Title of the Program : **MOCK TESTS / INTERVIEWS**

Name of the Resource person: Sanand C. Sadanandakumar

Organizing Department/Cell :WWS

Date of the Program: **18-10-2018**

Number of Participants: **60**

### Report of the Program:

Walk With a Scholar (WWS) scheme proposes to arrange specialized mentoring programs for students in Under Graduate Programs in Arts, Science and Commerce and to provide guidance for their future. The scheme introduces the idea of mentoring and builds on the concept of mentor as a 'Guide' and 'Friend'.

Mock Interviews were conducted on 18th October 2018 for all the students of the programme of Walk with a Scholar. Mr. Hareesh Kumar, International trainer and his team from Praxis Consultancy, Angamali conducted the mock interview session. Each student was given personal feedback of their mock interview.

Title of the Program : '**Dyuksha**' Botany Association Inauguration & Career Orientation

Name of the Resource person: **Dr. Jacob Varghese Kunthara.**

Organizing Department/Cell :**Botany Department**

Date of the Program: **8-11-2018**

Number of Participants: **108**

#### Report of the Program:

The Botany Association inauguration of this academic Year ( "Dyuksha ") was conducted on 8.11.2018, Thursday at Seminar Hall of the college. Shri. Jacob Varghese Kundara (Associate Professor, Dept. of Botany, Bharatmata College, Thrikkakara) inaugurated the function.

He delivered a talk on "Variety gardens". He presented different types of gardens like Terrarium, Vertical Garden, Aquascaping, Butterfly Garden and also gardens for special purpose He emphasized on utilizing variety gardens as means for income generation. He introduced various planting materials, fertilizers and planting patterns used in terrariums, open table top gardens, aquascaping, kokedama etc.

In the cultural programme session in the afternoon, students exhibited their talents through various performances. The programme came to an end by 3.30 PM. 108 students and 7 faculty members of the department participated in the programme.

### **Industrial Visit, Career and Research Orientation**

Title of the Program : **Industrial Visit and Career orientation**  
**Indian Institute of Science, Bangalore, HAL, and Viswesarayya Industrial and Technical Museum, Bangalore**  
Name of the Coordinator: **Dr. Sheeba N. H. and Dr. Mohammed Naser . K. M.**  
Organizing Department/Cell :**Physics Department**  
Date of the Program: **January 16-21, 2019**  
Number of Participants: **35**

#### **Program Objectives:**

The objectives of the industrial visit were to provide students with practical exposure to the scientific and technological advancements in the field of Physics, enhance their understanding of real-world applications, and facilitate interactions with experts in the field.

#### **Program Participants:**

The program was attended by students of the VIth semester B Sc Physics, along with faculty members Dr. Sheeba N. H. and Dr. Mohammed Naser . K. M.

#### **Report of the Program:**

During the industrial visit, students visited prominent institutions such as the Indian Institute of Science, Bangalore, HAL (Hindustan Aeronautics Limited), and Viswesarayya Industrial and Technical Museum, Bangalore. At these locations, students had the opportunity to witness cutting-edge research and development activities, interact with scientists and engineers, and gain insights into the practical applications of physics in various industries.

#### **Program Outcomes:**

- Students gained practical knowledge and exposure to the latest advancements in the field of Physics.
- Interactions with experts and professionals provided valuable insights into career prospects and industry expectations.
- Enhanced understanding of theoretical concepts through real-world applications.

#### **Feedback and Evaluation:**

Feedback from both students and accompanying faculty members was overwhelmingly positive. Participants expressed gratitude for the informative and enriching experience. The visit was deemed highly beneficial in bridging the gap between theoretical learning and practical applications.

### Career Guidance Program on Numerical Journey

Title of the Program : **Career Guidance Program on Numerical Journey**  
Name of the Coordinator: **Sabeena P A**  
Organizing Department/Cell: **Mathematics & Statistics**  
Date of the Program : **15 October 2018**  
Number of Participants: **52**  
Resource Person: **Mr. Gopalakrishnan K, Associate Professor, MES Kalladi College**

#### Report of the Program:

MES Asmabi College's Department of Mathematics and Statistics organized a Career Guidance Program on October 15, 2018, at 10:00 AM in the Seminar Hall. The event aimed to help students explore career opportunities related to mathematics. Mr. Gopalakrishnan K, an Associate Professor from MES Kalladi College, served as the resource person. He shared insights into various career paths in mathematics, emphasizing their importance in different fields. The program included interactive sessions, a workshop on career planning, and the distribution of resource materials to guide students towards informed decisions about their future.

The Career Guidance Program in Mathematics and Statistics was a success, offering students valuable information and practical tips. Mr. Gopalakrishnan K's expertise provided clarity on different career possibilities, and the interactive sessions allowed students to ask questions and seek guidance. The department expressed gratitude to the resource person and looks forward to organizing more events to empower students in their academic and professional journeys.

# Finishing School Program for Employability Enhancement

**Title: Finishing School Program for Employability Enhancement**

**Date: February 5th - February 12th, 2019**

**Organizing Cell: IQAC in association with Career**

**Guidance Cell, MES Asmabi College**

**Resource Persons: Mr. Abhishad Guruvayoor and Mr. Sony Akkara**

## **Objective of the Program:**

The Finishing School Program was organized with the primary objective of enhancing the employability skills of students by providing them with practical insights, industry- relevant knowledge, and professional development opportunities. The program aimed to bridge the gap between academic learning and workplace requirements, equipping participants with the necessary skills and confidence to excel in their chosen careers.

## **Report of the Program:**

The Finishing School Program spanned from February 5th to February 12th, 2019, and comprised a series of interactive workshops, seminars, and practical sessions conducted by experienced professionals from various industries. Mr. Abhishad Guruvayoor and Mr. Sony Akkara, renowned experts in career development and industry practices, led the sessions, covering topics such as resume writing, interview skills, communication etiquette, professional networking, and personal branding. Participants actively engaged in hands-on activities, role-playing exercises, and group discussions, enabling them to apply theoretical concepts to real-world scenarios. The program also included mock interviews, feedback sessions, and personalized guidance to help students identify their strengths, areas for improvement, and career aspirations. 417 final year students from various department have been trained in various sessions

## **Program Outcome:**

The Finishing School Program yielded significant outcomes, empowering participants with enhanced employability skills, self-confidence, and a competitive edge in the job market. Students gained valuable insights into industry expectations, professional norms, and career advancement strategies, thereby increasing their readiness to transition from academia to the workplace.

## Feedback:

Feedback from participants indicated high levels of satisfaction with the program content, delivery, and overall learning experience. Students appreciated the practical relevance of the sessions, the expertise of the resource persons, and the personalized guidance provided. Many expressed confidence in their ability to navigate job interviews, communicate effectively, and showcase their skills and qualifications to prospective employers.

Overall, the Finishing School Program received positive feedback and was recognized as a valuable initiative in enhancing students' employability and career prospects. The collaboration between IQAC and the Career Guidance Cell proved to be instrumental in delivering a comprehensive and impactful program that catered to the diverse needs of the student community.
