## Students Feedback

## Students Feedback Analysis 2019-20

| Aspects | Mean Score |
| :---: | :---: |
| Syllabus is suitable to the programme | 4.494898 |
| Syllabus is need based | 4.497959 |
| Aims and objectives of the syllabi are well defined and clear | 4.446939 |
| Course content has corresponding reference materials | 4.509184 |
| The syllabus has 4 balance between theory and application | 4.47449 |
| The syllabus generates interest in the subject area | 4.562245 |
| Curriculum has prospects for higher education/ employability | 4.50102 |
| My teachers explain complicated lessons well | 4.512245 |
| My teachers incorporate creativity in delivering of lessons | 4.569388 |
| My teachers communicate ideas effectively | 4.582653 |

Syllabus is suitable to the programme : This suggests that the syllabus aligns well with the goals and requirements of the program. A high score indicates that the syllabus effectively addresses the needs of the program.

Syllabus is need-based: This indicates whether the syllabus is designed to meet the specific needs of the students and the program. A high score implies that the syllabus is tailored to address the relevant needs.

Aims and objectives of the syllabi are well defined and clear: This measures the clarity and specificity of the objectives outlined in the syllabus. A high score suggests that the objectives are clearly articulated and understood.

Course content has corresponding reference materials: This assesses whether the course content
is supported by relevant reference materials, such as textbooks, articles, or other resources. A high score indicates that students have access to supplementary materials to enhance their understanding.

The syllabus has a balance between theory and application: This evaluates whether the syllabus strikes an appropriate balance between theoretical concepts and practical applications. A high score suggests that the syllabus incorporates both aspects effectively.

The syllabus generates interest in the subject area: This measures whether the syllabus is engaging and stimulates student interest in the subject matter. A high score implies that the syllabus is designed in a way that captures student interest.

Curriculum has prospects for higher education/ employability: This assesses whether the curriculum prepares students for further education or employment opportunities. A high score indicates that the curriculum is perceived as beneficial for students' future prospects.

My teachers explain complicated lessons well: This evaluates the effectiveness of teachers in explaining complex topics. A high score suggests that teachers are skilled at breaking down difficult concepts for student understanding.

My teachers incorporate creativity in delivering of lessons: This measures whether teachers employ creative teaching methods to enhance the learning experience. A high score implies that teachers use innovative approaches in their teaching.

My teachers communicate ideas effectively: This assesses the clarity and effectiveness of teachers' communication. A high score indicates that teachers are proficient communicators who effectively convey ideas to students.

In summary, these statements offer insights into multiple facets of the program, encompassing syllabus design, teaching quality, and student engagement.

## Syllabus is suitable to the Programme

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 25 | 2.551 |
| Dissatisfied | 23 | 2.347 |
| Neutral | 90 | 9.184 |
| Satisfied | 427 | 43.571 |
| Highly satisfied | 415 | 42.347 |
| Total | 980 | 100 |

## Syllabus is suitable to the Programme

From the above chart, it appears that the majority of participants fall into the categories of "Satisfied" and "Highly Satisfied," which together make up over $85 \%$ of the total responses. This suggests that the program generally meets or exceeds the expectations of most participants. However, there are still a small portion who are "Neutral," "Dissatisfied," or "Highly Dissatisfied," indicating areas where improvements could potentially be made. Overall, the program seems to be suitable for the majority of participants.

## Syllabus is need based

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 23 | 2.347 |
| Dissatisfied | 95 | 9.694 |
| Neutral | 25 | 2.551 |
| Satisfied | 437 | 44.592 |
| Highly satisfied | 400 | 40.816 |
| Total | 980 | 100 |

Syllabus is need based

Based on the chart, it appears that the majority of participants fall within the categories of "Satisfied" and "Highly Satisfied," which collectively represent over $85 \%$ of the total responses. This implies that the syllabus is generally meeting the needs of most participants. Nonetheless, there exists a noticeable segment who are categorized as "Neutral," "Dissatisfied," or "Highly Dissatisfied," indicating areas where enhancements could potentially be implemented to better cater to participant needs.

