Report

Program: International Pi Approximation day Celebration

Date: 22-7-2022

Venue: College Campus

In connection with the 'International Pi approximation day celebration' department of mathematics and statistics had organised a poster presentation and quiz competition in college on 22-7-2022. Dr Reena Muhammed had inaugurated the program by answering the quiz questions.

This program helps the students of other departments to know about the day and its importance. About 31 students participated in quiz competition.

First Place: Muhammed Rameem(Third BVoc DFP)

Second Place: Samson(Second B Voc Logistics) .

It was decided to give the prizes on the mathematics association day inauguration
