Title of the Program : **CDS, Trivandrum (Centre for Development Studies) Visit and Orientation on Career and Higher Education**

Name of the Coordinator : **Dr. Dhanya K**

Organizing Department : **Department of Economics**

Date of the Programme : **June 28-29, 2022**

Number of Participants : **18 students, 2 faculty members**

Resource Person : **Experts (Dr. Sreejith, Dr. Harilal) in the field of Economics and Social Science at Center for Development Studies, Thrivanthapuram**

Program Objectives: The objective of the program was to provide students with exposure to various educational research centers and institutions, fostering interactions with experts in the fields of Economics and social science. The visit aimed to orient students about potential career paths and higher education opportunities in these disciplines.

Program Participants: The program was attended by 16 students and accompanied by two faculty members from the Department of Economics.

Report of the Programme: The Department of Economics organized a visit to the Center for Development Studies, Thrivanthapuram, on June 28-29, 2022. Sixteen students and two faculty members participated in this educational excursion. During the visit, participants had the opportunity to explore various educational research centers and institutions within the CDS premises. Interactions were facilitated with experts in the fields of Economics and social science, providing valuable insights into potential career paths and higher education options in these disciplines.

Program Outcomes: The visit allowed students to gain practical knowledge and exposure to real-world applications of Economics and social science research. Interacting with experts enhanced their understanding of the subject and provided clarity on potential career opportunities. Students also learned about the diverse research initiatives at CDS, inspiring them to consider advanced studies in these fields.

Feedback and Evaluation: Feedback from participants indicated a positive response to the program. Students appreciated the opportunity to engage with experts and found the visit insightful and beneficial for their academic and career aspirations. Detailed feedback forms were collected and are being evaluated to gauge the impact of the visit on the students' perspectives and ambitions.

ASAP Orientation Programme for First Year BA English & BCA Students

Title of the Program : **ASAP Orientation Programme for First Year BA English & BCA Students**

Resource Persons : **Dr. Saneesh C S and Ms. Aswathi**

Date of the Program : **October 28, 2022**

No of Participants : **98**

Objective of the Program:

The primary objective of the ASAP Orientation Programme was to make first-year BA English & BCA students aware of the various job-oriented courses offered by ASAP. By providing information about these courses, the program aimed to equip students with the knowledge and resources necessary to enhance their employability and pursue rewarding career opportunities.

Report of the Program:

ASAP Cell, MES Asmabi College, in collaboration with ASAP Kerala, successfully organized a one-day ASAP orientation programme for the first-year BA English & BCA students on October 28, 2022. The program aimed to acquaint the students with various job-oriented courses offered by ASAP.

Dr. Saneesh C S and Ms. Aswathi, esteemed resource persons, conducted engaging sessions to enlighten the students about the diverse career opportunities available through ASAP. They elaborated on the significance of skill development and how ASAP courses align with industry demands, thereby enhancing employability prospects. The sessions were interactive, allowing students to actively participate and gain insights into the practical aspects of the courses offered. Additionally, the resource persons shared real-life examples and success stories to inspire the students and underscore the value of pursuing ASAP courses.

Outcome of the Program:

The ASAP orientation program yielded several positive outcomes:

- Increased awareness among students regarding job-oriented courses offered by ASAP.
- Enhanced understanding of the importance of skill development for future career prospects.
- Motivated students to explore diverse avenues for personal and professional growth.
- Strengthened collaboration between MES Asmabi College and ASAP Kerala for facilitating

skill enhancement initiatives.

Overall, the program successfully achieved its objective of enlightening students about the opportunities available through ASAP and empowering them to make informed decisions regarding their career paths.

Feedback:

Feedback from participants indicated high satisfaction with the program. Students appreciated the comprehensive information provided during the sessions and found the insights shared by the resource persons to be valuable and inspiring. Many expressed eagerness to enroll in ASAP courses to augment their skill sets and improve their employability. The collaborative efforts of MES Asmabi College and ASAP Kerala were lauded for organizing such an insightful and beneficial orientation program. Participants expressed gratitude for the opportunity and looked forward to similar initiatives in the future.

