

**REPORT ON COMPETITIVE EXAM COACHING CONDUCTED AT**  
**DEPARTMENT LEVEL**

**DEPARTMENT OF LOGISTICS MANAGEMENT**

The B.Voc Logistics Management Department organized a two-session coaching program focused on preparing students for competitive exams. The sessions were aimed at enhancing students' skills in Quantitative Aptitude, Data Interpretation, and Reasoning Ability. The resource person for both sessions was Mr. Abdul Yafiz K M, HOD, Department of Logistics Management.

**Session 1: Quantitative Aptitude and Data Interpretation**

- **Date:** 12th October 2023

**Session 2: Reasoning Ability**

- **Date:** 13th October 2023

53 students participated in the sessions. The interactive nature of the sessions helped students engage actively and gain confidence in tackling competitive exam questions.

Overall, the coaching program successfully equipped students with essential skills and strategies for quantitative aptitude, data interpretation, and reasoning ability, laying a strong foundation for their preparation for competitive exams.
