

**DEPARTMENT OF AQUACULTURE**  
**REPORT ON CULTURAL PROGRAMMES**  
**HELD IN CONNECTION WITH INAUGURATION**  
**OF AQUACULTURE ASSOCIATION**

**Date:** 20th February 2024

**Venue:** College Auditorium

**Time:** 2PM to 4 PM

**Coordinator:** Dr. Kesavan K

**Participants:** 60 students of the department of Aquaculture.

**Objectives:** 1.) To nurture the organising skills of students. 2). To promote participation in cultural programmes so as to enhance personality and to boost the sense of unity among students.

The formal inauguration of Aquaculture Association was held on 20th February 2024. The event was graced by **Mr. Paul M F, Assistant Director of Fisheries, Fisheries Station, Azhikode**, who officially inaugurated the association and delivered an insightful lecture on "**Practical Approaches in Hatchery and Farm Management.**" The inauguration ceremony was held in the college auditorium, commencing at 10 AM and concluding at 12 PM.

Mr. Paul M F, in his inaugural address, emphasized the significant responsibilities borne by aquaculture professionals. He highlighted the inherent risks involved in managing a fish hatchery, particularly the challenges associated with maintaining water quality, effective feed management, and disease control. His lecture provided a detailed overview of the practical approaches necessary for successful hatchery and farm management, offering valuable insights to both students and faculty members.

**Cultural Programmes:**

Following the inauguration and lecture, students of the department organized a series of cultural programs performed by the students of the department. These programs, held from 2 PM to 4:30 PM, showcased the diverse talents and organizational skills of the students. The array of performances included a group song, cinematic dance, mono-act, skits, group dance, and light song. Each performance was a testament to the creativity and enthusiasm of the students, adding a vibrant and celebratory atmosphere to the occasion.

The inauguration of the Aquaculture Association marks the beginning of a new chapter for the department, with plans to engage students in a variety of activities at the department level. These activities aim to enhance both academic and extracurricular development, providing students with opportunities to hone their skills and broaden their knowledge. The association is envisioned as a platform for students to showcase their talents, develop leadership abilities, and engage in meaningful projects that contribute to the advancement of aquaculture.

Vibrant cultural performances, and enthusiastic participation from students gave were significant in reiterating the unity of students of the department and a scale to assess their organising skills. The event set the stage for a series of initiatives aimed at enriching the educational experience and professional growth of students in the field of aquaculture. The department looks forward to a fruitful and dynamic journey ahead with the Aquaculture Association at its helm.
