

MoU Signing ceremony with Sree Narayana Puram Grama Panchayat

Two new MoUs were signed between Sree Narayana Puram Grama Panchayath, CEtC centre of Western Ghats Hornbill Foundation at MES Asmabi College Campus as part of the updation of People's Biodiversity Register and Coastal Ecosystem Restoration Phase III, Supported by Kerala State Biodiversity Board, BMC SN Puram Grama Panchayat. The MoU were delivered by Dr. Girija T.P. to the Panchayath President Mr. M.S. Mohanan in the auspicious presence of Dr. Reena Mohamed Vice Principal, MES Asmabi College, Dr. K.H. Amitha Bachan, Ms. Devika M. Anilkumar, Eco restoration Programme Coordinator of the niche-specific ecological restoration project and other Panchayat members. These agreements are part of the larger multi stakeholder-linked project "IUCN Status Assessment and Niche Ecological Restoration of Threatened Species and Ecosystems," launched in 2021.
