

MES ASMABI COLLEGE

Reaccredited by NAAC with B++ Grade, Affiliated to University of Calicut

Minutes of the IQAC Meeting held on 05-06-2023

Meeting No. 1

Date: 05-06-2023, 3.30 PM

Venue: Seminar Hall

Agenda:

1. Duties assignment for criterion work for preparing SSR submission.
2. Fixing the time frame for SSR preparation.
3. Developing strategies for SSR data collection.

Members present:

Dr. Biju A
Dr. Reena Mohamed
Dr. Shafeer P S
Dr. Amitha Bachan KH
Dr. Haseena VA
Dr. K Kesavan
Dr. Sheena P A
Sri Abdul Yafiz
Dr. Sumedhan K P
Dr. Sefiya KM

Decisions taken:

1. *Assignment of Duties:*

- The members were assigned as criterion in-charges for the preparation of the SSR (Self-Study Report) submission. The following memnners selected as criterion heads

1. Criterion I – Smt. Sabitha MM
2. Criterion II- Dr. Girija TP
3. Criterion III- Dr. Dhanya PR
4. Criterion IV- Smt. Nasreen A
5. Criterion V- Smt. Naseema MK
6. Criterion VI- Dr. Thanzeela Ebrahim K
7. Criterion III- Dr. Mohemmed Areej EM

2. Time Frame for SSR Preparation: The following time frame fixed for SSR data collection and SSR preparation

- First Draft:** 19-09-2023
- Second Draft:** 15-10-2023
- Third and Final Draft:** 15-02-2024

3. Strategies for SSR Data Collection:

- The planning for metrics data collection will be done by the IQAC wing and criterion heads.
- Operative level data collection will be handled by the metrics supervisors.

Next Meeting:

- Second week of august, 2023

Approved by:

- Dr. Biju A, Principal

Closing Remarks:

- An official vote of thanks remarked by IQAC joint co-ordinator Smt. Jisha K C

Minutes of the IQAC Meeting held on 10-08-2023

Meeting No. 2

Date: 10-08-2023, 3.30 PM

Venue: Seminar Hall

Agenda:

1. Identify data collection progress for SSR.
2. Appoint senior teachers as criterion supervising in-charges in addition to the criterion heads.
3. Present the IQAC functional plan for approval.

Decisions:

1. Data Collection Progress:

- Criterion heads and their metrics supervisors provided updates on the status of their data collection efforts for the SSR (Self-Study Report).

2. Appointment of Senior Teachers:

- The following senior teachers were appointed as criterion supervising in-charges in addition to the criterion heads:

1. Dr. Amitha P Mani
2. Dr. Jisha KC
3. Dr. Sanand C Sadanand
4. Dr. Sumedhan KP

3. Approval of IQAC Functional Plan:

Meeting No. 3

Date: 11-09-2023, 2.30 PM

Venue: Seminar Hall

Agenda:

1. Presentation of collected data for SSR first draft preparation.
2. Appointing qualitative metrics supervisors.
3. Pending AQAR submission after using the edit option.

Decisions:

1. Presentation of Collected Data:

- Criterion heads presented their collected data in a PowerPoint presentation.
- Shortcomings of the data were discussed, and plans for further improvement were made.

2. Appointment of Qualitative Metrics Supervisors:

- Dr. Kesavan K was appointed as the qualitative metrics supervisor.
- For language correction, the following were appointed:
 - Dr. Amitha P. Mani
 - Dr. Reena Mohamed
 - Smt. Veenalakshmi
 - Smt. Mona V.M.

3. Pending AQAR Submission:

- It was decided to submit the pending AQARs for the years 2020-21 and 2021-22 after utilizing the edit option provided by NAAC.

Date: 06-09-2023

Venue: Seminar Hall

Agenda:

1. Appointing NAAC document designing group.
2. Creating NAAC-IQAC students wing.
3. Purchasing document designing software.

Decisions:

1. Appointment of NAAC Document Designing Group:

- A NAAC documentation designing team was created, led by Sri. Mynag Suresh and Dr. Basheer, to design the NAAC documents attractively.

2. Creation of NAAC-IQAC Students Wing:

- A NAAC-IQAC students wing was established to assist with NAAC preparation tasks after class hours. This includes student coordination, document designing, and other related activities.

3. Purchase of Document Designing Software:

- It was decided to purchase the document designing software CANVA for a duration of one year.

PERFORMANCE EVALUATION

FEEDBACK ANALYSIS AND ACTION TAKEN

A programme outcome attainment analysis based Alumni survey

Evaluating program outcomes through alumni surveys using before-after analysis can be a powerful method for assessing the effectiveness and impact of educational programs. This approach entails conducting an extensive survey of UG and PG graduates, which assesses the level of their skills prior to studying the program and then evaluates their skills upon completion of the program. Here's a structured approach to conducting such an evaluation:

Steps in Programme Outcome evaluation

- 1. Define Program Outcomes:** Begin by clearly defining the outcomes or objectives of the program. These could include knowledge gained, skills acquired, career advancements, personal development, etc. Ensure these outcomes are measurable and aligned with the program's goals.
- 2. Design the Survey:** Develop a survey instrument that captures relevant information about the alumni's experiences before and after participating in the program. Include questions that assess changes in knowledge, skills, attitudes, and behavior as they relate to the program outcomes.
- 3. Collect Data:** Administer the survey to program alumni, ensuring a sufficient sample size for meaningful analysis. Collect data on both retrospective perceptions of their status before the program and their current status after completing the program.
- 4. Analyze Responses:** Use statistical techniques such as mean, standard deviation and paired t test to analyze the survey responses. Look for significant differences in outcomes to determine the program's impact.
- 5. Interpret Results:** Interpret the findings of the analysis, paying attention to both the magnitude and direction of changes in program outcomes. Identify areas where the program has been particularly effective and areas that may require improvement in effectiveness in programme delivery.
- 6. Communicate Findings:** Share the results of the evaluation with stakeholders, including Principal, management and teachers. Highlight the strengths of the program and areas for enhancement based on the evaluation findings (if any).
- 7. Use Findings for Improvement:** Use the evaluation findings to inform future program planning and implementation of effective delivery.

8. follow-up: Evaluation should be an ongoing process, with regular assessments conducted to track changes in program outcomes over time. Use feedback from alumni refine the evaluation methods and improve the program continuously.