CAREER GUIDANCE ON INTERIOR DESIGNING**

Programme Name : **Career Guidance on Interior Designing**

Date: **19 October 2022**

Time: **10:00 AM**

Venue: **Seminar Hall, MES Asmabi College**

Participants : **S3 B.Com Co-Operation Students**

Number of Participants : 98

Conducted by: **Dream Zone, School of Creative Studies in Collaboration with NSDC**

Overview:

On the 19th of October 2022, a career guidance program focusing on Interior Designing was organized at MES Asmabi College in the Research Department of Commerce. This initiative aimed to provide students pursuing S3 B.Com Co-Operation with insights into the field of Interior Designing, its career prospects, and educational pathways.

Program Details:

Introduction: The session commenced at 10:00 AM with an introduction by representatives from Dream Zone, School of Creative Studies, and NSDC, providing an overview of the program's objectives.

Presentations: Experienced professionals from the field of Interior Designing delivered engaging presentations. These sessions covered various facets, including:

- Overview of Interior Designing as a career choice
- Essential skills and qualifications required
- Real-world applications and industry trends

Interactive Sessions: The program included interactive segments where students actively participated in discussions, Q&A sessions, and hands-on activities. This allowed for a deeper understanding of the subject and provided an opportunity for students to clarify their doubts.

Career Opportunities: A comprehensive overview of potential career paths within Interior Designing was presented, shedding light on employment opportunities, job roles, and growth prospects in the industry.

Conclusion: The Career Guidance Program on Interior Designing proved to be a fruitful and informative session for the S3 B.Com Co-Operation students at MES Asmabi College. The collaborative efforts of Dream Zone and NSDC provided valuable insights into the world of Interior Designing, igniting interest and potential career paths for the participating students.

DEPARTMENT OF AQUACULTURE
ACADEMIC REPORT ON 'EMPRESARIO'
ENTREPRENEURSHIP AND INNOVATION WORKSHOP
Conducted in Collaboration with Institution's Innovation Council (IIC) &
Innovation and Entrepreneurship Development Centre (IEDC)

PROGRAMME HIGHLIGHTS:

Date and venue: **17th November 2022, Conference Room.**

Resource Person: **Sri. Krishnaprasad M P (Aquaculture Promoter & Aquarium Businessman)**

Number of students participated: **41**

Time: **10.00 AM to 12.30 PM**

Teacher participation: **07**

Activities: **Introductory session and workshop.**

Background:

The session was organised as part of quarterly activities allocated to IIC for the current academic year. Department of Aquaculture opted to organise it in association with IIC and IEDC as these two bodies are the inseparable committees who can guide and lead such programmes. Further the department has many alumni capable of serving as resource persons in this regard.

Objectives:

- To discuss the areas of entrepreneurship in which the students of the department can venture into.
- To shed light on the ways in which the students can initiate a project.
- To figure out some business models after obtaining the basic ideas to start a business.
- To explain to what level they can 'innovate' from the current practices in different sectors of emerging technologies in shore-based aquaculture.

Proceedings:

1. Introductory session (10.00 AM to 10. 20 AM):

The session began with a prayer by Ms. Lenitha Binu, 1 yr. Aquaculture student. Dr. Kesavan K, Head of the Department of Aquaculture welcomed the gathering. Dr. A Biju, Principal delivered a brief presidential speech on the relevance of the workshop in the changing scenario of entrepreneurship-oriented global education. Students need to develop innovative ideas and to be job givers rather than job seekers, he opined. Dr. Dhanya K, IIC co-ordinator during her felicitation talk underlined the suitability and necessity of innovation in higher education. Smt. Chithra P, Nodal Officer to IEDC also delivered a felicitation address and she spoke on the need of preparedness of undergraduate students to undertake small business efforts and supportive activities of IEDC for start-ups. Sri. Shibu A Nair, Associate Professor offered vote of thanks. Dr. Dhanya P R and Sri. Mohammed Areej E M were also present during the introductory and workshop sessions.

