DEPARTMENT OF FISH PROCESSING TECHNOLOGY

TRAINING ON FOOD SAFETY - REPORT

Date: 22-07-2024 & 23-07-2024

Venue: Hall No: QS03

Number of Participants: 36

Department of Fish Processing Technology organized two days training programme on “Food Safety” in association with Cresco Safe– food consultants. The training session started by 10.00 am on 22nd of July, 2024. Mr. Joy P. Mathew and Ms. Ashmy Baby lead the two day’s sessions.

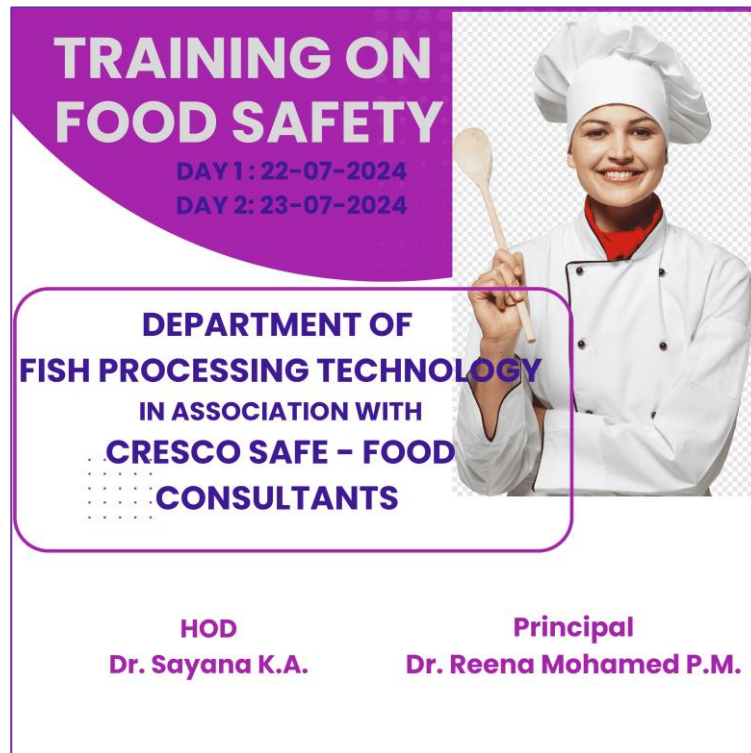

The training was conveyed in 15 modules in which the major portions covered are:

Day 1: students gained knowledge on food safety, Hazards, Legal requirements and implementation of food safety measures, Hazard analysis and control measures

Day 2: covered the topics of monitoring and verification systems in food industry, preparation of standard operating procedures and the record keeping.

As per the feedback of the participants, the session was very much useful, comprehensive and well-structured. Suggestions include frequent and advanced trainings on specific food safety practices.