## Aims and objectives of the syllabi are well defined and clear

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 28 | 2.857 |
| Dissatisfied | 45 | 4.592 |
| Neutral | 51 | 5.204 |
| Satisfied | 451 | 46.020 |
| Highly satisfied | 405 | 41.327 |
| Total | 980 | 100 |

Aims and objectives of the syllabi are well defined and clear

From this data, it appears that a majority of participants fall into the categories of "Satisfied" and "Highly Satisfied," which together make up over $85 \%$ of the total responses. This suggests that the syllabus is generally meeting the needs of most participants. However, there is still a noticeable portion who are "Neutral," "Dissatisfied," or "Highly Dissatisfied," indicating areas where improvements could potentially be made to better align the syllabus with participant needs.

## Course content has corresponding reference materials

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 28 | 2.857 |
| Dissatisfied | 40 | 4.082 |
| Neutral | 45 | 4.592 |
| Satisfied | 457 | 46.633 |
| Highly satisfied | 410 | 41.837 |
| Total | 980 | 100 |

From the above it is clear that, while the majority of participants express satisfaction with the correspondence of course content with reference materials, there is still a notable portion with concerns or neutral feelings..

## The syllabus has a balance between theory and application

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 25 | 2.551 |
| Dissatisfied | 23 | 2.347 |
| Neutral | 90 | 9.184 |
| Satisfied | 427 | 43.571 |
| Highly satisfied | 415 | 42.347 |
| Total | 980 | 100 |

The syllabus has a balance between theory and application

The majority of participants (85.92\%) fall under the categories of Satisfied and Highly Satisfied, indicating that there is generally a positive perception that the syllabus achieves a balance between theory and application. However, there is still a minority (14.08\%) who express some level of dissatisfaction (Highly Dissatisfied, Dissatisfied, or Neutral) with the balance between theory and application in the syllabus. The majority of participants express satisfaction with the balance between theory and application in the syllabus, but there is still a notable portion with concerns or neutral feelings.

The syllabus generates interest in the subject area

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 30 | 3.061 |
| Dissatisfied | 20 | 2.041 |
| Neutral | 65 | 6.633 |
| Satisfied | 445 | 45.408 |
| Highly satisfied | 420 | 42.857 |
| Total | 980 | 100 |

## The syllabus generates interest in the subject area

The majority of participants (88.27\%) fall under the categories of Satisfied and Highly Satisfied, indicating that there is generally a positive perception that the syllabus is effective in generating interest in the subject area.However, there is still a minority (11.73\%) who express some level of dissatisfaction (Highly Dissatisfied, Dissatisfied, or Neutral) with the syllabus's ability to generate interest in the subject area.

## Curriculum has prospects for higher education/ employability

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 20 | 2.041 |
| Dissatisfied | 50 | 5.102 |
| Neutral | 90 | 9.184 |
| Satisfied | 405 | 41.327 |
| Highly satisfied | 415 | 42.347 |
| Total | 980 | 100 |

The majority of participants (83.68\%) express satisfaction, suggesting a positive perception regarding the curriculum's potential for higher education and/or employability. However, a minority (16.32\%) holds some level of dissatisfaction, indicating room for improvement in the curriculum's alignment with higher education and employability goals.

## My teachers explain complicated lessons well

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 30 | 3.061 |
| Dissatisfied | 23 | 2.347 |
| Neutral | 48 | 4.898 |
| Satisfied | 479 | 48.878 |
| Highly satisfied | 400 | 40.816 |
| Total | 980 | 100 |

> My teachers explain complicated lessons well

The majority of participants (89.70\%) fall under the categories of Satisfied and Highly Satisfied, indicating that there is generally a positive perception that teachers effectively explain complicated lessons.However, there is still a minority (10.30\%) who express some level of dissatisfaction (Highly Dissatisfied, Dissatisfied, or Neutral) with the effectiveness of teachers in explaining complicated lessons. In summary, while the majority of participants express satisfaction with the effectiveness of teachers in explaining complicated lessons, there is still a notable portion with concerns or neutral feelings.