Workshop Session (10.20 AM to 12. 30 PM):

Resource Person Sri. Krishnaprasad M P gave a briefing about his educational growth and journey into his profession as Aquaculture Promoter under Dept. of Fisheries, Govt. of Kerala. But the focal point of presentation was on his progress as a skilled professional and businessman.

The scope of Aquarium Business in India, its varied aspects like aquarium construction, tank setting, breeding, suitable fishes for breeding, feed production, aquascaping, aquarium plant production etc. were delivered.

The methods of edible fish and shellfish farming and emergence and current trends in new technologies like biofloc farming, RAS and aquaponics were detailed.

The following assignments were given to students during the session:

1. Present the background knowledge on different aspects of aquariculture and aquaculture. (Presented by selected attendees).
2. Aquarium tank construction – calculations on tank size, volume, biomass stocking.
3. How to inspect and manage water quality parameters.
4. How to manage crisis like sudden massive mortality, drastic change in water quality and disease incidence.
5. How to suitably advice common people when they approach you as a person with scientific and technical skill on site and area selection, species selection, stocking density etc.
6. How to find out markets for different products and services.
7. Deciding the type and time of harvest.
8. How to modify or customise an already existing aquarium tank or fish pond in accordance with the changing situations.

The participants made group discussions and calculations (area, volume, tank size, pH correction, feed requirement calculation etc.) and logical conclusions. The ideas and results arrived at by them were presented by the leader of each group. Mr. Krishnaprasad evaluated the presentations and gave necessary corrections and contributions.

Al Ameen and Lenitha Binu, I yr. students and Iainus Sunil, II Yr. student delivered verbal feedback. Manual feedback was taken from the participants after the conclusion of the workshop.

Outcome:

The workshop was useful from the following perspectives:

The participants got a crystal clear idea about the current practices of aquariculture and aquaculture in India with special reference to Kerala.

Awareness on plethora of opportunities for innovation and entrepreneurship in diverse fields of aquarium fish keeping and aquaculture.

Solve the crisis situations in different steps from the very beginning/planning of aquaculture/aquarium related business to ending aspects like managing harvest and selling the product.

Emerge as an entrepreneur and innovator.

CAREER GUIDANCE CELL & FINISHING SCHOOL INDIA

Title of the Program : **Seminar on "Explore Your Career Through Accounting"**

Name of the Coordinator : **Mona VM**

Organizing Department/Cell : **Career Guidance Cell, in collaboration with Finishing School India**

Date of the Programme : **December 1st, 2022**

Number of Participants : **102 Final year B.Com and BBA students**

Resource Person : **Mr. Sreejith P.R, Career Counselor, Finishing School India**

Program Objectives: The objective of the seminar was to enlighten final year B.Com and BBA students about career opportunities in the field of accounting and provide them with insights into various pathways for their future careers.

Program Participants: The seminar was attended by 102 active participants, consisting of final year B.Com and BBA students.

Report of the Programme: The Career Guidance Cell, in collaboration with Finishing School India, organized a one-day seminar on "Explore Your Career Through Accounting" on December 1st, 2022. Mr. Sreejith P.R, a seasoned Career Counselor from Finishing School India, conducted the session. The seminar provided a comprehensive overview of career prospects in the accounting field and guided students on potential career paths after their graduation.

During the seminar, a test was administered to assess the participants' understanding, and certificates were provided to select students as recognition of their active participation and performance.

Program Outcomes: The seminar successfully informed students about the diverse opportunities available in the field of accounting, enabling them to make informed decisions about their career paths. Participants gained valuable insights into the skills and qualifications required for accounting careers, empowering them to plan their future endeavors effectively.

