

REPORT ON IDEAFEST CONDUCTED AT DEPARTMENT LEVEL

DEPARTMENT OF AQUACULTURE

Ideafest at department level was conducted at room no.43 at 10am on 21/07/2022. Students presented their ideas as groups and also as individuals. The presentations were done by Alisha, Aiswarya, Anjaly, Avani, Adhil, Hassan, Joice and Anupam. Ideas ranged from food wraps to biofuels. Best three presentations were given consolation prizes.

Name of Students	Proposed idea
Alisha Ashik	Edible food wrap
Aiswarya K V	Notes App
Anjaly Ratheesh	Food waste fertilizer
Avaninandha K B	Sound muffling
Mohammed Adhil C S	Aquarium water quality
Hassan K Sherif	Biofuel

Joice M Raphael	Seaweed soap
Anupam Praney	CFC control

After the presentation and question answer sessions, a panel of teachers including Dr.K.Kesavan and Mohammed Areej E. M along with a group of student panelists declared the winners of Ideafest.

First position was secured by Alisha Ashik, III year student. Second and third was obtained by Anjaly Ratheesh and Joice M Raphel, respectively. These students were selected for the college level Ideafest to be conducted in the month of October 2022.
