The screenshot shows the GeoGebra Classic 5 application window. The title bar reads "GeoGebra Classic 5". The menu bar includes "File", "Edit", "View", "Options", "Tools", "Window", and "Help". The toolbar contains icons for selection, text, vector, line, circle, ellipse, arc, angle, distance, slope, and a coordinate plane. Below the toolbar are two tabs: "Algebra" and "Graphics". The "Graphics" view displays a coordinate plane with a grid. The x-axis is labeled from -4 to 18, and the y-axis is labeled from -3 to 6. At the bottom of the window, there is an "Input:" field with a cursor. The taskbar at the bottom shows several open windows: "MES Kodungallur 17...", "[0.start.ggb]", "[3 limit-geometry.ggb]", and "GeoGebra Classic 5".