Feedback and Evaluation: Feedback from participants indicated a positive response to the seminar. Attendees appreciated the guidance provided by Mr. Sreejith P.R and found the session informative and beneficial for their career planning. Detailed feedback forms were collected and are being evaluated to assess the seminar's impact on the participants' understanding and career aspirations.

DEPARTMENT OF DIGITAL FILM PRODUCTION

Flick Induction Program- New technologies in Film Production and Its possibilities

Title of the Program : Flick Induction Programme
Name of the Coordinator : Amarjith P B
Organizing Department/Cell : Department of B.Voc Digital Film Production
Date of the Program : 29- 09- 2022
Number of Participants : 24
Resource Person : Rizaal Jainy (Film and Ad film editor)
Venue : Media lab

Program Objectives:The Flick Induction Program aimed to provide an orientation to the fresher students of the academic year 2022, encompassing both I year and II year students. The program was designed to introduce students to new technology in film production, exploring its possibilities, and facilitating discussions on traditional and contemporary editing methods.

Program Participants: The program involved participation from all I year and II year students in the Department of B.Voc Digital Film Production.

Report of the Programme: The Flick Induction Programme, organized by the Department of B.Voc Digital Film Production, was conducted to address the challenges posed by the COVID-19 epidemic, which prevented an offline induction program the previous year. The program provided students with valuable insights into new technology in film production and its creative potential. Furthermore, it featured discussions on both traditional and modern editing techniques.

Program Outcomes: The program enhanced understanding of new technology in film production among students, encouraged students to explore innovative possibilities in filmmaking and promoted awareness of evolving editing methods in the digital film industry. It also fostered a sense of community and integration among students across different academic years.

Feedback and Evaluation: The program received positive feedback from the participating students, who found it beneficial in their academic journey. The discussions on new technology and editing methods were particularly informative and inspiring. Overall, the program was considered a success in achieving its objectives.

'FLY-HIGH' - CAREER GUIDANCE PROGRAMME

HIGHLIGHTS:**DATE AND TIME:** 06/01/2022, 10 AM TO 1PM**VENUE:** Auditorium.**COLLABORATION:** Association of Fisheries Graduates (Regd.), Cochin University of Science & Technology**RESOURCE PERSONS:**

1. Dr. Usha V Parameswaran.
2. Mr. Hari Praved P.
3. Mr. Muneer A.
4. Ms. Nayanthara S.

TEACHER PARTICIPATION: Dr. A Biju, Dr. Kesavan K, Mr. Shibu A Nair, Dr. Dhanya P R, Sri. Mohammed Areej E M, Smt. Sreelakshmi T P**STUDENT PARTICIPATION:** 100 (All batches of B.Sc. Aquaculture). Boys: 38, Girls: 62.**TOTAL PARTICIPANTS:** 107.

Aquaculture is a multidisciplinary subject; hence there exists a spectrum of opportunities for higher studies and jobs. Though the department has conducted career guidance and motivation sessions before, there came a necessity to organise a session delivered by young researchers in the subject as they would be more resourceful regarding the latest trends in career and higher education/research openings. In this context the department approached the officials of Association of Fisheries Graduates (AFG), registered body of fisheries professionals based in Kochi. Accordingly four resource persons were invited to deliver a detailed account on job and higher study and research opportunities in aquaculture and allied sectors.

The resource persons were Dr. Usha V Parameswaran (Independent Researcher, CUSAT and Vice President, AFG), Mr. Hari Praved P (Research Scholar, Dept. of Marine Biology, CUSAT, Secretary, AFG), Mr. Muneer A (Research Scholar, National Centre for Aquatic Animal Health, CUSAT, Treasurer, AFG) and Ms. Nayanthara S (Fisheries Management Trainee, MPEDA and Executive Member, AFG). Ms. Malavika Sunil, II Yr. Aquaculture student served as anchor to the programme.