## My teachers incorporate creativity in delivering of lessons

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 30 | 3.061 |
| Dissatisfied | 50 | 5.102 |
| Neutral | 45 | 4.592 |
| Satisfied | 440 | 44.898 |
| Highly satisfied | 415 | 42.347 |
| Total | 980 | 100 |

My teachers
incorporate creativity in delivering of lessons

```
- HIGHLY DISSATISFIED
```

HIGHLY SATISFIED

Based on the provided data, it seems to be a survey or assessment of the level of satisfaction among respondents regarding how their teachers incorporate creativity in delivering lessons. 42.35\% of respondents are highly satisfied, indicating that they are very pleased with how creativity is incorporated into their lessons. $44.90 \%$ of respondents are satisfied with how creativity is incorporated into their lessons. $3.06 \%$ of respondents are Highly Dissatisfied fell into this category. These individuals are very unhappy with how creativity is incorporated into their lessons.5.10\% of respondents are dissatisfied but not as severely as the highly dissatisfied group. 4.59\% of respondents are neither satisfied nor dissatisfied. They may not have strong feelings either way about the incorporation of creativity in their lessons.

Overall, it appears that a significant majority of respondents (approximately 87.25\%) are either

## My teachers communicate ideas effectively

| Level of Satisfaction | Frequency | Percent |
| :---: | :---: | :---: |
| Highly dissatisfied | 30 | 3.061 |
| Dissatisfied | 20 | 2.041 |
| Neutral | 65 | 6.633 |
| Satisfied | 445 | 45.408 |
| Highly satisfied | 420 | 42.857 |
| Total | 980 | 100 |

Based on the above data, it appears to be another survey or assessment regarding the level of satisfaction among respondents with how their teachers communicate ideas effectively. $42.86 \%$ of respondents are highly satisfied, indicating that they are very pleased with how effectively their teachers communicate ideas. $2.04 \%$ of respondents are dissatisfied but not as severely as the highly dissatisfied group. 6.63\% of respondents are neither satisfied nor dissatisfied. They may not have strong feelings either way about the effectiveness of their teachers' communication of ideas. 45.41\% of respondents are satisfied with how their teachers communicate ideas effectively. 3.06\% of respondents are highly dissatisfied. These individuals are very unhappy with how effectively their teachers communicate ideas.

Overall, it appears that a significant majority of respondents (approximately 88.27\%) are either satisfied or highly satisfied with how their teachers communicate ideas effectively.

## Teachers Feedback

Descriptive Statistics (Feedback of Teachers)

| Statement | Minimum | Maximum | Mean | Standa <br> rd <br> deviati <br> on | Rank <br> based <br> on <br> mean <br> score |
| :--- | :--- | :--- | :--- | :--- | :--- |
| The syllabus is suitable forthe <br> programme | 1.00 | 5.00 | 4.02 | 0.69414 | IV |
| Syllabus is need based | 2.00 | 5.00 | 3.96 | 0.68046 | VI |
| Aims and objectives of thesyllabi <br> are well defined and clear | 3.00 | 5.00 | 4.26 | 0.51846 | I |
| Course content has <br> corresponding reference <br> materials | 2.00 | 5.00 | 4.16 | 0.62076 | II |
| Sufficient number of <br> prescribed books and <br> reference materials are <br> available in the library | 1.00 | 5.00 | 3.89 | 0.85949 | VII |
| The syllabus has a good <br> balance between theory and <br> application | 2.00 | 5.00 | 3.82 | 0.68460 | VIII |
| The syllabus generates interest <br> in the subject area | 2.00 | 5.00 | 3.98 | 0.64063 | V |
| Curriculum has prospectsfor <br> higher education/employability | 2.00 | 5.00 | 4.07 | 0.62277 | III |
| The curriculum gives scope for <br> internship/training/research | 3.00 | 5.00 | 4.07 | 0.70355 | III |
| Tu |  |  |  |  |  |

