Monitored by
IQAC, MES Asmabi College

MES Asmabi College, a premier educational institution managed by the Muslim Educational Society, started in the year 1968 at P Vemballur, Kodungallur with the main objective of uplifting the educationally backward community. The Research and PG Department of Botany offers Ph D, PG and UG courses in Botany. The Department of Botany and different clubs in the college jointly tries to impart eco-friendly attitude in our students by observing days of ecological significance, conducting talks and classes on different issues related to the environment.

World Environment Day is celebrated annually on 5 June and encourages awareness and action for the protection of the environment. The theme for World Environment Day on 5 June 2023 will focus on solutions to plastic pollution under the campaign 'Beat Plastic Pollution' which calls for global solutions to combat plastic pollution

Every year the World Environment Day is observed by organising various programmes and this year we are organising a one day seminar and photography competition to create an awareness among the students.

Co-ordinators

Shemi C.B., Nazeema M.K., Dr. Jisha K.C.