ANALYSIS AND REPORT

H.0: There is no significant difference between students' skills before joining and after completing the various programmes offered by the MES Asmabi college

Table showing Paired sample T test for significant difference between students' skills before joining and after completing various programmes offered by the MES Asmabi college

Paired Samples Statistics

Factors of Programme Outcome	Period	Mean	Std. Deviation	Gap	T value	P value (Sig.)
Employability Skills	Before	3.48	0.878	0.31	-6.11	<0.001**
	After	3.79	0.838			
Communication Skills	Before	3.65	0.845	0.34	-6.16	<0.001**
	After	3.99	0.756			
Social Interaction and Adaptability	Before	3.89	0.861	0.19	-3.39	<0.001**
	After	4.08	0.736			
Citizenship behaviour	Before	3.85	0.772	0.23	-5.17	<0.001**
	After	4.08	0.701			
Moral and Ethics	Before	3.86	0.729	0.19	-4.43	<0.001**
	After	4.05	0.721			
Consciousness of environment and sustainability	Before	3.91	0.746	0.14	-3.01	<0.001**
	After	4.05	0.742			
Attitude towards lifelong learning	Before	3.91	0.789	0.13	-3.95	<0.001**
	After	4.11	0.782			
Social responsibility	Before	3.94	0.791	0.18	-3.43	<0.001**
	After	4.12	0.769			
Critical Thinking	Before	3.79	0.778	0.26	-5.37	<0.001**
	After	4.05	0.782			
Self-Direction	Before	3.86	0.803	0.30	-5.63	<0.001**
	After	4.16	0.756			

** denotes significant at 1% level.

Statistical inference

The paired sample t test was used to compare the status of students skills before and after joining the various programmes offered by the MES Asmabi college, P Vemballur.

Because of the P value is less than 0.01, the null hypothesis is rejected at 1% level with regard to the all factors of students skills such as Employability Skills, Communication Skills, Social Interaction and Adaptability, Citizenship behaviour, Moral and Ethics, Consciousness of environment and sustainability, Attitude towards lifelong learning, Social responsibility, Critical Thinking and Self-Direction. The mean scores indicate that all mean scores are higher in the category of after completing the programme compared to the category of before joining the programme.

Observation from data analysis

The analysed data indicates that students' skills are improved after completing the program at MES Asmabi College compared to their skills before joining the program. It denotes the effectiveness of the teaching-learning process and programme delivery at MES Asmabi College in achieving the desired program outcomes and enabling students to acquire program-aimed skills successfully.

Action taken based on survey results

Objective: To address and act upon the findings from the paired sample t-test analysis comparing students' skills before joining and after completing various programs offered by MES Asmabi College, with a focus on factors that show low gaps in mean differences.

Summary of Findings:

The paired sample t-test results indicate significant improvements in all measured skill areas after students completed their respective programs. The factors with the lowest gaps in mean differences include Consciousness of Environment and Sustainability, Attitude towards Lifelong Learning, Social Responsibility, Social Interaction and Adaptability, and Moral and Ethics.

Factors with Low Gaps and Action Taken:

1. Consciousness of Environment and Sustainability (Gap: 0.14)

- Observation: While there is a significant improvement, the relatively low gap suggests that students were already somewhat conscious of environmental issues before joining the program.

- Remedial Measures:

- Enhanced Curriculum: Integrate more advanced and practical environmental science courses and projects.

- Workshops and Seminars: Conduct workshops and seminars on current environmental issues and sustainability practices.
- Field Trips: Organize field trips to eco-friendly sites and projects to provide hands-on learning experiences.

2. Attitude towards Lifelong Learning (Gap:0.13)

- Observation: Students have shown a good attitude towards lifelong learning both before and after the program, but further enhancement is needed.
- Remedial Measures:
 - Continuous Learning Opportunities: Provide opportunities for continuous education and professional development, such as online courses and certifications.
 - Guest Lectures: Invite alumni and professionals to share their lifelong learning experiences and strategies.
 - Learning Resources: Increase access to diverse learning resources, including books, journals, and online platforms.

3. Social Responsibility (Gap: 0.18)

- Observation: There is a positive change in students' social responsibility, indicating a need for more impactful initiatives.
- Remedial Measures:
 - Community Projects: Encourage participation in community service projects and social initiatives.
 - Collaborations: Collaborate with NGOs and social organizations to provide students with real-world experiences.
 - Awareness Campaigns: Run campaigns and events that highlight social issues and the importance of social responsibility.

4. Social Interaction and Adaptability (Gap: 0.19)

- Observation: Although students have improved in social interaction and adaptability, further enhancement is necessary.
- Remedial Measures:
 - Group Activities: Incorporate more group-based activities and projects in the curriculum.
 - Cultural Programs: Organize cultural exchange programs and social events to foster interaction.

- Counseling and Workshops: Provide workshops on social skills and adaptability techniques.

5. Moral and Ethics (Gap: 0.19)

- Observation: Students have shown improvement in moral and ethical behavior, but the gap indicates room for further development.

- Remedial Measures:

- Ethics Courses: Introduce or enhance courses focused on ethics and moral reasoning.

- Ethical Workshops: Conduct workshops on ethical decision-making and integrity in various professional contexts.

- Mentorship Programs: Implement mentorship programs where students can learn from role models with strong ethical standards.

Conclusion:

The survey results demonstrate the overall effectiveness of the programs offered by MES Asmabi College in enhancing students' skills. The targeted remedial measures aim to further improve areas with relatively low gaps in mean differences, ensuring comprehensive development of all skill areas for students.

PROGRAMME REPORT: WEBINAR ON NAAC ACCREDITATION THROUGH EFFECTIVE DOCUMENTATION

Event Details

Title: NAAC Accreditation Through Effective Documentation

Date: Thursday, 28 September 2023

Time: 7:00 PM

Mode: Webinar

Organized by: PG Department of Commerce & IOAC, Cooperative Arts and Science College, Madayi (Govt. Aided, UGC Recognized, and Affiliated to Kannur University)

In Collaboration with: IQAC & Research Department of Commerce, MES Asmabi College, P Vemballur, Kodungallur, Thrissur

Resource Person

Speaker: Dr. Shafeer P S, Assistant Professor & IQAC Coordinator, MES Asmabi College

Organisers

- Dr. Biju A, Principal, MES Asmabi College
- Smt. E. S. Latha, Principal, Cooperative Arts and Science College, Madayi
- Mr. Johny M V, IQAC Coordinator, Cooperative Arts and Science College, Madayi
- Smt. Rajitha N K, Convener, Cooperative Arts and Science College, Madayi

Programme Outline

Introduction

The webinar titled "NAAC Accreditation Through Effective Documentation" was organized to provide comprehensive guidance on the documentation processes crucial for achieving and maintaining NAAC accreditation. The event was a joint effort between the PG Department of Commerce & IOAC of Cooperative Arts and Science College, Madayi, and the IQAC & Research Department of Commerce of MES Asmabi College.

