

## **DEPARTMENT OF AQUACULTURE**

### **REPORT ON ALUMNI INTERACTION SESSION WITH MEHJUBIN K**

**(PG STUDENT AT EÖTVÖS LORÁND UNIVERSITY, BUDAPEST, HUNGARY)**

**Date:** September 6, 2024

**Time:** 2.00 PM

**Venue:** Old Seminar Hall, M E S Asmabi College.

**Student participation:** 93 (All students of B.Sc. Aquaculture).

**Teacher participation:** All faculties of the department of Aquaculture

The Department of Aquaculture organized an insightful alumni interaction session for the students of B.Sc. Aquaculture on September 6, 2024. The event featured **Mehjubin K.**, a distinguished alumna from the 2021 batch, who is currently pursuing an **M.S. at Eötvös Loránd University, Budapest, Hungary**, under the prestigious **Stipendium Hungaricum Scholarship** (EEP of UGC).

The session began at 2:30 PM in the Old Seminar Hall and was attended by all current B.Sc. Aquaculture students. Mehjubin shared her academic journey, highlighting her experiences and challenges in securing the coveted international scholarship. Her presentation offered valuable insights into the application process, scholarship opportunities, and the importance of academic and extracurricular preparation for achieving success at global institutions.

Students actively participated in the interaction, posing questions about study-abroad opportunities, preparing for competitive scholarships, and strategies to enhance their academic profiles. Mehjubin's practical advice and motivational anecdotes served as an inspiration, encouraging students to aim for higher academic goals and international exposure.

The program emphasized the importance of perseverance, networking, and skill development in achieving global recognition in the field of aquaculture. The session was well-received by the students, who expressed their appreciation for the opportunity to learn from the experiences of an accomplished alumna.

#### **Conclusion:**

The alumni interaction session proved to be a valuable and motivating experience for the students. The Department of Aquaculture's initiative in organizing such programs demonstrates its commitment to fostering academic excellence and empowering students to pursue higher education and career opportunities on an international platform.