The session was held in the college auditorium on 06/01/2023 at 10 AM. Ms. Lenitha Binu, I yr. Aquaculture rendered a prayer. Dr. K Kesavan, HoD of Aquaculture welcomed the gathering and Dr. A Biju, Principal, gave a brief presidential speech. Sri. Mohammed Areej Asst. Professor, Dept. of Biochemistry offered felicitation and Smt. Sreelakshmi T P, Assistant Professor offered formal vote of thanks.

In the focal session all the four resource persons delivered various areas of career opportunities, higher studies and research. They delegated different areas of topic among themselves. Well-designed self-explanatory PowerPoint presentations and videos were highly supportive to the session and understanding of the contents.

Together they covered career prospects in India and abroad, both in public/Govt. and private sectors encompassing all sectors of fisheries like farming, hatcheries, and ornamental fisheries, feed manufacturing, fish/seafood processing etc.

There came a discussion on how an aquaculture graduate can harness the potential of this food production sector for entrepreneurship. Starting a business in aquarium fish breeding, fish breeding and farming and export business were taken up for deliberation.

Programmes of PG studies in different Universities and colleges in Kerala and other states were detailed by Dr. Usha Parameswaran. She also gave detailed description on research options in various subjects related to aquaculture, marine sciences and fisheries. A list of Indian Universities and programmes offered by them under were presented. Even related subject areas like biodiversity and ecology were covered in the discussion. Awareness on CSIR-UGC NET and JRF , ARS – NET SRF examinations were also given by her.

Presentation on career opportunities in private sector in India was delivered by Mr. Hari Praved. Opportunities available in Sea food export sector and NGOs like ATREE, WWF were also described.

Positions available under Kerala Fisheries Department, MATSYAFED, MPEDA, Research Institutes like CMFRI, CIFE, CIBA, CIFA, and CIFT etc. were presented by Mr. Muneer A. He gave a clear guidance about the syllabus and mode of preparations to be adopted for technical and scientific posts in these areas.

Ms. Nayanthara in her presentation focussed on the skills to be attained while doing B.Sc. programme of study. She gave an account of internship and skill trainings available in different organisations like MPEDA, CMFRI, and NBFGR etc.

Though interaction was allowed after each session, half an hour was allowed for clarifying doubts and asking questions. Explanation on date of notification for different higher study programmes, syllabi for technical posts in PSC/other sectors were discussed during the interaction session.

Ms. Joyce M Raphael, II Yr. Aquaculture, Lainus Sunil, II Yr. Aquaculture and Al Ameen, I Yr. Aquaculture gave verbal feedback on the programme. The session concluded at 1.00 PM.

DEPARTMENT OF COMPUTER APPLICATION
ACADEMIC REPORT ON “INNOTECH”
A CAREER MOTIVATIONAL SESSION BY AN INNOVATOR
CONDUCTED IN COLLABORATION WITH IIC-IQAC-IEDC

PROGRAMME HIGHLIGHTS:

Date and Venue : **29th November 2022 at Seminar Hall**

Resource Person : **Mr. Bilal Sikkander Co-Founder & COO, ORTMOR India & UAE**

Number of students participated : **105**

Time : **10.30am to 1.00 pm**

Teacher Participation : **5**

Activities : **Introductory session and Innovation session**

•

BACKGROUND:

The session was organised as a part of quarterly activities allocated to IIC for the current academic year. Department of Computer Application opted to organise it in association with IIC and IEDC and IQAC.

OBJECTIVES:

- 1.To explain to what level students can ‘innovate’ from the current practices in different sectors of emerging technologies
- 2.Enabling students to recognize their creativity and how to apply it in the current technology
- 3.Familiarize the students how to become an innovator.
- 4.To figure out some of the trending technologies such as Metaverse development, NFT, BlockChain, Virtual reality, augmented reality and helping students to innovate in such fields.

