

### **SC/ ST Cell Annual Report 2022-23**

The first event, the **meeting organized by the cell**, on 21st October 2022 at the seminar hall from 2.30 pm to 3.30 pm, was a great platform for the students to voice their concerns and needs. The cell members actively listened to the students and assured them of addressing their issues. The meeting was aimed at identifying the needs of the students, planning the inauguration of the activities of the cell, and electing the representatives for the cell. The following is a report on the meeting.

The meeting began with the introduction of the members of the SC/ST Cell, who welcomed the students and explained the purpose of the meeting. The students were then given an opportunity to share their needs and concerns related to academics, infrastructure, and other areas of student life. The SC/ST Cell members took note of the issues raised by the students and assured them that they would work towards addressing them.

The next agenda of the meeting was planning the inauguration of the activities of the cell. The SC/ST Cell members presented their ideas for various activities such as guest lectures, workshops, and cultural events, which would benefit the SC/ST students. The students were also encouraged to provide suggestions and ideas for the activities. The members of the SC/ST Cell then discussed the feasibility and practicality of the proposed activities and decided on a plan of action for the inauguration of the activities of the cell.

The final agenda of the meeting was the election of representatives for the cell. The SC/ST Cell members explained the roles and responsibilities of the representatives and invited nominations from the students. The students were then given an opportunity to speak about their qualifications and reasons for seeking representation in the cell. After a democratic voting process, the representatives for the cell were elected.

The meeting concluded with a vote of thanks delivered by the SC/ST Cell coordinator. Overall, the meeting was a success, and it served as a platform for the SC/ST students to voice their concerns and ideas. The meeting also facilitated the planning and inauguration of activities that would benefit the SC/ST students, and the election of representatives would ensure that their voices were heard and their needs were addressed.

The second event, on **27th February 2023**, the SC/ST Cell of MES Asmabi College, P Vemballur organized a programme to honor Dr. Gouthami V, who recently obtained her PhD from the University of Calicut. The programme was also an opportunity for Dr. Gouthami to share her life experiences with the SC/ST students of the college. The following is a report on the programme.

The programme began with a prayer, after which Shiney C N delivered the welcome speech. Dr. A Biju, the principal of the college, gave the presidential address, in which he highlighted the importance of education and encouraged the SC/ST students to strive for academic excellence.

The SC/ST Cell also felicitated Dr. Gouthami V, with Dr. Shafeer P S, Dr. Sumedhan K P, Dr. Ramisha K C, and Sugaina Sulaiman M S presenting the felicitation speeches. Dr. Gouthami was praised for her hard work, dedication, and perseverance in achieving her academic goals despite facing various challenges.

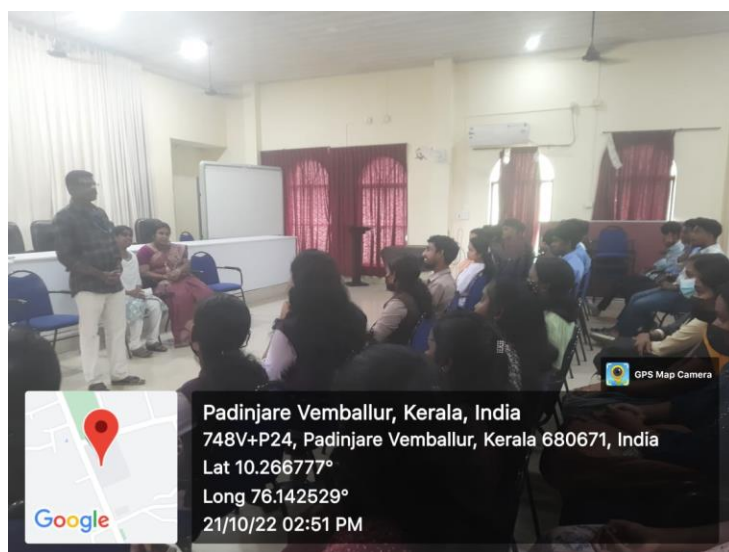

In addition to honoring Dr. Gouthami, the SC/ST Cell also recognized Dr. Ramisha K C, a member of the cell, who had recently obtained her PhD from MG University, Kottayam. Dr. Ramisha was appreciated for her contribution to the field of education and her commitment to empowering SC/ST students.

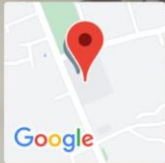

Dr. Gouthami V then shared her life experiences with the SC/ST students of the college. She spoke about the obstacles she faced on her journey towards obtaining a PhD and how she overcame them with determination and hard work. She also emphasized the importance of education in creating a better future for oneself and the community.

The programme concluded with a vote of thanks delivered by the SC/ST Cell coordinator. Overall, the programme was a great success, and it served as an inspiration for SC/ST students to pursue their academic goals with passion and dedication.

Overall, it is heartening to see the efforts taken by the SC/ST Cell of MES Asmabi College, P Vemballur to support and empower the SC/ST students in the college. Such initiatives play a crucial role in creating an inclusive and equitable educational environment.
