

CRITERIA V - STUDENT SUPPORT AND PROGRESSION

5.4: Alumni Engagement

"Creative Asmabians," the YouTube channel by one of the social media chapter of Asmabi Alumni, is a vibrant space where alumni collaborate to share their diverse talents through engaging videos. They recently achieved a milestone with the release of the short film "Pachamarathanalil," creatively set on the Asmabi campus. This showcases the alumni's dedication to artistic expression and storytelling in a simple and enjoyable way.
