

MES Asmabi College, P.Vemballur

Active Participation in the IEDC Summit 2024

The IEDC Summit 2024, held at NIT Calicut on October 18-19, witnessed active participation from MES Asmabi College. The event began with a **Nodal Officers' Meet on October 18**, where Dr. Princy Francis represented the institution. This exclusive session provided valuable insights into fostering innovation and entrepreneurship among students. The subsequent summit day, October 19, saw the involvement of additional faculty members, including Ms. T.H. Jabin and Mr. Jeswin Varghese, alongside a group of selected students, ensuring the representation of diverse perspectives.

The institution's delegation actively engaged in discussions, workshops, and networking sessions, amplifying the college's efforts toward driving innovation. The college administration extended support by approving financial assistance for the registration fee and granting duty leave to the participants. This collaborative effort underscores the commitment of MES Asmabi College toward promoting entrepreneurial mindsets and preparing its members for future challenges.
