

## REPORT ON III WORKSHOP CONDUCTED BY RESEARCH COUNCIL AND LIBRARAY

Third workshop in this series, Research data analysis - SPSS was conducted on 29<sup>th</sup> November 2022 at 1.30 pm. Dr. Nisar M.P., Assistant Professor, Department of Economics, M.E.S Asmabi College, was the resource person. Welcome speech was given by Dr. Amithabachan K.H., Member of Research promotion cell and Assistant Professor, Department of English. There were 48 registered participants including teachers and research scholars for the program. The attendance sheets were signed by those who turned up for the session. This was a hands-on training session. All participants had come prepared by installing SPSS software in their laptops. How to install was already taught in a preliminary session by the resource person.

Dr. Nisar M.P. gave the initial instruction on how to install the software. Later, he gave a brief history of the data analysis methods and the need for it. Later simple problems were introduced and practically worked out in class. The problem solving was made visible to whole class with the help of over-head projector. Participants were given ample time to try this out. They could discuss among themselves and clear the doubts. This was well supervised by the resource person. This was backed by a question & answer session followed by official vote of thanks by Dr.Dhanya P.R, Co-ordinator of the Research promotion cell.

The participants demanded for more such programs in their feedback. They requested one more session in SPSS by Dr. Nisar M.P. This will be further discussed by the cell members and implemented with the consent of Dr. A.Biju, Principal, M.E.S Asmabi College.
