

Coastal Restoration Seed bed & Threatened species nursery

On 8th June 2022

CEtC Centre Western Ghats Hornbill Foundation

MES Asmabi College, P. Vemballur

In connection with the MAD week event, Bhoomithrasena Club of MES Asmabi College have gathered to develop a seed bed for coastal restoration on 8th June 2022. The seeds collected from the local area, especially the *Calophyllum inophyllum* were sowed in the seed bed for its germination with proper spacing and nutrient support.