PROCEEDINGS:

Introductory Session (10.30 am to 11.00 am):

The session began with a prayer by Husna Farhan, final year BCA student. Ms. Najula K.M, Assistant Professor & Coordinator of the program Department of Computer Application welcomed the gathering. Dr. Reena Muhammed, Vice Principal delivered a brief presidential address on the relevance of such innovation programmes. Students need to develop innovative ideas and to be job givers rather than job seekers, she pointed. Dr. Dhanya K, IIC co-ordinator during her felicitation talk underlined the suitability and necessity of innovation in higher education. Smt. Chithra P, Nodal Officer to IEDC also delivered a felicitation address and she spoke on the need of preparedness of undergraduate students to undertake small business efforts and supportive activities of IEDC for start-ups. Dr. Sumedhan K.P, Director of Self-financing courses delivered felicitation address. Ms. Jabin T.H, HOD of Department of Computer Application delivered vote of thanks.

Innovation session (11.00 am to 1.00 pm)

Resource person Mr. Bilal sikkander, Co-Founder & COO, ORTMOR gave a briefing about his educational growth and journey into an innovator.

He pointed out new trends in innovation with the future technologies such as metaverse development, virtual reality, artificial intelligence, block chain, augmented reality, NFT and web3. He also visualized the DALLE -2 software which is a new AI system. The session continued with a demo presentation of some projects which had undertaken by the innovator such as case study of launching of Redmi Note 11 phone in virtual reality, IKEA and a case study of VR based training. He also familiarized the students with Direct to Avatar model.

OUTCOME:

- Students identified the scope of innovation in new technologies such as metavers development, augmented reality, Artificial Intelligence, NFT etc.
- The participants got a crystal clear idea about trending technologies.
- Students recognized how to change their creative ideas into an innovation.
- Students got an idea of how to become an innovator.

REPORT ON "MEET THE ENTREPRENEUR" - JANUARY 20TH, 2023

Organized by: **PG and Research Department of Commerce and Management Studies, ED Club, and IEDC**

Date and Time: **January 20th, 2023, 10:00 AM**

Venue: **Auditorium, M.E.S. Asmabi College**

No of Participants: 292

- **Introduction:** On January 20th, 2023, the PG and Research Department of Commerce and Management Studies, in collaboration with the Entrepreneurship Development Club (ED Club) and the Innovation and Entrepreneurship Development Cell (IEDC), hosted a captivating event titled "Meet the Entrepreneur." The event aimed to connect students and faculty with successful entrepreneurs and inspire the entrepreneurial spirit among the participants.
- **Resource Person:** The distinguished resource person for the event was Dr. Ilavarasi Jayakanth, the Chief Executive Officer (CEO) of Aswathy Hot Chips, a well-known snack manufacturer based in Thrissur. Dr. Jayakanth is an accomplished entrepreneur with vast experience in the field of food processing and business management.

Attendance: The event witnessed an overwhelming turnout with approximately 350 participants, including both postgraduate (PG) and undergraduate (UG) students, as well as faculty members from various departments of the institution. This strong attendance demonstrated the keen interest in entrepreneurship and the desire to learn from successful business leaders.

- **Event Highlights:**

1. The "Meet the Entrepreneur" event was structured as follows:
2. Welcome and Introduction: The program commenced at 10:00 AM with a warm welcome to all the attendees. The event's objectives were outlined, and the significance of entrepreneurship in today's world was emphasized.
3. Presentation by Dr. Ilavarasi Jayakanth: Dr. Ilavarasi Jayakanth delivered an exceptional presentation that covered her entrepreneurial journey, challenges faced, strategies for success, and the evolution of Aswathy Hot Chips as a brand. Her insights into the food processing industry and her entrepreneurial experiences were highly informative and inspiring.
4. Interactive Session: Following the presentation, an engaging question and answer session was conducted. Participants actively engaged with Dr. Jayakanth, seeking advice, clarifications, and additional insights into entrepreneurship. The resource person answered questions with depth and clarity, providing valuable guidance to the aspiring entrepreneurs in the audience.
5. Distribution of Brochures: Attendees were provided with informative brochures containing key takeaways from the event, Dr. Jayakanth's profile, and details about entrepreneurship-related resources at the institution.
6. Photographs: Professional photographs were taken during the event to capture the moments and interactions. These photos will be available for participants and will be useful for documentation and promotional purposes.