Welcome Address

The session commenced with a welcome address by Smt. Rajitha N K, Convener of the event. She highlighted the importance of NAAC accreditation for educational institutions and the role of effective documentation in the accreditation process.

Inaugural Remarks

- Dr. Biju A, Principal of MES Asmabi College, delivered the inaugural remarks. He emphasized the significance of quality assurance in higher education and the critical role that NAAC accreditation plays in ensuring institutional excellence.
- Smt. E. S. Latha, Principal of Cooperative Arts and Science College, Madayi, also addressed the participants, underscoring the collaborative efforts between the institutions to enhance quality standards.

Keynote Session by Dr. Shafeer P S

Dr. Shafeer P S conducted an in-depth session on the following key topics:

1. Understanding NAAC Accreditation:

- Overview of the National Assessment and Accreditation Council (NAAC) and its objectives.
- Importance of NAAC accreditation for higher education institutions.

2. Effective Documentation for NAAC:

- Key elements of effective documentation required for NAAC accreditation.
- Step-by-step guidance on preparing Self-Study Reports (SSR).
- Techniques for collecting and organizing institutional data.

3. Quality Assurance Practices:

- Best practices for maintaining continuous quality improvement.
- Role of Internal Quality Assurance Cells (IQAC) in the accreditation process.

4. Case Studies and Examples:

- Real-life examples of institutions that have successfully achieved NAAC accreditation.
- Discussion on the challenges faced and strategies employed to overcome them.

Interactive Q&A Session

The webinar included an interactive Q&A session where participants could ask questions and seek clarification on various aspects of the documentation and accreditation process. Dr. Shafeer P S provided detailed responses and practical solutions to the queries raised by the participants.

Vote of Thanks

Mr. Johny M V, IQAC Coordinator of Cooperative Arts and Science College, Madayi, delivered the vote of thanks. He expressed gratitude to Dr. Shafeer P S for his valuable insights and to all the special guests and participants for their active engagement. He also acknowledged the efforts of the organizing teams from both colleges in making the event a success.

Conclusion

The webinar on "NAAC Accreditation Through Effective Documentation" was a highly informative and beneficial session that provided participants with essential knowledge and practical guidance on the NAAC accreditation process. The collaborative effort between the institutions and the expert insights from Dr. Shafeer P S ensured that the session was both engaging and educational.

Platform: Google Meet

Organized by: IQAC, MES Asmabi College in collaboration with Government Law College, Ernakulam

Host Institution

MES Asmabi College

P Vemballur, Thrissur, Kerala

Website: [www.mesasmabicollege.edu.in](<http://www.mesasmabicollege.edu.in>)

Resource Persons

- Dr. Shafeer PS

Coordinator, IQAC, MES Asmabi College

- Binu Poornamodan Cholayil

Associate Professor in Law, Government Law College, Ernakulam

Collaborative Quality Initiative (CQI)

The webinar on "IPR & Modern Business" was organized as part of a Collaborative Quality Initiative (CQI) between IQAC, MES Asmabi College, and Government Law College, Ernakulam.

Programme Outline

Welcome Address

The webinar began with a welcome address by Prof. A Biju, Principal of MES Asmabi College. He introduced the theme and importance of intellectual property rights (IPR) in contemporary business practices.

Session 1: Understanding IPR

Speaker: Binu Poornamodan Cholayil

Key Topics Covered:

- Introduction to Intellectual Property Rights (IPR)
- Types of IPR: Patents, trademarks, copyrights, and trade secrets
- Importance of IPR in business innovation and protection

Session 2: IPR Strategies in Modern Business

Speaker: Binu Poornamodan Cholayil

Key Topics Covered:

- Strategic approaches to managing and leveraging IPR
- Case studies of successful IPR implementation in businesses
- Challenges and legal considerations in IPR enforcement

Interactive Q&A Session

Participants engaged in a lively Q&A session where they posed questions and discussed practical aspects of IPR with the speaker, Binu Poornamodan Cholayil. The session provided clarity on complex legal issues related to IPR.

Closing Remarks

Dr. Shafeer PS concluded the webinar with a summary of the key insights shared by the speaker and emphasized the importance of integrating IPR strategies into business planning for sustainable growth and innovation.

Participant Feedback

Participants expressed satisfaction with the depth of information presented and appreciated the practical relevance of the webinar's content to their professional interests. The collaborative effort between MES Asmabi College and Government Law College, Ernakulam, was acknowledged for its enriching impact on participants.

Conclusion

The webinar on "IPR & Modern Business" facilitated meaningful discussions on intellectual property rights and their pivotal role in shaping modern business practices. The event underscored the commitment of MES Asmabi College and Government Law College,

Ernakulam, to foster knowledge-sharing and professional development through collaborative initiatives.

Collaborative Quality Initiative (CQI)

The session on "Student-Centric Pedagogical Approaches in Higher Education" was organized as part of a Collaborative Quality Initiative (CQI) between IQAC, MES Asmabi College, and Government College of Teacher Education, Thiruvananthapuram.

Programme Overview

Welcome Address

The session commenced with a welcome address by Prof. A. Biju, Principal of MES Asmabi College. He highlighted the importance of student-centric pedagogical approaches in fostering effective learning environments.

Session Topics

Speaker: Dr. Issac Paul

Experiential Learning Methods

- Introduction to experiential learning principles
- Implementing experiential learning in higher education
- Case studies and examples of successful experiential learning initiatives

Participative Learning Methods

- Understanding participative learning methodologies
- Strategies for promoting active participation among students
- Benefits and challenges of participative learning in diverse classroom settings

Problem Solving Methodologies

- Overview of problem-solving approaches in education
- Integrating problem-solving tasks into the curriculum
- Enhancing critical thinking and analytical skills through problem-solving activities

Other Innovative Teaching Methods

- Exploration of innovative teaching techniques
- Examples of technology-enhanced learning tools
- Adaptation of teaching methods to meet the needs of digital learners

Interactive Discussion

Participants engaged in a lively discussion with Dr. Issac Paul, sharing insights and perspectives on the practical application of student-centric pedagogical approaches in their teaching practices.

Closing Remarks

Dr. Shafeer P. S, Coordinator of IQAC, MES Asmabi College, concluded the session with a summary of key takeaways. He encouraged participants to implement the learned strategies to enhance student engagement and learning outcomes.

Participant Feedback

Participants appreciated the comprehensive coverage of pedagogical approaches and found the session highly informative and relevant to their teaching roles. They expressed gratitude for the collaborative effort between MES Asmabi College and Government College of Teacher Education, Thiruvananthapuram.

