

Plant Count at Coastal Eco restoration site

As part of the World Environment Day 2023, BMC, Sree Narayana Puram Grama Panchayat and CEtC Western Ghats Hornbill Foundation jointly conducted a plant count at coastal vegetation belt restoration at 19 and 21 ward of the panchayat. The programme was inaugurated by Shri. M.S. Mohanan, president, SN Puram Grama Panchayat by planting a sapling. Students from Biodiversity Clubs of various schools participated in the programme. The women from MGNREA and the students together counted the number of saplings to ensure its survival rate and the status of restoration in the disaster hit coastal zones of the Panchayat.
