Introduction:

On 12th December 2023, MES Asmabi College hosted a career guidance session titled “How NSDC Helps to Build Your Accounting Career,” conducted by Finishing School India. The session was organized by the college's Career Guidance Cell, coordinated by Ms. Mona V M. The primary aim of the session was to enlighten students about the opportunities and pathways available in the field of accounting, specifically through the support of the National Skill Development Corporation (NSDC).

Brochure

Session Details:

The session commenced with a warm welcome by Ms. Mona V M, who introduced the resource person, Mr. Sreejith P R. He provided an overview of the National Skill Development Corporation (NSDC), explaining its role in promoting skill development across various sectors, including accounting. He emphasized the importance of acquiring practical skills alongside academic knowledge to enhance employability. Various career opportunities in the field of accounting were discussed, including roles such as accountants, auditors, financial analysts, and tax consultants. The session highlighted the growing demand for skilled accountants in various industries.

Circular

Mr. Sreejith elaborated on how NSDC supports aspiring accountants through its various programs and initiatives. Information was provided on certification courses, training programs, and internships facilitated by NSDC that are designed to equip students with industry-relevant skills. Details about specific skill development programs relevant to accounting were shared. These programs aim to bridge the gap between theoretical knowledge and practical application. Mr. Sreejith mentioned partnerships between NSDC and leading financial institutions to provide students with hands-on experience. The session included an interactive segment where students actively participated by asking questions related to career prospects, the application process for NSDC programmes, and the benefits of certification courses. Mr. Sreejith shared success stories of individuals who have benefited from NSDC programs and have established successful careers in accounting. A test paper was also taken at the end of the session.

Interaction with Students

Q & A session

The session concluded with vote of thanks by Dr. Shahija who expressed gratitude to Mr. Sreejith P R for his insightful presentation and to the students for their enthusiastic participation. Students gained a comprehensive understanding of the resources and opportunities available through NSDC to build a career in accounting. The session motivated students to consider enrolling in NSDC-supported programmes to enhance their skills and employability in the competitive job market.