Conclusion

The session on student-centric pedagogical approaches in higher education facilitated meaningful discussions and knowledge-sharing among educators. It underscored the commitment of MES Asmabi College and its partners to advancing teaching excellence through innovative educational practices.

Brochure of the Programme

The brochure is a vertical rectangular poster with a white background and blue accents. At the top left is the MES Asmabi College logo, a crest with a book and a lamp. To its right, the college name 'MES ASMABI COLLEGE' is written in bold blue letters, followed by its affiliation details: 'GOVT.AIDED, UGC RECOGNISED & AFFILIATED TO UNIVERSITY OF CALICUT P.VEMBALLUR, PO. KODUNGALLUR, THRISSUR DT, KERALA 680 671'. The main title 'STUDENT CENTRIC PEDAGOGICAL APPROACHES IN HIGHER EDUCATION' is in large, bold blue font. Below it, a calendar icon indicates the date '7 FEBRUARY 2024', and a clock icon shows the time '7.00 PM TO 8.30 PM - GMEET'. A list of topics to be covered includes 'EXPERIENTIAL LEARNING METHODS', 'PARTICIPATIVE LEARNING METHODS', 'PROBLEM SOLVING METHODOLOGIES', and 'OTHER INNOVATIVE TEACHING METHODS'. A photograph of Dr. Issac Paul, a man with glasses and a mustache in a red and blue checkered shirt, speaking into a microphone, is on the right side. Below the photo, his name and title are listed: 'DR. ISSAC PAUL, ASSISTANT PROFESSOR IN EDUCATION, HOD COMMERCE DEPARTMENT, GOVERNMENT COLLEGE OF TEACHER EDUCATION, THYCAUD, THIRUVANANTHAPURAM'. At the bottom, it states 'A COLLABORATIVE QUALITY INITIATIVE (CQI)' and 'ORGANISED BY IQAC, MES ASMABI COLLEGE AND GOVT. COLLEGE OF TEACHER EDUCATION, THIRUVANANTHAPURAM'. Two white rounded rectangles at the bottom contain contact information: 'DR. SHAFEER .P. S, COORDINATOR, IQAC, MOB: 9847250464' and 'PROF. A. BIJU (PRINCIPAL)'.

PROGRAMME REPORT: STATE LEVEL SEMINAR ON REVISED FRAMEWORK OF NAAC ACCREDITATION

Event Details

Title: State Level Seminar on Revised Framework of NAAC Accreditation

Date: 13th October 2023

Time: 10:00 AM - 03:00 PM

Venue: Seminar Hall, Mount Seena College of Arts & Science

Organized by: Mount Seena Arts and Science College, Akalad, Palakkad

(Affiliated to University of Calicut)

Collaborator

- Kerala State Higher Education Council

Government of Kerala, Thiruvananthapuram

Resource Person

Dr. Shafeer P S

Assistant Professor & IQAC Coordinator, MES Asmabi College, P Vemballur, Thrissur

Programme Overview

Inaugural Session

The seminar on the revised framework of NAAC accreditation commenced with the inaugural session, presided over by ****Dr. Sharfras Navas****, Principal of Mount Seena College. The session included welcome remarks and an overview of the seminar objectives.

Keynote Address

Dr. Shafeer P S delivered the keynote address, providing insights into the revised framework of NAAC accreditation. He highlighted the changes, criteria, and methodologies introduced in the new framework to enhance the quality and assessment standards in higher education institutions.

Sessions and Discussions

Session 1: Understanding the Revised Criteria

- Detailed explanation of the revised criteria and parameters for NAAC accreditation.
- Discussion on the implications for institutions and strategies to meet the new standards.

Session 2: Implementation Strategies

- Strategies for effective implementation of NAAC guidelines in institutional practices.
- Case studies and best practices from accredited institutions.

Panel Discussion

A panel comprising experts from academia and NAAC assessors discussed challenges, opportunities, and practical insights related to the implementation of the revised NAAC framework. Participants engaged in a fruitful exchange of ideas and experiences.

Interactive Q&A

Participants actively participated in a Q&A session, seeking clarifications on specific aspects of the revised NAAC framework from the resource person and panelists.

Closing Remarks

****Fazil M A****, Vice Principal of Mount Seena College, delivered the closing remarks, summarizing the key takeaways and expressing gratitude to the organizers, collaborators, resource person, and participants for their contributions to the seminar's success.

Participant Feedback

Participants appreciated the comprehensive coverage of the revised NAAC framework and found the seminar highly informative and beneficial for enhancing their understanding of accreditation processes. They acknowledged the relevance of the discussions in preparing institutions for upcoming NAAC assessments.

Conclusion

The State Level Seminar on the Revised Framework of NAAC Accreditation provided a platform for stakeholders in higher education to gain insights into the latest accreditation standards and fostered discussions on effective strategies for institutional improvement. The

collaborative effort between Mount Seena College, Baithu Shariga Al-Khairi Trust, Kerala State Higher Education Council, and Government of Kerala contributed to the seminar's success in promoting quality enhancement initiatives.

Title: Workshop on Data Analytics in Legal Research

Date: 22nd April

Time: 10:30 AM - 12:30 PM

Venue: Mini Seminar Hall, Government Law College, Ernakulam

Organizers

- IQAC, Government Law College, Ernakulam

- IQAC, MES Asmabi College, Kodungallur

Resource Person

Dr. Shafeer PS

Assistant Professor, MES Asmabi College, Kodungallur

Collaborative Quality Initiative (CQI)

The workshop on Data Analytics in Legal Research was organized as a Collaborative Quality Initiative (CQI) between IQAC, Government Law College, Ernakulam, and IQAC, MES Asmabi College, Kodungallur.

Programme Overview

Inaugural Session

The workshop commenced with an inaugural session featuring welcome remarks by the organizers. The importance of data analytics in legal research and its relevance in contemporary legal practices was highlighted.

Keynote Address

Dr. Shafeer PS delivered the keynote address, focusing on the application of data analytics techniques in legal research. He discussed various methodologies, tools, and their implications for legal practitioners and researchers.

Workshop Sessions

Introduction to Data Analytics in Legal Research

- Overview of data analytics concepts and their adaptation to legal studies.
- Exploring different types of data used in legal research and their sources.

Practical Applications and Case Studies

- Demonstration of data analytics tools commonly used in legal research.
- Case studies showcasing successful applications of data analytics in legal contexts.

Interactive Session

Participants engaged in an interactive session where they discussed challenges and opportunities in integrating data analytics into legal research. They also explored potential research areas where data analytics could provide valuable insights.

