REPORT ON FIRST WORKSHOP SERIES CONDUCTED BY RESEARCH PROMOTION COUNCIL AND LIBRARY

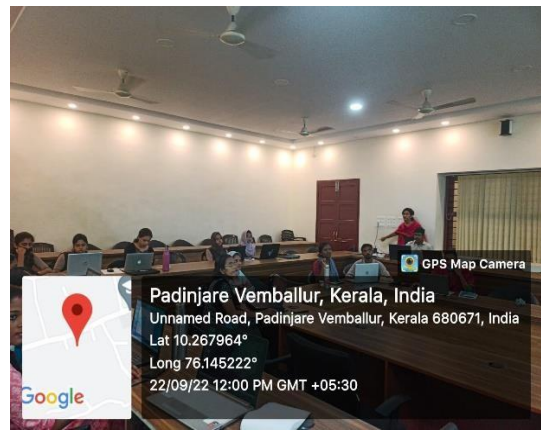

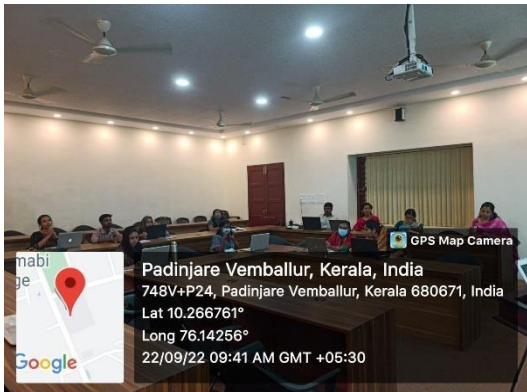

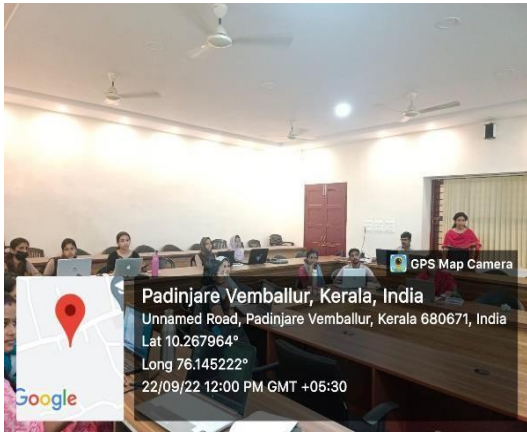

First workshop in this series, Research writing and publishing was conducted on 21st September 2022 at 9.30 am. Welcome speech was given by Dr. Reshmi S., Member of Research promotion cell and Assistant Professor, Department of English. 25 participants including teachers and research scholars had registered for the program. The attendance sheets were signed by those who turned up for the session. There were two sessions for the workshop. First session was on DISSERTATION TO PAPER. Dr. K.H. Amithabachan was the resource person. The session started at 9.30am and continued till 12.30pm. The talk was oriented at giving a brief outline about how to start your research work and how to get it on paper.

The second session was titled USE OF MENDELEY IN REFERENCING. Ms Saliha P.I, Librarian, M.E.S Asmabi College, was the resource person for the session. This was a hands-on training session. All participants had come prepared with their laptops. How to install Mendeley software was taught during the session. Ms. Saliha gave the initial instruction on how to download the software. Later, she taught how to get in text reference and final reference out of the downloaded papers. Participants didn't have ample time to try this out since installation of software and connectivity issues were prevalent. The participants requested one more session in Mendeley to compensate this. This will be further discussed by the cell members and will be implemented with the consent of Dr. A.Biju, Principal, M.E.S Asmabi College. The participants requested one more session in Mendeley.
