

Inter-Departmental Quiz Competition

As part of the Economics Association inauguration, the Department of Economics at MES Asmabi College, P.Vemballur, conducted an inter-departmental quiz competition. The event was a huge success, with around 100 students participating from various departments.

The quiz competition was conducted by Mr. Muhammed Irfan K.S, a III B.A Economics student, who did an excellent job as the quiz master. The participants were tested on their knowledge of various subjects, including economics, history, science, and more.

The quiz competition was a great way to encourage students to learn and have fun at the same time. It was also an excellent opportunity for students from different departments to come together and showcase their talents.