Q&A and Discussion

The workshop concluded with a Q&A session, allowing participants to seek clarifications and share their perspectives on the workshop topics. Discussions focused on practical strategies for implementing data analytics techniques in legal research projects.

Participant Feedback

Participants appreciated the comprehensive coverage of data analytics in legal research and found the workshop beneficial for enhancing their research skills. They valued the practical insights shared by Dr. Shafeer PS and the interactive nature of the sessions.

Conclusion

The Workshop on Data Analytics in Legal Research facilitated meaningful discussions and knowledge-sharing among legal practitioners, researchers, and educators. It underscored the commitment of Government Law College, Ernakulam, and MES Asmabi College, Kodungallur, to promoting research excellence through collaborative initiatives.

SEMINAR REPORT: PREPARATION FOR NAAC ACCREDITATION

Event Details

Title: Seminar on Preparation for NAAC Accreditation

Dates: 19th & 20th April 2024

Time: 9:30 AM - 4:30 PM

Venue: Seminar Hall, Cooperative Arts and Science College, Madayi

Organizers

- IQAC, Cooperative Arts and Science College, Madayi

- IQAC, MES Asmabi College, P Vemballur

Resource Person

Dr. Shafeer PS

IQAC Coordinator, MES Asmabi College, P Vemballur

Collaborative Quality Initiative (CQI)

The seminar on Preparation for NAAC Accreditation was organized as a Collaborative Quality Initiative (CQI) between Cooperative Arts and Science College, Madayi, and MES Asmabi College, P Vemballur.

Programme Overview

Inaugural Session

The seminar commenced with an inaugural session featuring welcome remarks by ****Sri Johny****, Principal of Cooperative Arts and Science College, Madayi. He emphasized the significance of NAAC accreditation in enhancing institutional quality and performance.

Keynote Address

Dr. Shafeer PS delivered the keynote address, focusing on the preparation strategies for NAAC accreditation. He provided an overview of the accreditation process, criteria, and best practices for successful accreditation.

Seminar Sessions

Understanding NAAC Criteria

- Detailed explanation of the NAAC accreditation criteria and parameters.
- Strategies for aligning institutional practices with NAAC standards.

Documentation and Data Management

- Importance of effective documentation in the accreditation process.
- Best practices for maintaining quality assurance records and evidence.

Quality Improvement Initiatives

- Implementation of quality improvement initiatives based on NAAC feedback.
- Case studies of institutions achieving higher accreditation grades.

Interactive Workshops

Participants engaged in interactive workshops focused on:

- Drafting self-study reports and quality improvement plans.
- Using data analytics for evidence-based accreditation preparations.

Panel Discussion

A panel discussion was held with stakeholders discussing challenges and strategies for achieving NAAC accreditation. Insights were shared on overcoming common pitfalls and ensuring compliance with accreditation requirements.

Closing Remarks

The seminar concluded with closing remarks from **Dr. A Biju** and **Sri Johny**, summarizing key takeaways and expressing gratitude to the participants, organizers, and resource persons for their contributions.

Participant Feedback

Participants expressed appreciation for the practical insights shared during the seminar and found the sessions highly beneficial for preparing their institutions for NAAC accreditation. They highlighted the interactive workshops and panel discussions as particularly enriching.

Conclusion

The Seminar on Preparation for NAAC Accreditation facilitated productive discussions and knowledge-sharing among educators and administrators. It underscored the commitment of Cooperative Arts and Science College, Madayi, and MES Asmabi College, P Vemballur, to continuous improvement and excellence in higher education.

BROCHURE OF THE PROGRAMME

The brochure features a dark grey background with white and light brown text. At the top, it identifies the host institutions: CO-OPERATIVE ARTS AND SCIENCE COLLEGE, MADAI. The main title is A SEMINAR ON PREPARATION FOR NAAC ACCREDITATION. Below this, it states the seminar is a collaborative quality initiative organized by IQACs of both host colleges. The date and time are 9.30 TO 4.30 on 19 & 20, APRIL 2024, held in the SEMINAR HALL. The resource person is DR. SHAFER PS, IQAC COORDINATOR, with a portrait photo of him. At the bottom, the names of the principals are listed: Dr. A Biju (Principal, MES Asmabi College) and Sri Johny (Principal, CASC).

REPORT OF
TWO-DAY NATIONAL SEMINAR ON
BIODIVERSITY & CLIMATE CHANGE- 2024
Sponsored by
KERALA STATE BIODIVERSITY BOARD (KSBB),
THIRUVANANTHAPURAM

A two-day national seminar on “**Biodiversity and Climate Change- 2024**” was successfully organized by the Research and Post-graduate Department of Botany, M.E.S. Asmabi College, P. Vemballur, sponsored by Kerala State Biodiversity Board (KSBB), Thiruvananthapuram, on 18th and 19th of January 2024. Dr. Girja T.P. (Head of the Department) welcomed the gathering to the programme in the inaugural session. The Principal, Prof. Dr. A. Biju, presided over the function. The seminar was inaugurated by Prof. Dr. Tessy Paul P. (Retd. Professor & Former HOD, Department of Botany, Christ College (Autonomous), Irinjalakuda). Her inaugural address enlightened the attendees with the theme of the seminar. Dr. K.H. Amitha Bachan, (Asst. Professor) shared an overview of the Department's initiatives for biodiversity and environmental restoration. Adv. Navas Kattakath (Secretary and correspondent, MES Asmabi College) felicitated the programme.

The inaugural function was followed by the technical session by the invited dignitaries. Four technical sessions dealt with varying aspects of the central theme of the seminar were there. The first technical session on "**Microalgal diversity of freshwater ecosystem of Kerala**" was led by Prof. Dr. Tessy Paul P., who expounded the fundamentals of phycology as well as the significance and function of microalgae in the present scenario of severe pollution which led to the climatic changes. In the second technical session, “**Bryophyte diversity with special reference to Marchantials of Western Ghats**”, Dr. Manju C. Nair (Associate Professor, Dept. of Botany, University of Calicut) made the participants enlightened on the interesting facts and importance of the bryophytes. Also, seven of the participants presented their papers from the theme “taxonomy, ecology and interactions of the lower plant groups”. Dr. Geo Joseph (Asst. Professor in Botany, Carmel College, Mala) and Dr. Prajith T. M. (Asst. Professor in Botany, Sree Krishna College, Guruvayur) chaired the session. With these two remarkable lectures and paper presentations, we concluded the first day of the seminar.

