

Career Guidance Programme - Career Pathways in Fisheries

Introduction

The Career Guidance Programme on "Career Pathways in Fisheries" was conducted on 07-01-2022 for BVOC Fish Processing Technology students. The session aimed to enlighten students about the diverse career opportunities available in the fisheries sector and provide guidance on how to excel in related competitive exams. Ms. Vaishna P. U., a renowned PSC Coaching Centre Trainer, served as the resource person for the program.

Objectives

To familiarize students with various career paths in the field of fisheries.

To provide insights into strategies for cracking competitive exams, especially those related to the fisheries department.

To equip students with essential skills and knowledge required for a successful career in the fisheries sector.

To address students' queries and concerns regarding career prospects and exam preparation.

Description

Ms. Vaishna P. U., an expert in Industrial Fisheries and a seasoned PSC Coaching Centre Trainer, led the Career Guidance Programme. She commenced the session by elucidating the myriad career opportunities available to graduates in the fisheries domain. Drawing from her own experiences and expertise, Ms. Vaishna emphasized the importance of continuous learning and skill development for thriving in the fisheries industry.

Furthermore, Ms. Vaishna provided valuable insights into the nuances of facing and cracking various PSC exams, particularly those pertinent to the fisheries department. She shared effective study strategies, time management techniques, and tips for exam preparation to empower students in their pursuit of success.

The session fostered interactive engagement, allowing students to actively participate and seek clarification on topics discussed. Ms. Vaishna P. U. patiently addressed students' queries, providing comprehensive explanations and guidance tailored to their needs.

Conclusion

The Career Guidance Programme proved instrumental in enlightening BVOC Fish Processing Technology students about the diverse career pathways available in the fisheries sector. Ms. Vaishna P. U.'s expertise and guidance equipped students with valuable insights into exam preparation strategies and career development. The interactive nature of the session facilitated meaningful engagement and addressed students' concerns, thereby empowering them to make informed decisions regarding their future endeavors in the fisheries industry.
