinary fields of bioinformatics and computational biology. Smt. Lakshmi M V, a distinguished Research Scholar from the Department of Botany at Kerala University, took charge as the lecturer for the day. She is an alumni of MES Asmabi College. Her expertise in the subject matter added a valuable dimension to the workshop, making it an enriching experience for all participants.

A total of 45 participants attended the workshop, with twenty individuals representing another college and twenty-five from Asmabi College. This diverse mix of attendees enhanced the learning environment and facilitated the exchange of ideas among students from different institutions. The workshop was structured around fundamental concepts in bioinformatics and computational biology. Smt. Lakshmi M V covered topics such as sequence analysis, structural bioinformatics, and the applications of computational tools in biological research. The content was tailored to cater to both beginners and those with a basic understanding of the subject. The online format of the workshop did not hinder participant engagement. The interactive session allowed attendees to ask questions, seek clarification, and actively participate in discussions.

Smt. Lakshmi M V's willingness to address queries contributed to a dynamic learning atmosphere. Shemi C B, the coordinator of the workshop, played a pivotal role in ensuring the smooth execution of the event. Her efforts, combined with the collaborative support of the Research and PG Department of Botany and ACBAA, made the workshop a success. The "Fundamentals of Bioinformatics and Computational Biology" workshop proved to be a valuable learning experience for the participants. The online format allowed for wider participation, and the expertise of Smt. Lakshmi M V added significant value to the content. The success of the event reflects the commitment of the organizers and highlights the importance of continued collaboration in organizing such insightful workshops in the future.