The second day started with technical session III, by Dr. Arun Kumar T. K. (Assistant Professor, Dept. of Botany, Zamorin's Guruvayurappan College) on the topic **“Fungal diversity and entangled lives”**, which took the audience to the mysterious world of fungi. The lecture was really exciting and fascinating to learn more about fungi and their importance in nature. The fourth technical session was handled by Prof. Dr. Jos T. Puthur (Professor, Dept. of Botany, University of Calicut) on the **“Modulations of photosynthesis in plants subjected to abiotic stress”**. The talk was really informative, intriguing, and well explained how plants adapt to the different abiotic pressures and climate changes that exist today. After these two incredible lectures, paper presentations were done in two parallel tracks on the themes “climate change and conservation strategies”, with six presentations and “phytochemical assessment studies and plant stress management” with eight presentations. Prof. E. J. Vincent (Retd. Associate Professor in Botany, Christ College, Irinjalakuda) and Dr. Shinoj K. (Asst. Professor in Botany, Sree Kerala Varma College, Thrissur) chaired the first theme and Dr. Dhanya Thomas T. T. (Asst. Professor in Botany, Carmel College, Mala) and Dr. Gayathri G. (Asst. Professor in Botany, Sree Krishna College, Guruvayur) chaired the second theme respectively.

There were participants including post-graduate students and research scholars from various colleges and research institutes. For students, seeing such educational talks given by experts in related fields is a great opportunity. The two-day programme has winded up with the valedictory session. Dr. Reena Mohammed P. M. (Vice Principal) presided over the function and Prof. E.J. Vincent (Retd. Associate Professor in Botany, Christ College & Former KSBB Co-ordinator, Thrissur District) delivered the valedictory address. He appreciated the program coordinator and the entire team for the great initiative and successful execution of the two-day national seminar. Dr. Sumedhan K.P. (Self-financing coordinator, MES Asmabi College) felicitated the program. The event ended with the distribution of certificates to the paper presentation winners and participants. Also, various scholarships for the students were distributed in the programme.

The good number of participants and their enthusiastic feedback nailed the success of the event and emphasized the urge to conduct further events of this kind in the future. The Research and Post-graduate Department of Botany and the Management of MES Asmabi College are grateful to the Kerala State Biodiversity Board (KSBB) Thiruvananthapuram, for the financial assistance for conducting such a wonderful event in the institution.

ABOUT

THE SEMINAR

Biodiversity is all the different kinds of life in one area which includes a variety of animals, plants, fungi, and even microorganisms like bacteria that make up our natural world. Each of these species and organisms work together in ecosystems, like an intricate web, to maintain balance and support life.

Plant biodiversity is invaluable because it balances ecosystems, protects watersheds, mitigates erosion, moderates climate, and provides shelter for animals. Since Kerala is rich in biodiversity, the conservation strategies especially of lower plant groups like algae, fungi and bryophytes is important in the context of state. The proposed two days national seminar focuses on algae, fungi and bryophyte diversity together with their conservation strategies. Moreover, the climate change and the breeding strategies for developing stress resistant crops will be discussed. Since the college is situated in coastal area, salinity is a major abiotic stress for the cultivation of crops in this area. So the stress resistance breeding strategies will be beneficial for the local community.

THE INSTITUTION

M.E.S Asmabi College, a premier educational institution managed by the Muslim Educational Society (Regd.) Calicut. Started in the year 1968 at P. Vemballur, Kodungallur, a remote coastal backward village in the SN Puram Panchayath of Thrissur District with the main objective of uplifting the educationally backward community especially Muslims of the area who had been denied of the right to education for generations. The college now caters to the needs of the students throughout Kerala and Lakshadweep, cutting across the barriers of class, caste, creed and religion. Hajee Ismail Essa Sait of Cochin initially donated the land and the building and the college was named after his mother Asmabi.

Invited lecture: Prof. Dr. Tessy Paul. P (Professor, Rtd. Christ College)

Topic: Microalgal diversity of freshwater ecosystem of Kerala.

Token of appreciation and Honour

LUNCH BREAK: 12:30 – 01:15

TECHNICAL SESSION II (Bryophyte diversity): 01:15 – 02:45

Welcome: Dr. Girija T.P (HOD, Department of Botany)

Invited lecture: Dr. Manju C. Nair (Associate Professor in Botany, University of Calicut)

Topic: Bryophyte diversity with special reference to Marchantiales of Western Ghats.

Token of appreciation and Honour

TEA BREAK: 02:45 – 03:00

PAPER PRESENTATION (Biodiversity – Lower Forms): 03:00 – 04:00

1. Bioprospecting indigenous Chlorophyceae strains with high lipid productivity for biofuel production - Aravind K Vijay
2. Pteridophytes flora of Brahmagiri Hills, Wayanad, Kerala - Baiju K. S
3. Freshwater algal diversity of Chimmony Dam, Thrissur District, Kerala - Devikrishna C. S.
4. Growth and biochemical assessment of estuarine diatom *Halamphora* sp. Kociolek in different culture media for aquaculture purposes - Lidiya V. S.
5. Analysis on the abundance of *Hyophila involuta* (Hook.) A. Jaeger in Kerala - Preethy P. R
6. Exploration of cyanobacterial strains from Kottayam District: Identifying potential candidates for phycobiliprotein production - Syama Prabha
7. Axenic cultures of *Reboulia hemisphaerica* (L.) Raddi collected from Idukki District, Kerala - Tess Babu

DAY 2- JANUARY 19, 2024 (FRIDAY)

TECHNICAL SESSION III (Fungal diversity): 09:30 – 11:00

Welcome: Smt. Naseema M. K. (Organizing Committee)

Invited lecture: Dr. Arun Kumar T.K. (Asst. Professor in Botany, Zamorin's Guruvayurappan College)

Topic: Fungal diversity and entangled lives

Token of appreciation

TEA BREAK: 11:00 – 11:15

TECHNICAL SESSION IV (Stress Physiology and Phytochemical Studies): 11:15 – 12:30

Welcome: Dr. Jisha KC (Program Coordinator)

Invited lecture: Prof. Dr. Jos T. Puthur (Professor in Botany, University of Calicut)

Topic: Modulations of photosynthesis in plants subjected to abiotic stress.

Token of appreciation and Honour

LUNCH BREAK: 12:30 – 01:15

PAPER PRESENTATION

Conservation and Climate Change - 01:15 – 02:00pm

1. Vegetation composition of the Great Hornbill nesting habitat in the Southern Western Ghats: conservation implications - Anitha K. T

2. Carbon neutral farming: Agroforestry Perspectives - Ankita Bhardwaj
3. Role of fungal interaction and climate change in germination and niche-specific ecorestoration of critically endangered *Diospyros crumenata* Thwaites - Devika M. Anilkumar
4. Bioclimatic zones and riparian vegetation distribution in the Pambar basin within the Anamalai landscape, Western Ghats - Pooja Suresh
5. The kelp forest: Importance, threats, and restoration – Susmita
6. Ethnobotanical indices and their application to the utilization of medicinal plants by the Paniya tribe of Edavaka grama panchayath, Wayanad, Kerala – Ashli P.

