REPORT ON WORKSHOP SERIES CONDUCTED BY RESEARCH COUNCIL AND LIBRARY

Second workshop in this series, Mendeley part II was conducted on 19th October 2022 at 2.30 pm. Ms Saliha P.I , Librarian, M.E.S Asmabi College, was the resource person. Welcome speech was given by Dr.Reshmi S., Member of Research promotion cell and Assistant Professor, Department of English. 20 participants including teachers and research scholars had registered for the program. The attendance sheets were signed by those who turned up for the session. This was a hands-on training session. All participants had come prepared by installing Mendeley software in their laptops. How to install was already taught during the Mendeley part I.

Ms. Saliha gave the initial instruction on how to download the journals. Later, she taught how to get 'in text' reference and 'final reference' out of the downloaded papers. Participants were given ample time to try this out. They could discuss among themselves and clear the doubts. This was well supervised by the resource person. This was backed by a question & answer session followed by official vote of thanks by Dr.Dhanya P.R, Co-ordinator of the Research promotion cell.

The participants demanded for more such programs in their feedback. They requested a session in SPSS by Dr. Nisar M.P and another on research methodology by Dr.Shafeer P.S. This will be further discussed by the cell members and implemented with the consent of Dr. A.Biju, Principal, M.E.S Asmabi College.
