Research Department of Fisheries and Aquaculture  
St. Albert's College (Autonomous), Ernakulam.

To

Dr. Kesavan K  
Associate Professor & Head,  
Department of Aquaculture,  
MES College, Kodungallur.

Sub: Invitation as resource person for the webinar on 'Basic Concepts of Fish Hatchery Management', reg:-

Sir,

St. Albert's College, Ernakulam, is an autonomous institution accredited with 'A' grade by NAAC, affiliated to Mahatma Gandhi University, Kottayam. The college offers 20 undergraduate programs, 12 postgraduate programs, 13 Certificate programs and 9 B.Voc. programs as well. At present, around 200 numbers of qualified faculty members and around 3,100 students are actively performing their responsibilities in the college.

Sir, the Research Department of Fisheries and Aquaculture, started functional from the year 1995 onwards. At present the department is having 2 undergraduate programs, 2 B. Voc. programs, 2 Certificate programs and 1 Post-graduate program in its credit.

The B. Voc. Program in Commercial Aquaculture became functional from the year 2020 onwards. At present the students are at the verge of completing their second semester classes. In the same semester the students have to undergo the internship in Good Hatchery Management Practices including, Fish Breeding, Larval Rearing, Feed Management, Seed Management and Equipment Handling as mandatory requirements of the program. As you aware, due to the COVID pandemic, we are not able to conduct the internship in offline mode. In this context, the department decided to conduct the same in online mode with a series of webinar sessions.

I humbly request your involvement in the same and kindly provide an online session on "Basic Concepts of Fish Hatchery Management" on 10/07/2021 as per your convenience. Your experience will be an excellent contribution to the programme.

Thanking you,

Yours sincerely,

Dr. Bijoy. V. M  
HoD