Stress Physiology and Phytochemical studies - 02:00 – 03:00pm

1. Microscopic Characterisation of some commonly available *Vitex* sp. of Kerala - Afitha T.H
2. Effect of hydro-priming on germination, growth and performance of *Curcuma longa* L. - Athira T. R
3. Phytochemical profiling and GC-MS/MS analysis of acetone extract of *Ricinus communis* L. - Bhavyasree P. S.
4. In-silico screening of bioactive compounds from *Memecylon randerianum* S. M. Almeida & M. R. Almeida - Lakshmi M. V.
5. Phytochemical screening and quantitative analysis in the leaves of *Reinwardtiadendron anamalaiense* (Bedd.) Mabb. (Meliaceae) - Mohammed Areej
6. Phytochemical Profiling of *Acrostichum aureum* using GC-MS Analysis - RAGA R
7. Quantitative analysis, GC-MS, and anti-inflammatory activity of *Rauvolfia densiflora* (Wall.) Benth. ex Hook. f. (Snakeroot) - Sabin P. Q
8. Effects of chemical priming on the growth and stress mitigation in ginger (*Zingiber officinale* Rosc.) - Sumitha Thomas

VALEDICTORY FUNCTION: 03:00 – 03:30

Welcome: Dr. Jisha K.C. (Coordinator)

Presidential address: Dr. Reena Mohammed PM (Vice Principal)

Valedictory address: Prof. E.J. Vincent, (Associate Prof. (Retd), Dept. of Botany, Christ College & KSBB Former Coordinator, Thrissur District).

Felicitation: Dr. Sumedhan K.P., (Self-financing Director, MES Asmabi College)

Honoring of achievers

Vote of Thanks: Sumitha Thomas (Student Coordinator)

TWO-DAY NATIONAL SEMINAR ON BIODIVERSITY AND CLIMATE CHANGE- 2024

FIRST DAY (18/01/2024)

INAUGURATION

FIRST TECHNICAL SESSION

SECOND TECHNICAL SESSION

SECOND DAY (19/01/2024)
THIRD TECHNICAL SESSION

FOURTH TECHNICAL SESSION

PAPER PRESENTATIONS

VALEDICTORY FUNCTION

BEST PAPER AWARDS - MOMENTS

PARTICIPATION CERTIFICATE DISTRIBUTION (REPRESENTATION)

Divulging the truth through Re-presentation

Current Literary Trends

- "Literature is not only a mirror; it is a map, a geography of the real." - Margaret Atwood
- It has evolved along with the evolving historical and its varying dimensions.
- On the verge of exploring the underrepresented narrative and expressing the unrepresented truth, writers cross the boundaries of genre, form and structure.
- Indigenous literary values to draw power in this aspect, while divulging the truth through re-presentation.

- Used the film hero books, which were more and glorify the male. (Commons African Novel)
- History literature of representation and re-presentation.
- Influence of oral tradition.
- To establish cultural hegemony.
- To present native communities been extinction.

3:04 PM | National Seminar on Recent Trends in ...

The seminar was concluded with the valedictory session at 3.30 pm in the college Seminar hall. In the two-day seminar, 92 papers were presented by teachers, research scholars and post-graduate students of various colleges and universities. The seminar turned out to be a success which was evident from the feedback received from the participants. The College is looking forward to conduct more programmes with the academic collaboration of Kerala State Higher Education Council.

REPORT ON "SET UP YOUR CAREER GOALS"

Introduction:

The Department of Computer Application at MES Asmabi College, P. Vemballur, in association with the University Employment Information & Guidance Bureau, Mannuthy, and under the aegis of the Government of Kerala's National Employment Service, organized a career class event titled "Set Up Your Career Goals." The event aimed to guide students in defining and achieving their career objectives.

Programme Details:

- Date: 26th July, 2024
- Time: 2:00 PM
- Venue: Auditorium, MES Asmabi College

Inauguration:

The event was inaugurated by Sri. Rajeevkumar V K, Deputy Chief, UEIGB Mannuthy. His presence underscored the significance of the event and provided students with insights into the support available from government services in setting up and achieving career goals.

Keynote Speaker:

The career class was led by Jomy P L, a well-known career specialist. His session provided students with valuable strategies and practical advice on setting realistic career goals, understanding the job market, and preparing effectively for future career opportunities.

Objective:

The primary objective of the event was to equip students with the knowledge and skills needed to set clear and achievable career goals. The session covered various aspects of career planning, including self-assessment, exploring career options, setting SMART goals (Specific, Measurable, Achievable, Relevant, Time-bound), and developing action plans.

Highlights:

- Insightful inaugural address by Sri. Rajeevkumar V K.

- Engaging and informative session by career specialist Jomy P L.
- Interactive discussions and Q&A sessions where students could seek personalized advice.
- Distribution of career planning materials and resources.

Organizers:

The event was organized by the Department of Computer Application at MES Asmabi College in association with University Employment Information & Guidance Bureau, Mannuthy, The key organizers included:

- Principal: Prof. Dr. A Biju
- Head of Department (HOD): Jabin T H
- Coordinator: Anu S

Conclusion:

The "Set Up Your Career Goals" event was a resounding success, providing students with essential guidance and motivation to plan their careers effectively. The collaboration between MES Asmabi College and the University Employment Information & Guidance Bureau, Mannuthy, highlighted the importance of institutional support in student career development. The active participation of students and the expertise of the speakers ensured that the event met its objectives and left a lasting impact on all.

REPORT OF WORKSHOP ON DIGITAL MARKETING

Organized by

DEPARTMENT OF COMPUTER APPLICATION

Date: February 21, 2024

Venue: Auditorium, MES Asmabi College, P Vemballur

Organized by: Department of Computer Application, MES Asmabi College

In Association with: Zoople Technologies, Kochi

On February 21, 2024, the Department of Computer Application at MES Asmabi College, P Vemballur, organized an insightful workshop on Digital Marketing, focusing on the latest trends and technologies in UI/UX. The event, named "Zyfer IT Workshop," was held in association with Zoople Technologies, Kochi.

The workshop commenced at 9:30 AM and concluded at 11:30 AM in the college auditorium. The inaugural session was graced by the presence of Prof. (Dr.) A Biju, Principal of MES Asmabi College, who formally inaugurated the workshop. Dr. Biju, in his inaugural address, emphasized the importance of digital marketing skills in today's technology-driven world and encouraged students to leverage such opportunities for their professional growth.

