

Coaching for Fisheries Department PSC Exams

Introduction

Coaching for Fisheries Department PSC Exams was conducted from 01st December 2021 to 31st March 2022, aimed at providing comprehensive guidance to students enrolled in the BVOC Fish Processing Technology program. Smt. Ujjwala Navas, Assistant Professor at MES Asmabi College, P. Vemballur, led the coaching sessions, focusing on enhancing students' preparation for the competitive exams.

Objectives

- To equip students with the necessary knowledge and skills required to excel in the Fisheries Department PSC Exams.
- To cover all essential topics including General Knowledge, General Aptitude, Current Affairs, and Fisheries-related questions.
- To provide personalized guidance and strategies tailored to individual students' needs.
- To foster confidence and competence among students in tackling exam questions effectively.

Description

Smt. Ujjwala Navas conducted coaching sessions for four months, addressing various aspects crucial for success in the Fisheries Department PSC Exams. The classes were specifically designed to cater to the requirements of students in the BVOC Fish Processing Technology program.

The curriculum covered a wide range of subjects, including General Knowledge, General Aptitude, Current Affairs, and Fisheries-related topics. Smt. Ujjwala Navas employed a structured approach, ensuring that students received comprehensive preparation across all relevant areas.

Students enrolled in the second and third years of the BVOC Fish Processing Technology program actively participated in the coaching sessions and benefited from Smt. Ujjwala Navas's expertise and guidance. The classes were held from 3:30 to 4:30 pm, providing students with convenient timings for their studies.

Smt. Ujjwala Navas's dedication and commitment to student success were evident throughout the coaching program. She provided personalized attention to each student, addressing their individual strengths and weaknesses to enhance their overall preparation for the exams.

Conclusion

The coaching for Fisheries Department PSC Exams conducted by Smt. Ujjwala Navas proved to be highly beneficial for students pursuing the BVOC Fish Processing Technology program. Through structured classes and personalized guidance, students were equipped with the necessary knowledge and skills to excel in the competitive exams. The coaching program played a significant role in empowering students and fostering their confidence in tackling exam questions effectively.
