REPORT ON INTER COLLEGIATE MGT FEST- INVIERNO -2K 23

Event Overview:

Overview: The Intercollegiate Management Fest held at our college on 21st January 2023 was a resounding success, drawing participation from 300 students across 9 colleges. The event featured a diverse range of competitions aimed at fostering managerial skills and creativity among the participants.

Participation: A total of 300 students from 9 different colleges enthusiastically participated in the fest, showcasing their talents and competitive spirit.

Events: Seven distinct events were conducted throughout the day, each designed to challenge and engage the participants in various aspects of management and leadership. These events covered areas such as case study analysis, business plan presentations, marketing simulations, and more.

Duration: The fest was organized as a one-day program, commencing at 9:00 AM and concluding at 5:00 PM. This condensed timeline ensured a focused and intense atmosphere, keeping the energy levels high throughout the event.

Prize Distribution: The highlight of the day was the prize distribution ceremony, presided over by the College Managing Secretary. Winners and runners-up of each event were recognized and rewarded for their outstanding performances, motivating them and others to continue excelling in their endeavors.

Conclusion: The Intercollegiate Management Fest provided an invaluable platform for students to demonstrate their managerial acumen, interact with peers from other institutions, and hone their skills in a competitive yet collaborative environment. The successful execution of the event underscored the commitment of our college towards promoting holistic development and excellence among its students.