The resource person for the workshop was Sri. Rohith Devadas, Senior Digital Marketing Executive from Zoople Technologies, Kochi. With his extensive knowledge and experience in the field, Mr. Rohith provided valuable insights into the world of digital marketing. His session covered various aspects of digital marketing, including:

The fundamentals of digital marketing

The role of UI/UX in enhancing digital marketing strategies

Latest trends and tools in the digital marketing landscape
Practical applications and case studies

Mr. Rohith's engaging presentation and interactive approach kept the participants captivated throughout the session. He also conducted a Q&A segment, where students had the opportunity to clarify their doubts and gain deeper understanding of the subject.

The workshop was well-received by the students and faculty members alike. It provided an excellent platform for participants to acquire practical knowledge and skills relevant to the digital marketing industry.

Key Highlights:

Inaugural address by Dr. A Biju, Principal of MES Asmabi College
Interactive session on digital marketing by Sri. Rohith Devadas
Focus on the integration of UI/UX in digital marketing strategies
Real-world case studies and practical applications

The event concluded with a vote of thanks by Jabin TH, Head of the Department of Computer Application, expressing gratitude to the resource person, participants, and organizers for making the workshop a resounding success.

The "Zyfer IT Workshop" on Digital Marketing has undoubtedly enriched the participants' knowledge and equipped them with essential skills to navigate the evolving digital landscape.

The Outcome:

- Increased awareness and interest in technology among students
- Enhanced skills and knowledge gained through workshop
- Strengthened connections and networking opportunities with industry professionals
- Fostering of creativity and innovation through problem-solving challenges
- Formation of new ideas and collaborations among participants
- Positive feedback and satisfaction from attendees and participants
- Promotion of a culture of learning and exploration in the field of technology
- Inspiration for future initiatives and events promoting technological advancement

REPORT ON

‘SMAART’

3 DAY WORKSHOP ON IOT

*Conducted in collaboration with
Grapesgenix Technical Solution.Pvt.Ltd
Institution’s Innovation Council (IIC)
,Incubation Cell&IEDC*

PROGRAMME HIGHLIGHTS:

Date and venue : 21st,22nd&23rd November 2023,Computer Lab.
Resource Persons :Sri.Gopikrishnan.PG(Senior developer)
:Smt.Aparna.PK(Senior IOT developer)
:Smt.Amrutha P A(Senior developer)
Grapesgenix Technical Solution.Pvt.Ltd
Programme Co-ordinator :Nasiya PM (Assiatant Professor,Department of
Computer Application)

Number of students participated: 48

Time: 09.30 AM to 03.30 PM

Teacher participation: 5

Activities: Workshop on IOT

Background:

The session was organised as a part of Department activities for the current academic year. Department of Computer Application opted to organise SMAART ,A workshop on IOT in association with IIC, Incubation cell and IEDC and Collaboration with Grapesgenix Technical Solution.Pvt.Ltd ,Thrissur.as these Four bodies are the inseparable committees who can guide and lead such programmes..

Objectives:

- To discuss about IOT.
- To discuss the purpose of using IOT.

- To understand the future of IOT.
- To learn about the working of IOT

Proceedings:

Introductory session (Day 1):

Application students. Smt. Jabin TH, Head of the Department of Computer Application welcomed the gathering. Dr. Reena Muhamed, Vice Principal delivered a brief presidential speech on the workshop on IOT. Inauguration was done. The session began with a prayer by Ms. Nandhana of I yr. Department of Computer by chief guest Sri Sri. Gopikrishnan P G (Senior developer, Grapesgenicx Technical Solution. Pvt. Ltd). Felicitation talk by Dr. KP Sumedhan, Self-financing Director. Smt. Nasiya PM, Programme Coordinator, Assistant Professor, Department of Computer Application offered vote of thanks. Session by resource persons: Introduction to IOT and IOT projects, Importance, Things, Hardware, Software, Sensors, Installation of Arduino IDE, Arduino IDE and libraries, Introduction to user interfaces (softwares) for IOT Products, Thingspeak, Blynk, Xampp, Introduction to html, Lifecycle

Day 2:

Familiarization of electronic components for hardware making like soldering machines, PCB boards, forex sheets, led etc., Handling Microcontrollers, Application of IOT in real life, Arduino, Pin familiarization, NodeMCU-ESP8266, Block Diagram making, ESP32, Familiarization of Raspberry Pi board, Pi camera, Imager familiarization and installation steps, Applications of different microcontrollers, Handling Arduino IDE, Functions in Arduino, setup(), Loop(), Hello world program, Basic arithmetics, Applying different functions, Input, output devices, Basic circuit making, Blinking LED in different patterns, Playing with buzzer, Use of Delays, Familiarization of electronic components for, Breadboards, Different jumpers, cables, Batteries, boosters and charging circuits, Difference between making of demo and final product, Basic programs.

Day 3:

MQ sensors - MQ2, MQ3, MQ5, MQ6, MQ135 etc, Water level measurement using sensors, Rainwater monitoring, Soil moisturizer testing for agricultural field, Gas leakage measurement, Different temperature sensors familiarization, Pressure sensor familiarization, Servomotor familiarization, Interfacing different sensors to board, Touch sensors, Ir sensor for accident detection, Sending data to cloud using

NodeMCU,Interfacing IOT with HTML Pages,Playing sensor data onweb,Refresh data,Handling relays,Live implementation of plant monitoring and monitoring,Live projects.

Outcome:

- The participants got an idea about the internet of things
- Application of Internet of Things
- Arduino programming skills and ability to make live projects.

Linkage Programme

Webinar on Film Studies

As part of linkage between MES Asmabi College and Ansar Women's College, Perumpilavu a webinar on 'Film Studies' was organized on 18th July 2023 at 7 pm through the online platform Google Meet. Students and faculties of both the colleges interacted between each other about academic matters. At 7.30 pm Dr Sunny Joseph, renowned film critic joined the webinar and he delivered a talk on 'Film Studies'.

After the introduction, Dr Sunny Joseph, cited examples and made use of graphs, to talk about the various nuances of cinematography, tone, lines and light. Elaborating on lines and light, he articulated on the relationship of lines and emotional responses. In the course of his lecture, Dr Sunny Joseph foregrounded the importance of events and visuals in storytelling. He indexed 8 principal yardsticks to capture a flawless still image. He underlined the significance of learning from masters to "search for our knowledge". An interaction session was there after the talk. The webinar ended with a vote of thanks by Ms Asna T A, II MA English.
