Overview of the Training Programme

The Faculty Development Programme at MES ASMABI College, organized by the Internal Quality Assurance Cell, aimed to equip educators with the knowledge and competencies needed in the modern educational landscape. Despite the absence of speaker information, the sessions covered a wide range of crucial topics, including Intellectual Property Rights, professional development, research paper writing, MOOC platforms, teaching competencies, and effective classroom management. This program contributed significantly to the professional growth and development of the participating teachers, preparing them for the evolving demands of education in the present era.

Day 1: 12th July 2018

Intellectual Property Rights: Needs and Opportunities in Academic Scenario

The training program commenced on July 12th at 10:00 AM .Welcome speech by Dr Kesavan K, IQAC Coordinator, Principal Dr.Ajims P. Mohammed felicitated the participants and speaker.

The Faculty Development Programme commenced with a focus on Intellectual Property Rights (IPR). The session aimed to enhance participants' understanding of the relevance and opportunities in the academic sphere. Intellectual Property Rights, often overlooked in academia, are essential for protecting and promoting innovation and research.

The event concluded with a heartfelt vote of thanks delivered by Sanand C. Sadanandan (IQAC member). In his speech, Dr.Sanandh expressed gratitude to all the participants.

Day 2 : 16th July 2018

Rights: Needs and Opportunities in Academic Scenario

Dr. Kesavan K, IQAC Coordinator, set the tone for the training program's second day,July 16, which was dedicated to the topic "Needs and Opportunities in Academic Scenario" . Starting at 10:00 AM,
Day two continued the exploration of Intellectual Property Rights and their significance in the academic landscape. This session likely expanded on the legal framework, policies, and practical implications of IPR in the context of higher education. Participants were given insights into the opportunities IPR presents for academics.
The event concluded with a heartfelt vote of thanks delivered by Dr K P Sumedhan expressed gratitude to all the participants

Day 3 : 2oth July 2018

Professional Development Opportunities for College Teachers

On the third day of the program, July 20th, participants were greeted with a welcome speech by the Dr. Kesavan K, IQAC Coordinator, setting the stage for a crucial session on Professional Development Opportunities for College Teachers at 10:00 AM.
The third day shifted the focus to professional development opportunities for college teachers. This session provided educators with insights into avenues for their growth and advancement in the academic field. The content likely encompassed teaching methodologies, research opportunities, and career development.
The event concluded with a heartfelt vote of thanks delivered by Reena Mohamed P.M, IQAC member.

Day 4: 25th July 2018

Purchase Rule

Day 4, July 25th, was dedicated to How to "Write the Best Research Papers & Introduction to MOOC Platform". The session, which began at 10:00 AM, welcome speech by Dr. Kesavan K.

Day four was a two-part session. The first part centered on the art of crafting excellent research papers. Attendees were likely guided on how to conduct thorough research, structure their papers, and adhere to academic writing conventions. The second part introduced participants to MOOC (Massive Open Online Course) platforms, underlining the importance of technology in modern education.

The event concluded with a heartfelt vote of thanks delivered by Dr K P Sumedhan expressed gratitude to all the participants.

Day 5 : 3rd Aug 2018

Teaching Competencies & How to Make an Effective Class

The concluding session on August 3rd, focused on the teaching Competencies & How to Make an Effective Class at 10:00 AM, by the welcome speech by Kesavan K(IQAC Coordinator).

The final day of the Faculty Development Programme concentrated on teaching competencies and strategies for creating effective classroom environments. The speaker likely discussed essential teaching skills, engagement techniques, and classroom management strategies to foster a productive learning atmosphere.

The event concluded with a heartfelt vote of thanks delivered by Dr.Sanand C Sadanandan (IQAC member). In his speech, Dr.Sanandh expressed gratitude to all the participants. This program contributed significantly to the professional growth and development of the participating teachers, preparing them for the evolving demands of education in the present era.
