to

Sugaina Sulaiman M. S.

having completed the Association of Food and Drug Officials/Seafood HACCP Alliance "**Basic Course**" in seafood *Hazard Analysis and Critical Control Point* theory and practical application. This course, developed through a National Sea Grant College Program project, contained the core training manual and curriculum developed by the Seafood HACCP Alliance to teach HACCP concepts for food safety. This curriculum referenced and incorporated recommendations and concepts from the National Advisory Committee on Microbiological Criteria for Foods, the U.S. Food and Drug Administration's *Fish and Fishery Products Hazards and Control Guide*, the U.S. Food and Drug Administration's mandatory seafood HACCP regulations (21 CFR Part 123), and various HACCP models prepared by the governmental agencies, trade associations, academia and individuals having expert knowledge of the concepts and application of HACCP. This course satisfies the mandatory training requirement contained in 21 CFR, part 123.10.
