

Department of Computer Application

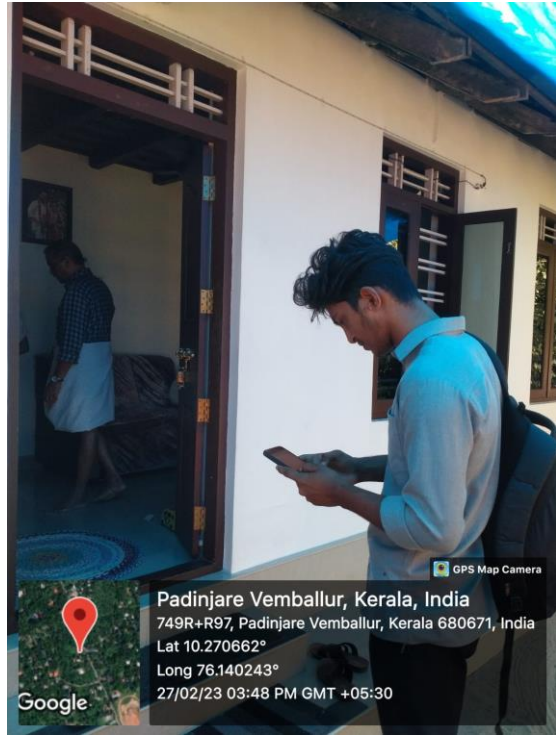

MES Asmabi College, P Vemballur

Report of 'Experia,' e waste collection held at Ward 1 (P Vemballur) of SN Puram Grama Panchayath on 28-02-2023

As part of the E-Waste disposal drive of M E S Asmabi College and Swatch Bharath Mission of SN Puram Grama Panchayath and Govt. of India, the Department of Computer Application collected e waste from P Vemballur – Dubai Road and Kolanipadi area, ward 1 of SN Puram Grama Panchayath on 28/02/2023. The students from I UG, II UG classes along with the teachers of the department, Ms. Jabin T H, Ms Naseema K A, Ms Najula K A, Ms Anu S, and Ms Nasiya P M participated in the drive.

The department prepared a google form for getting information about the e-waste in the ward. The same was send to the ward member Smt. Prakasini Mullassery and she had informed all the families about the E waste collection and shared the google form through the whatsapp group of the ward on 22nd February. We have got a few responses till 24th February. On 24th the e-copy of the Notice was given to the ward/Kudumbasree/ Thozhilurapp whatsapp groups. On 27th February students of I & II UG classes were grouped into 13 and sent to the ward for the notice distribution and survey. The have distributed 200 notices in the ward.

On 28th February Students gathered at the Vekkode Samskarika Nilayam, Kolanippadi, P Vemballur, at around 10 am. The ward member and CDS Member were also present there. After dividing into groups and giving the instructions, the collection started around 10.30 am. There were around 600 houses in the ward. The students collected LED TVs, computer monitor, emergency lamp, switch boards, chargers, Laptop, speakers, mobile phones and other electronic items. The families were very cooperative with us. Around 11.00am there was an Inaugural ceremony taken place at the same place. S N Puram Panchayath Vice President handed over the collected E-Waste to the Principal in presence of the ward member, Swatch Bharat coordinator and other members. The collection was completed by 12.30 pm and the group dispersed after giving a small refreshment. The collected waste was dispatched to the college and by 1.00 the teachers came back to college. The active involvement of the students and teachers made the programme a success.
