---

**PROGRAMME HIGHLIGHTS:**

Date and venue : 30 January 2024, Auditorium

Programme Co-ordinator : Nasiya PM (Assistant Professor, Department of Computer Application)

Student Co-ordinator : Adhanul Safwan (III BCA)

Time : 11.30 AM

As part of the association inauguration of BCA department namely "Inspiresphere", an alumni interaction was held between students and the chief guest, aiming to share knowledge and build strong relationship between the students and alumni, on 30/1/2024 at 11.30 am. The program coordinator was Nasiya P.M (Assistant Professor, BCA) and the student coordinator was Adhanul Safwan (III BCA). The chief guest was Athul Mithran. The program started with a welcome speech by Jabin T. H (Head of BCA department).

The chief guest Athul Mithran, who is an alumni, was a student in the first BCA batch of M.E.S. ASMABI College in 2013-16. He did work as an Assistant Professor in our college in 2019. Currently he works as a Senior Computer Scientist at the Arctic University of Norway. He shared his experience as a student in our college and motivated the students towards their goal. He explained about his experience as a Computer Scientist and as a Scientific Engineering for EU and National Funded projects and also about his current project which he is working on, which is a device which helps doctors in monitoring and aiding patient's with migraine.

He advised the students to make right decisions and utilize their time by engaging themselves in fruitful activities which could contribute to ones future activities. He emphasized the need for commitment, involvement and passion to finish their task within the period of time. Further, he insisted the students to upgrade their knowledge, based on student's interested area for improving their ability related to the current trends.

Towards the end there was an interactive session, with the alumni answering various queries raised by the students. Finally the program ended with a vote of thanks by the coordinator Nasiya PM. Overall it was a wonderful event.
