

Report On Outreach Programme on Neighbourhood Community Service: "Day with Little Ones"

Date: 14th November 2023

Organized by: Research Department of Commerce, MES Asmabi College P. Vemballur

Event Title: "Day with Little Ones"

Location: GFLPS Vekkode, P. Vemballur

Introduction:

The Research Department of Commerce in MES Asmabi College P. Vemballur organized an outreach programme on neighborhood community service titled "Day with Little Ones" on 14th November 2023. This initiative was conducted in addition with Children's Day at GFLPS Vekkode, P. Vemballur. The outreach programme had active participation from the second-year B.Com Cooperation students.

Objective:

The primary objective of the "Day with Little Ones" outreach programme was to establish a meaningful connection between the second-year B.Com Cooperation students and the local community, particularly the young children of GFLPS Vekkode. The event aimed to provide an enjoyable and educational experience for both the students and the children, fostering a sense of community service and social responsibility.

Activities:

The outreach program at GFLPS Vekkode included diverse activities for participants. Notably, engaging events like a quiz and musical chair competition added a festive atmosphere, fostering camaraderie and friendly competition. Concurrently, the second-year B.Com Cooperation students undertook a community service initiative by cleaning classrooms, contributing to the school's physical well-being and instilling a sense of responsibility and ownership among the students for their community.

Impact:

The outreach programme had a multifaceted impact on the participants and the community. The combination of entertaining activities and community service created a balanced experience for the students and the children.

- The students gained practical insights into community service, developing a sense of responsibility and empathy.
- The children experienced a day of joy and interaction, fostering positive relationships with the students and the school.
- The act of cleaning classrooms not only contributed to the physical well-being of the school but also instilled a sense of pride and ownership among the students.

Conclusion:

The Research Department of Commerce at MES Asmabi College P. Vemballur successfully organized a meaningful outreach programme with the "Day with Little Ones." The combination of enjoyable activities and community service initiatives reflects the commitment of the college to holistic education and community development. This initiative serves as a positive example of bridging the gap between academia and the local community.