Conclusion:

The "Meet the Entrepreneur" event held on January 20th, 2023, was a resounding success. It served as a valuable platform for students and faculty to gain insights from a successful entrepreneur, Dr. Ilavarasi Jayakanth. Her experiences and knowledge were both enlightening and motivating. The event helped foster an entrepreneurial spirit among the participants and emphasized the importance of innovation, determination, and perseverance in the world of business.

This event was a testament to the commitment of the PG and Research Department of Commerce and Management Studies, ED Club, and IEDC to promote entrepreneurship and provide opportunities for knowledge exchange within the academic community.

The success of this event highlights the importance of continued efforts to organize such programs, connecting students and faculty with successful entrepreneurs and furthering the spirit of entrepreneurship within the institution.

DEPARTMENT OF COMMERCE
'ROADMAP TO YOUR DREAM CAREER'

Seminar Report: Career Counselling Programme

Date: 22nd December 2022

Venue: MES ASMABI College, P. Vemballur

Organized by: T.I.M.E. Institute, Thrissur

Coordinator: Dr. Sefiya K M

No of Participants : 108

Introduction:

On 22nd December 2022, an enlightening career counselling program titled "Roadmap to Your Dream Career" was organized at MES ASMABI College, P. Vemballur. The program was specifically designed for the students pursuing their 2nd and 3rd-year Bachelor of Commerce (B.Com) in cooperation, a pivotal period in their academic journey where career decisions are of paramount importance. This seminar aimed to provide insights into various competitive exams such as CAT, SSC, GRE, and more, opening a world of opportunities for these students. The event was sponsored by the prestigious T.I.M.E. Institute of Thrissur.

Program Highlights:

The event commenced at 10:30 a.m. in a well-arranged classroom, with 102 eager and enthusiastic students in attendance. The event began with a warm welcome, where all the participating students were seated and introduced to the proceedings. The keynote speaker, a professional career counsellor, began by shedding light on the diverse courses and career opportunities associated with the Common Admission Test (CAT), which is the gateway to various prestigious management programs in India. The students were encouraged to explore their interests and consider fields they are genuinely passionate about, rather than letting external influences dictate their career choices.

Key Points Covered:

1. Scope of CAT: The speaker elucidated the significance and scope of CAT, emphasizing how it opens doors to a multitude of management programs across the country. The students were made aware of the competitive nature of the exam and the importance of proper preparation.
2. Diversification of Opportunities: The program went beyond CAT, delving into the broader landscape of career opportunities and competitive exams, including the Staff Selection Commission (SSC), Graduate Record Examination (GRE), and others. The students were encouraged to explore these avenues to make informed career choices.

3. Choosing a Passion: The central message of the programme revolved around the importance of pursuing one's passions and interests. The counsellor stressed that true success and recognition come when students engage in fields they are genuinely interested in.

Interactive Session:

The students had the opportunity to engage in an interactive Q&A session, where they could clarify their doubts and seek further guidance on their career choices

Conclusion:

Towards the end of the programme, students were handed two forms - a feedback form to express their thoughts about the session and a form to provide their basic details and specify their field of interest. The program successfully concluded at 11:30 a.m.

Closing Remarks:

The career counselling programme at MES ASMABI College, Vemballur, sponsored by the T.I.M.E. Institute of Thrissur, served as an important and enlightening session for the students at this crucial juncture of their academic journey. It emphasized the importance of making informed and passionate career choices and provided them with valuable insights into various competitive exams. It is hoped that the knowledge gained from this programme will help these students make well-informed decisions and embark on a successful career path.
