DATE: JUNE,16, 2023

PARTICIPATION: 53

Photo Fest India 2023, held at the Adlux International Convention Centre in Angamali, was a highly anticipated event for photography enthusiasts. Among the various sessions and activities, the Fujifilm Workshop, conducted by Radhakrishnan Chakyat, a renowned photographer and YouTuber, stood out as a key highlight.

The Fujifilm Workshop was held from 2:30 PM to 4:30 PM, providing attendees with a comprehensive understanding of Fujifilm cameras and techniques. Radhakrishnan Chakyat, with his expertise and experience, shared valuable insights and practical knowledge, making the session engaging and informative.

The workshop session was inaugurated by Sajan Palluruthy, a popular mimicry artist and film actor. His presence added a touch of glamour and excitement to the event, setting the stage for an enriching experience for all the participants.

Photo Fest India 2023 successfully catered to the interests and aspirations of photography enthusiasts. The Fujifilm Workshop, conducted by Radhakrishnan Chakyat, equipped the participants with valuable knowledge and skills related to Fujifilm cameras and techniques. The presence of Sajan Palluruthy as the chief guest added charm and excitement to the event.

### **Outcome**

It is important to note that future events should strive for a better balance in terms of gender representation, ensuring equal opportunities for both male and female participants. Encouraging diversity and inclusivity in photography and related fields will contribute to a more vibrant and enriching community. Overall, Photo Fest India 2023 proved to be a successful and memorable event, leaving the participants inspired and motivated to explore the world of photography further.
