

Annual Report - Swachh Bharath 2019-20

On August 2, 2019, III BA English students in Kadappuaram Ward, Anchangadi, Sree Narayanapuram Panchayath engaged in monsoon relief work. They filled sandbags to fortify against encroaching waves, protecting vulnerable areas. Their proactive efforts exemplified community support during challenging weather conditions. By reinforcing coastal defenses, they aimed to mitigate potential damage and ensure the safety of residents. This initiative showcased their dedication to aiding the community and fostering resilience in the face of natural calamities. Through their actions, the III BA English students demonstrated a commitment to proactive disaster preparedness and community welfare.