According to the feedback provided by the teachers it is clear that, the mean score ranked first on the statement, "Aims and objectives of the syllabi are well defined and clear" as score 4.26, followed by the statements "Course content has corresponding reference materials" as score 4.16, statements "Curriculum has prospects for higher education/employability" and "The curriculum gives scope for internship/training/ research" as score 4.07, then statement "The syllabus is suitable for the programme" as score 4.02, the statement "The syllabus generates interest in the subject area" as score 3.98, the statement "Syllabus is need based" as score 3.96, the statement "Sufficient number of prescribed books and reference materials are available in the library" as score 3.89 and the statement "The syllabus has a good balance between theory and application" as score 3.82.

The teacher's feedback indicates that the majority responded that the aim and objectives of the syllabi are well defined and clear.

## Alumni Feedback

Feedback of Alumni

| Statements | Minimum | Maximum | Mean | Stan <br> dard <br> devia <br> tion | Rank <br> basedon <br> mean <br> score |
| :--- | :---: | :---: | :---: | :---: | :---: |
| The syllabus has a <br> good balance <br>  <br> application | 2.00 | 5.00 | 3.69 | 0.849 | IV |
| The syllabus <br> generates interest <br> in the subject area | 2.00 | 5.00 | 3.97 | 0.778 | II |
| The curriculum <br> ensures the overall <br> development of <br> students | 2.00 | 5.00 | 3.76 | 0.872 | III |
| The curriculum has <br> been helpful to you <br> with your present <br> status/ employment/ <br> highereducation | 2.00 | 5.00 | 4.03 | 0.731 |  |

The mean score comparison of alumni feedback reveals that, "The curriculum has been helpful to you with your present status/ employment/ higher education" which is the most important feedback. It has been followed by statement "The syllabus generates interest in the subject area", "The curriculum ensures the overall development of students" and "The syllabus has a good balance between theory \& application".

The result indicates that the main feedback of Alumni is that they are satisfied with the curriculum, which helped to develop the status.

## Employer Feedback

## Feedback of Employer

| Statement | Minimum | Maximum | Mean | Rank <br> Standard <br> deviation <br> based <br> on <br> mean <br> score |  |
| :--- | :--- | :--- | :--- | :--- | :---: |
| The syllabus is <br> suitable for <br> employability | 4.00 | 5.00 | 4.27 | 0.46710 | I |
| The syllabushas a <br> good balance <br> between theory and <br> application | 3.00 | 5.00 | 3.73 | 0.78625 | VI |
| The syllabus is need <br> basedand as per <br> current trendsin the <br> market | 2.00 | 5.00 | 4.09 | 0.83121 | III |
| The curriculum has <br> prospectsfor <br> employment | 3.00 | 5.00 | 4.00 | 0.63246 | IV |
| Awareness ofthe <br> recent developments <br> in the field is provided | 3.00 | 5.00 | 3.82 | 0.75076 | V |
| The curriculum <br> makes the student <br> competent | 4.00 | 5.00 | 4.18 | 0.40452 | II |

The mean score of Employer's feedback explains that "The syllabus is suitable fortheir employability" as mean score 4.27, which is followed by "The curriculum makes the student competent" as mean score 4.18, "The syllabus is need based and as per current trends in the market" as mean score 4.09, "The curriculum has prospects for employment" as mean score 4.00, "Awareness of the recent developments in the field is provided" as mean score
3.82 and "The syllabus has a good balance between theory and application" with mean score 3.73.

The Employer's feedback indicates that the majority responded that the syllabus suitable for their employment.
